ONE HUNDRED-FOURTH COUNCIL

THOMAS E. KILGALLEN.....President

JAS. W. PATTERSON.....City Clerk

GEORGE BOXHEIMER...Asst. City Clerk

Pittsburgh, Pa.,

Monday, January 7, 1946.

On Monday, January 7, 1946, at 10:00 o'clock, A. M., the members-elect of the Council of the City of Pittsburgh, together with those holding over, convened in the Council Chamber of said City in accordance with the provisions of the Act of Assembly of the Commonwealth of Pennsylvania, approved May 31, 1911.

The Council was called to order by James W. Patterson, City Clerk, who acted as Chairman, Pro tem. of the meeting.

The Chair said:

This is the day and hour fixed by the Act of Assembly for the organization of the Council of the City of Pittsburgh. The One Hundred-Fourth Council will be in order.

The National Anthem was sung by Miss Helen Flatley, accompanied by the Police and Firemen's Band.

Rev. A. J. Holl, Pastor, First Lutheran Church offered the following prayer:

In the Name of the Father and of the Son and of the Holy Spirit, Amen. Our Father Who art in Heaven, in this hour when men elected to public office enter upon their duties and responsibilities, we earnestly pray that Thy blessing may rest upon them. Give them wisdom and understanding that they may be able to give account of the stewardship entrusted to them. Give them courage at all times to stand for the right, no matter what the cost. Give them faith, O, God, that they may constantly lay hold upon the limitless and never-failing spiritual resources. O, Lord, bless our City, through their leadership, and give to the citizens an earnest and whole-hearted desire to cooperate that Thy Kingdom of righteousness may be firmly established in them, and Thy will continue on earth as in Heaven, through Jesus Christ our Lord. Amen.

The Chair presented

Which was read, received and filed.

The Chair: The Members-elect will appear before the rostrum.

The Chair appointed the Honorable James L. O'Toole, Jr., of the Court of Common Pleas of Allegheny County, to administer the oath of office to the Members-elect.

The following Members-elect: Messrs. Walter R. Demmler, Thomas J. Gallagher, Joseph A. McArdle, Fred W. Weir and A. L. Wolk took and subscribed to the oath of office.

The Chair: The Clerk will call the roll.

And the roll having been called, there were:

Present:—Messrs.

Demmler	Leonard
Duff	McArdle
Gallagher	Weir
Kilgallen,	Wolk.

The Chair: The Order of Business is the Election of President of Council.

The Chair recognizes Mr. Wolk.

Mr. Wolk arose and said:

Mr. Patterson and Members of Council:

Six years ago I had the honor of nominating as a member of Council Thomas E. Kilgallen. At that time I had confidence that he would make a valuable member of this body. My confidence in him has been fully justified. He has been energetic, enthusiastic and diligent in the performance of his duties. He has been upright, competent and intellectually honest. I believe that he has made an excellent public servant.

For the last four years he has been the Presiding Officer of this body. He has wielded the gavel with fairness and equity. Yes, as all human beings do, he has made some mistakes, but never has there been one iota of rancor or bitterness or malice in his actions. He has been kind and considerate and has sought continuously harmony and co-operation. At the same time he has repeatedly emphasized that in a body such as ours there need not be agreement on all issues. But he has also repeatedly emphasized that in all disagreements there should be tolerance for the view-point of the other fellow. I believe he has made an excellent Presiding Officer, and I, therefore, nominate Thomas E. Kilgallen to be President of Council for the next two years.

Mr. McArdle arose and said:

I rise to second the nomination of Thomas E. Kilgallen as President of City Council. I do this, having served in this body with him for the past four years; having seen the way he has conducted this body with fairness to all. I believe his election to the presidency of this body will go far toward promoting the best interests of the City of Pittsburgh.

Mr. Weir moved

That the nominations close on the name of Thomas E. Kilgallen.

Which motion prevailed.

The Chair: The Clerk will call the roll on the nomination of Mr. Kilgallen to be President of Council,

And the result of the voting was as follows:

For Mr. Kilgallen:

Messrs.

Demmler	McArdle
Duff	Weir
Gallagher	Wolk.
Leonard	

(Mr. Kilgallen not voting).

And Thomas E. Kilgallen having received seven votes, a majority of the votes of Council, was declared duly elected President for the ensuing term.

The Chair (Mr. Patterson)

Appointed Messrs. Wolk, McArdle and Weir a committee to escort the President-elect to the Chair.

The Committee performed the duty assigned it and presented Mr. Kilgallen to Council.

The Chair (Mr. Patterson)

Appointed the Honorable James L. O'Toole, Jr., of the Court of Common Pleas of Allegheny County, to administer the oath of office to the President-elect.

And the oath of office as President of Council was administered to Thomas E. Kilgallen by the Honorable James L. O'Toole, Jr., of the Court of Common Pleas of Allegheny County.

The Chair (Mr. Patterson)

Discharged the Committee with the thanks of Council.

The Chair (Mr. Patterson) said:

The Chair presents to Council and to the citizens of Pittsburgh the new President of Council, Thomas E. Kilgallen.

Mr. Kilgallen (Pres't.) said:

My Fellow-Councilmen, their Families, their Friends, distinguished Guests, Ladies and Gentlemen:

I first want to express my appreciation to my fellow-Councilmen for the honor that they have shown me. I am sincerely grateful. During my term in office I will, at all times, do my best

to conduct the affairs of this body with close regard to the rules of parliamentary procedure, with fairness and courtesy to all, and with the constant hope that every question coming before us will be fully discussed and fully understood before we vote upon it. I again want to express my appreciation for the honor you showed me.

In these reorganization programs it has always been customary to give a brief outline of our aims and objectives during the coming term. This Council is composed of men, everyone of whom has been in public service for many years. During that time a pattern of performance has been shown, a way of thinking, and a way of acting that makes it needless for me to predict what kind of City Council this will be in the approaching term. We shall, in all likelihood, be very much as we have been. I hope so. This has been a good Council. We have made some share of mistakes. There have been times when nine other men might have decided to do something else, but on the whole we have given this City good government under rather hard and pressing circumstances.

The people of Pittsburgh have given majority approval of our past actions. In a fairly conducted election, where our faults and our virtues were freely discussed, where our good performances and our bad were made an open book, the people of this City have given to us and to Mr. Lawrence legislative and executive control of Pittsburgh for the next four years. We accept it as a trust. We shall try every day, day by day, to give this City competent and honest government. That is our pledge. To the best of our personal and group abilities we shall enact such legislation as we deem to be for the best interests of Pittsburgh. Within the jurisdiction allotted us by the State Constitution and State enactments, we shall work hand in hand with the new Mayor. We are entirely familiar with the pledges that have been given to our people. We have agreed with the program upon which he ran for office. We sense the feeling in our City that we are on the threshold of a new day, a day when Pittsburgh will advance and improve, and in every way

that we possibly can, we shall cooperate with our new Mayor, David L. Lawrence.

The Chair said:

Thomas J. Gallagher is one of the men who has held public office in this City for many years; re-elected, re-elected and re-elected.

Mr. Gallagher arose and said:

Mr. President, Members of Council and Friends:

I want to take this opportunity to congratulate you on your re-election as President of Council, and also to thank the voters and citizens of Pittsburgh for the confidence they have placed in me through re-election to membership in this body.

I deem it a high honor, and want to reiterate what I said on previous occasions, that I will carry on as I have for the past twelve years as a member of Council, in using my experience and knowledge to the best interests of the taxpayers and citizens of this great industrial city.

I pledge, again, as I have in the past, that I will devote my time and energy to make Pittsburgh a better place for our people to live and make a livelihood.

And to Mayor Lawrence, I want to offer my congratulations for his success, and also to the Democratic Party for their wisdom in choosing him as a candidate for Mayor.

I am firmly convinced that Mayor Lawrence, with the cooperation of Council, and the various groups, including labor, business, banking, religious and other bodies, will do his part to make Pittsburgh one of the outstanding cities of America. I know Mayor Lawrence will do his utmost during his term to bring about betterments in the civic, industrial and business life of Pittsburgh, so that we will all be proud of his achievements.

I want to wish the members of Council and our new Mayor a very successful term, and the best of health, so that we will all be able to carry on to make this, our city, the most outstanding municipality in the country.

The Chair recognizes Mr. Demmler.

Mr. Demmler arose and said:

Mr. President, Fellow-members, Friends:

On this occasion, I wish to express my appreciation of the confidence that has been placed in me, and am thankful that I may have the privilege to serve another four years as a member of this Council.

My endeavors will be towards a more and better public service.

Financial problems and questions of taxation will command my attention and continued study. My special efforts will be directed towards the retention and extension of the Pittsburgh Graded Tax Law.

The Chair recognizes Mr. McArdle.

Mr. McArdle arose and said:

Mr. President, Members of Council, Distinguished Guests:

I do not intend to bore the audience with a long speech. I want to express my appreciation to the voters of Pittsburgh for the confidence placed in me by re-electing me to this Body and with the promise that I will conduct myself in their best interests.

The Chair recognizes Mr. Weir.

Mr. Weir arose and said:

Mr. President: First, let me congratulate you on your re-election as President of this Body. My remarks are going to be brief. I think what is running through my mind now are the very words I said here ten years ago when I was sworn in my first half term in Council, and these words were: "I hope that my actions in the future will merit your support and confidence".

The Chair recognizes Mr. Wolk.

Mr. Wolk arose and said:

Mr. President: May I first congratulate you on your re-election and also my colleagues on their re-election as members of this body. I am grateful to the people of Pittsburgh for the opportunity they have given me again to be of service to them. I wish to assure them that I will do everything in my power to cooperate with my colleagues and the newly elected Mayor to make this City of ours a decent place in which to work and live.

The Chair said:

I understand the newly elected Mayor will submit his appointments tomorrow. I suggest that when we recess, we recess until 2:00 o'clock tomorrow.

The Chair appointed

Messrs. Demmler, Duff and Gallagher as a Committee on Rules.

The Chair stated

That the announcement of the names of the Chairmen of Standing Committees would be made later.

Mr. Demmler moved

That Council recess until 11:45 o'clock A. M.

Which motion prevailed.

And

Council recessed.

And the hour of 11:45 o'clock, A. M. having arrived and the time of the recess having expired, Council reconvened and there were present:

Messrs.

Demmler	McArdle,
Duff	Weir
Gallagher	Wolk
Leonard	Kilgallen (Pres't.).

The Chair appointed

Messrs. Gallagher, Weir and Demmler as a committee to escort the Mayor-elect David L. Lawrence, to the Council Chamber.

And the Committee having returned and presented the Mayor-elect to the Council, was discharged with the thanks of Council.

The Chair:

The Chair invites the Mayor-elect to a Chair upon the Rostrum.

The National Anthem was sung by Mrs. Elizabeth Curley, accompanied by the Police and Firemen's Band.

The Chair:

Prayer will be offered by Rev. D. A. Lawless, of St. Mary of Mercy R. C. Church.

Reverend Lawless offered the following prayer:

Eternal and Omnipotent Father, by Whose aid our forebears carved from the wilderness that which grew

and developed and which we now behold as a great industrial and commercial City of Pittsburgh, do Thou, O God, continue to aid us that we may go forward in the establishment of greater things for our City, and those who abide within it. Guide and direct especially him who our electors have selected to be their guide in City matters and to be the guide of their City during the four years to come. Enlighten him, O God, that he may discern of better things from those that are not so good and that he may shun the pernicious. Strengthen his will that neither force nor fear or any human element will ever swerve him from the attainment of those things which will be for the betterment of our City and our citizens. Unite our peoples under our Mayor so that we may make greater strides in the years ahead than we have ever attained in the past, to the end that Pittsburgh will be a greater City in which to live, and that we may safely take a higher place among the cities of our blessed land.

These things, O God, we pray of Thee, we beseech and beg, through Thy Son, our Lord, Jesus Christ. Amen.

Board of Elections of the
County of Allegheny, Pa.

Which was read, received and filed.

The Chair appointed

Hon. A. Marshall Thompson of
the Court of Common Pleas of Allegheny County, to administer the oath

of office to the Mayor-elect.

And the Mayor, David L. Lawrence, having been presented to Council, took and subscribed to the oath of office, which was administered to him by Honorable A. Marshall Thompson of the Court of Common Pleas of Allegheny County.

The Chair: Ladies and Gentlemen, the Mayor of Pittsburgh.

Honorable David L. Lawrence, Mayor of Pittsburgh, said:

Mr. President, Members of Council, Father Lawless, Reverend Wilson, Ladies and Gentlemen.

I take office as mayor of Pittsburgh with no exultation in my heart; no pride of power; no feeling of triumph.

It is an office of great strength, of immense trust.

My hope and prayer is that I can find within myself the resources to fulfill that strength; that I can in every way be faithful to that trust.

I look forward to four years of hard, earnest unremitting work—work for Pittsburgh. I look forward, not to pomp and ceremony, not to civic honors, parades and receptions, but to years of planning, thinking, and acting with all my fellow citizens to realize the full potentialities of this great city of ours.

I meant every word I said in my campaign. I regard none of it as "campaign oratory." I regard no good thing as beyond our united ability to achieve.

I look forward to years of accomplishment, to years of sound progress, in Pittsburgh.

No mayor of Pittsburgh has been more fortunate in his predecessor. Mayor Scully turns over to me the direction of a city that is in working order, that meets its obligations, that balances its budgets, that is fair with its employees, that has the best credit standing in the nation. I inherit a sound municipal organization, basically strong, capable of improvement and of growth.

Cornelius D. Scully has been my good and true friend, loyal, generous, warm-hearted. Like all who know him well, I love and honor him as a man, as a gentleman in the full sense of that word.

As his successor in this office, I know my debt to him, and this city's debt.

He has been its mayor for nine hard years, years of depression and years of war. His own spirit of tolerance, of good will, of love of his fellowman, set a keynote for this city which helped us remain a united community through every trial of recent times.

His fertile mind and quick imagination grasped every plan for the betterment of Pittsburgh; his vision and his idealism, his neverfailing hopefulness, led him to propose and to embrace large-scale projects, far-reaching thinking. He did not shrink from the new and he did not shy away from the difficult.

His administration laid the groundwork, did the planning, cleared the way, prepared men's minds, for the great tasks we hope to accomplish—the Point Park, the parkway system, low rent housing and blight removal, smoke elimination, stream purification, a readjustment of the city's fiscal relationship with the state. When these things are achieved, as achieved they will be, the achievement will be founded upon the bold pioneering of Mayor Scully.

No mayor ever loved a city more, or wished all its people so well.

I stand here in the chambers of the council of Pittsburgh—the meeting place of the nine men who will be my board of directors in the municipal government. We are not strangers, this council and I. I know the council—men of diverse backgrounds, of specialized abilities, good keen men, each well qualified to pass upon the business of the city and each able to make a unique contribution to some specific phase of this city's government and public life.

Men of integrity and of strong convictions that are the outgrowth of integrity, our councilmen are the last men alive to make up a rubber stamp body, nor would I have it so. But I do want—and I confidently expect—each member of council to work on the team—to use his abilities and his knowledge and his experience to further some phase of the far-reaching program we all know Pittsburgh needs.

We are pursuing great objectives. We are reaching out to the future. The

broad sweep of doing BIG things is a magic solvent for petty irritations, conflicts of personalities, little quarrels over non-essentials.

I have tried to select an able cabinet. I think I have succeeded. My department heads will have my help and my support, but I want to say now, publicly for the record, that I will look for them and their subordinates to work for the city as a whole—that I will not tolerate inter-departmental disputes and rivalries that jeopardize the city's interests. We are working for the same employer—the people of Pittsburgh. They expect us to work as a team, not as individual stars. I realize that there can be honest differences of opinion. These can and will be umpired. When a decision is reached, I expect it to be binding—to be final—to be carried out by all parties in full good faith.

The city government is as strong as the morale, the willingness, the devotion to duty, of the thousands of men and women who compose it. Many of the city employees are old friends of mine; many more do not know me. That I hope to change, for I will not be a secluded mayor. I have spent my life mingling with people. I expect to meet nearly everyone who works for the city—on the job—for I plan to make frequent and informal inspections of every phase of the city's work.

We have work to do, and we are going to go ahead and do it. Speaking very bluntly, if there is anyone on the city payroll who thinks he has reasons for not putting in a full day's work, every day, he will weigh those reasons against his city salary, and choose between them. The best politics is good government, and you can give good government only when you work at it. That goes all the way down the line, from the executive offices in City Hall, to the humblest city worker. We'll work or we'll get off the job, and give it to a person who will.

When men and women have a purpose, when they have inspiration, when they are driving toward a valued goal, they will work willingly and efficiently, and beyond the call of duty, and that's the spirit which this administration is going to instill.

The problems of the city are so many and so diverse that I cannot speak of them all today, nor do more than briefly touch, for emphasis' sake, on the more pressing among them.

The scarcities of a war economy seriously handicapped many city services, just as they did store deliveries, travel, telephone installations, laundry work, and many other things we were accustomed to take for granted. Now, it is our obligation to get these services back to normal—to do a superior job.

As the months pass, I will accept no excuses from anyone for failure to maintain adequate REGULAR garbage collections.

We will seek to improve the efficiency of our street and sewer services, and the maintenance of our Hillside steps and walks. Our goal is increased mechanization—we hope to stretch our manpower, improve our production of services, by using new and modern machines to do much of the work that has been slowly and painfully performed by hand in the past.

The city's physical plant needs improvement throughout. The war years were not construction years.

But even now, we should be prudent and quite deliberate before we embark on a large-scale construction program in the immediate future. In the days just ahead, costs will be high, manpower will still be scarce, and critical materials needed for housing will be scarcer still. Our public works program should be carefully tested for absolute necessity, and we should not compete for materials that are needed desperately for home building.

The housing shortage is critical. It is a shortage that is particularly cruel because the worst sufferers are the men who deserve just the reverse—the returning veterans. These men have spent years of dreaming of coming home—hard, bitter years of combat, of isolation, of acute homesickness. Then, our victory won, they return to find their dream of a little home just that—a dream.

Much of the housing problem is national and must be met by national action. President Truman has recognized this by appointing an over-all

housing expediter, Willson Wyatt, a very able man who has just concluded a successful term as mayor of Louisville. To do his job, Wyatt will need help from the Congress. We, and the country, are impatient for Congressional action on such legislation as the Wagner-Taft-Ellender bill and other home construction measures.

Meantime, we must act ourselves. I, as mayor, pledge you that I will do everything in the city's power to make more housing more quickly available to more people. It is an emergency and we must act in full knowledge that emergency methods are in order.

We must act fast. You cannot make a roof retroactive. We must resolve to do less arguing and more building. The theories of housing are not at issue—we need private housing, public housing, permanent housing, temporary housing, anything that gives the returning veteran a home—as the President said—NOW.

We want Pittsburgh to be a city of good homes. We want it to be a city where people will find it pleasant to live. That is why we have a smoke elimination ordinance ready to go into effect. I am going to be for smoke elimination without qualification.

I am convinced that our people want to clean up Pittsburgh's air, that they are ready to make such changes in their heating plants as will allow them to do it, and that they expect us to enforce the smoke elimination ordinance as soon as the materials for insuring smokeless combustion are readily available.

There is no other single thing we can do for Pittsburgh which will so dramatically improve the appearance, the health, the pride, the spirit, of this city.

It is impossible today even to touch upon our plans and hopes for important branches of the city's government—the police and fire departments, parks, playgrounds, public health. In all of them, we are going to work for continual improvement.

We want Pittsburgh to become outstanding where it is now merely good.

One thing I am sure we all know. That is, the dependency of this city

upon other levels of government. We know we are not sitting off somewhere by ourselves. We are part of a county, part of a state, part of a nation. We must work always at every level of government for the things that will benefit Pittsburgh.

The men who make up the board of county commissioners know Pittsburgh and its problems. They need no awakening; they are our friends. From them, I look for complete cooperation; and they will have ours, full-heartedly.

We now have the assurance of state recognition. The state has accepted the Point Park and the Penn-Lincoln parkway as its obligation to Pittsburgh. We look confidently ahead to a solution of any difficulties and a speedy start to these great projects.

Within weeks, the Federal Congress has made it certain, by authorizing appropriation for the key Conemaugh dam, that our flood control system will be pushed to completion.

These are major victories for Pittsburgh. They are the ripening of seeds planted long before—they are the culmination of steady, intensive, determined education, first of our own people, then of the other agencies, as to Pittsburgh's needs.

I hope we can achieve the same unity of purpose, the same determination and community agreement, for a revision of our revenue relationship to the state, so that we can get a fair return to Pittsburgh of money taken out of Pittsburgh. Only in this way can we adequately finance a modern city, and relieve real estate of the grossly unfair portion of the tax burden now carried by it.

We are all partners in Pittsburgh, everyone of us. Government cannot do the whole job before us. It is a citizens' job; it is industry's job; it is labor's job. I will work to make government in Pittsburgh draw strength and direction from labor and from business, so that, working together, we can best protect and advance the interests of all of our people.

I take office with no fear for the future, for I have faith in the people of this city. I know they are strong; I know they are courageous. Ours is

the most fortunate of nations. Everywhere about us in this world are ruined cities, broken economies, hungry children, cold, starvation, misery. The problems which we face, vexing as they are, are nothing in comparison.

We have preserved our liberty.

Our way of life is, more than ever, the world's richest and most productive. The test of war proved it to be the most efficient.

We can look ahead to miracles undreamed of.

Our present tensions are on the surface. Deep down, we are a people united, with a will to lasting peace and a will to lasting prosperity.

Given those things, there is no limit to the future.

Pittsburgh's share in that future depends upon us.

As the city's mayor, I ask the help of every citizen.

I know it will be forthcoming. I know we shall succeed.

I repeat to you today the pledge I made upon the eve of my election: that with the help of God, I will devote myself, all my energy and all my strength, to the service of this city, and will give it the best administration that lies within my powers.

The Chair presented

No. 7. Bond in the sum of \$25,000.00 of the Continental Casualty Company on behalf of David L. Lawrence, Mayor, in favor of the City of Pittsburgh, Pa.

Which was read.

Mr. Duff moved

That the Bond be accepted and approved, subject to approval by the City Solicitor.

Which motion prevailed.

The Chair also presented

No. 8.

Ann Arbor, Mich.,

Thomas E. Kilgallen
President of Council
City County Building,

Sorry I can't be present today. Please express to the members of Council my very great appreciation of the high

honor they have conferred on me.

William Alvah Stewart.

Which was read, received and filed.

Rev. Canon Edward M. Wilson of the Trinity Episcopal Cathedral pronounced the benediction, as follows:

Unto God's gracious mercy and protection we commit ourselves, the Mayor of our City, the members of his family, those who will plan and form his policies; beseeching Thee to grant Thy Heavenly benediction upon them. Give them, O Lord, a shrewd sense of politically possible and a pure conception of civic pride, and grant that all the people shall share with them in their

labors and responsibilities.

And the blessing of God Almighty, the Father and Son, the Holy Spirit be upon us in our going out and in our coming in from this time forth and forevermore. Amen.

Mrs. Elizabeth Curley led in the singing of "God Bless America" accompanied by the Police and Firemen's Band.

Mr. Demmler moved

That Council recess until 2:00 o'clock P. M., Tuesday, January 8, 1946.

Which motion prevailed.

Mr. McArdle at this time presented

No. 45. An Ordinance signifying the desire of the corporate authorities of the City of Pittsburgh that the indebtedness of the City of Pittsburgh be increased in the amount of Fifteen Million Dollars (\$15,000,000.00), for the purpose of paying the City's share of the cost, damage and expense (including engineering expenses) of Post-war General Public Improvements, and providing for a special election to be held in said City for the purpose of obtaining the assent of the electors thereof to such increased indebtedness, and providing for a notice of such election.

Which was read and referred to the Committee on Finance.

MOTIONS AND RESOLUTIONS

Mr. Duff moved

That the City Controller be authorized to honor payroll vouchers in the amount of \$2,649.35 from the 1946 appropriation, viz, \$431.50 in Code Account 1642 and \$2,217.85 in Code Account 1650, Bureau of Highways and Sewers. This is necessitated because of a deficit in the Bureau of Highways and Sewers wage accounts for 1945 caused by overtime due to the recent

heavy snows. The above amount of \$2,649.35 will be transferred to the proper code accounts in the Bureau of Highways and Sewers from Code Account No. 42, Contingent Fund; the legislation for this transfer having been introduced in Council today.

Which motion prevailed.

Mr. Gallagher moved

That the Chairman of the Finance Committee (Mr. Duff) be requested to notify the City Controller to honor these payroll vouchers.

Which motion prevailed.

Mr. Duff moved

That the City Controller be authorized to honor the payroll for the Bureau of Police for the period ending December 31, 1945. There is a deficit in the Bureau of Police Code Account No. 1443 in the amount of \$8,900.00 caused by a larger number of returning veterans than had been anticipated. There having been a surplus in Code Account 1461, Salaries, Bureau of Fire, legislation has been introduced today to transfer \$8,900.00 from Code Account 1461, Bureau of Fire, 1945, to Code Account 1443, Bureau of Police, 1945.

Which motion prevailed.

Mr. Gallagher moved

That the Chairman of the Finance Committee (Mr. Duff) be requested to notify the City Controller to honor these payroll vouchers.

Which motion prevailed.

Mr. Leonard presented

No. 46. WHEREAS, Since 1941 many Pittsburghers, men and women, left their homes to serve in the armed forces; and

WHEREAS, These service men and women have distinguished themselves on battlefields all over the world and brought fame to their home city by their heroic deeds; and

WHEREAS, Many of these returning veterans are married and are now returning to their native city and find it difficult to secure living quarters for themselves and families; and in addition to these service groups, many migratory workers from other parts of the country, who hope to make Pittsburgh their future residence, are unable to

obtain quarters and are living in quarters detrimental to their health; and whereas, this acute housing shortage creates an emergency endangering the health and good order of the City and

WHEREAS, These veterans are entitled to consideration by those who remained home; and

WHEREAS, Under present conditions, it is difficult to obtain necessary materials for the construction of new homes; and

WHEREAS, There are many large homes in the City of Pittsburgh which can be readily and economically altered to house these veterans and their families; and

WHEREAS, Many of these homes are located in residence use districts, known as "B" and "C", which under the Zoning Regulations, permit only one-family dwellings; and

WHEREAS, Many owners of these homes some of which are not now occupied, might voluntarily rent them to service people during the emergency, or until such time as more homes are constructed to house them; and

WHEREAS, The Act of Assembly, approved May 1, 1923, Section 7, permitting the City of Pittsburgh to enact zoning laws, reads, in part "The Mayor of every City of the second class shall, with the approval of the Council, appoint a Board of Adjustment and in the regulations and restrictions adopted pursuant to the authority of this act, it shall be provided that the said Board of Adjustment may, in appropriate cases and subject to appropriate conditions and safeguards, make special exceptions to the terms of the ordinance, in harmony with its general purpose and intent and in accordance with the general or specific rules therein contained; and in the Zoning Ordinance, approved August 9, 1923, Section 54, granting certain powers to the Board of Adjustment, reads in part "provided the Board determines that such uses are reasonably necessary and essential for the public convenience or welfare, and not seriously detrimental to the character of the neighborhood;" and

WHEREAS, The temporary use of such large unoccupied dwellings would

not be a serious detriment to the character of the neighborhood; Therefore, be it

RESOLVED, That it is the sense of Council, the Mayor concurring, that the Zoning Laws applicable to dwellings in the "B" and "C" Residence Use District, which the owners will voluntarily rent or lease to returning veterans, be suspended for the period of the emergency; and be it further

RESOLVED, That the Board of Adjustment, upon submission of applications for the occupancy of these homes in "B" and "C" Residence Use Districts by more than one family, be requested to grant a variation in those cases which would not be detrimental to the character of the neighborhood; and be it further

RESOLVED, That the Bureau of Building Inspection, when these applications are submitted to it, after having the formal approval of the Board of Adjustment, be authorized and directed to issue the permits for such occupancy.

Which was read.

Mr. Leonard arose and said:

Mr. President and Members of Council:—I presented this resolution today in an effort to obtain quick action. I would say, after studying this housing situation for a couple of weeks, particularly along the lines of a temporary housing program, that has been discussed, that the Council should recognize its emergency.

I am inspired to make some remarks on this resolution after reading an article in Sunday's paper entitled, "Know of a Home for a Veteran?" This resolution, if adopted, is, I think, the answer and the solution to this question.

We have gone into the question of bringing in temporary housing. No matter what we attempt to do, it is going to take a long time. Everything that is being attempted in housing is tied up in the Wagner-Taft-Ellender bill now before the Congress of the United States.

When the war started we were able to gain some experience about what they do with laws on public housing. In Glen-Hazel the City of Pittsburgh

had suspended the zoning and building laws in order to permit the Housing Authorities to go out there and build 1,000 homes. In Allegheny County we had to go before the legislative bodies of 26 boroughs and townships and request them to suspend the building laws. This is particularly true of Homestead and Duquesne, where they tore down 2,100 houses to make room for the expansion of the armor plate mill. The demolition program included schools and churches.

In the City of Pittsburgh, according to the population, we are entitled to 750 units. If we get these 750 units it might take two months to get them. I agree heartily with the remarks made by the Mayor of Pittsburgh yesterday that nothing must stand in the way of these veterans obtaining homes. He went to Washington and tried to get action to secure houses and he will secure them but it will take time and when he does secure them you will have to put in the sewers and water lines, and the cost to the City will amount to over a million dollars before we are through. In the meantime, if the provisions of this resolution are carried into effect, it will not hurt any residential district. Go out through the East Liberty district, there are large homes—12, 14 and 15 rooms. At times people have come in here and attempted to rent them out to two or more families, but they were prevented. Other conditions have come up where they have rented them out but no one can rent them out and put the proper facilities in such as sinks, bathrooms, cooking stoves, etc., on the second floor. I know of owners who are ready and willing to remodel homes to take care of ten additional families. I don't think it is important because we have dressed-up neighborhoods—and I am not taking any shots at Fifth avenue—these homes, with heat in them, being maintained but empty; and then we talk about bringing barracks from some other parts to house people. That I am opposed to.

That is the condition that the officials of Pittsburgh and officials in public office everywhere have to change. My resolution requests the Board of Adjustment to grant a variation in the

regulations so that the Bureau of Building Inspection may grant the occupancy permits. That is no radical departure from the established law. They say zoning will not permit it.

I say to you, Mr. Chairman, I think the first law of the land today is to throw out the laws that are prohibiting boys who are returning from overseas from finding places in which to live.

We have violated everything in the construction laws when we built houses under the Lanham Housing Act. The only thing we were told was that in Homestead we made the best armor plate in the world. Yes, they got rid of 2,100 houses, got rid of 14 schools and 7 churches and in six months they were making armor plate.

I say, gentlemen, we should make a study; that we should first pick sites for temporary homes. Adopt this resolution and see how much city-owned property that can be used for housing facilities. Take all buildings under the jurisdiction of the Bureau of Recreation, Bureau of Parks, and the Department of Lands and Buildings. The recreation buildings, a lot of them are vacant during the winter anyhow. Make them suitable for homes during this critical housing shortage. I know I am going to be criticized for bringing in the Bureau of Recreation. We have some of the finest buildings in our recreation centers, since some of them are new. They have shower baths, bath rooms, cooking stoves, and we could put in partitions and sub-divide them into apartments. That is the kind of housing to talk about and the kind of housing to give them. Nothing is more important than housing these families. I am not in favor of putting them in barracks, only if we have to, and I know what this trailer situation is.

I want to give you a few facts on the temporary housing situation. We have now been officially informed that these are the terms for erecting and managing temporary housing. The municipality, at its own expense, must furnish the site, furnish the land, furnish the main line sewers at border of the project, and furnish the feeder lines for all utilities at border; furn-

ish sidewalks at border, furnish equipment if any is required, and remove houses within two years after the emergency. You know, Mr. President, what the cost of that is; you have been making a study. Our figures will run in the neighborhood of \$1,500.00 a unit, but say it runs \$1,000.00 a unit, that is \$750,000.00. I think money of that kind should be put into a place like Leech Farm, although Leech Farm is not to be set up for temporary housing development.

Liberty avenue, from Union Station out towards St. Patrick's Church and beyond, is ground where factories have been torn down in the last ten or fifteen years—and naturally has sewer and utility facilities. The Federal Housing Authority says it will aid cities if they pay the cost, provided they have access to proper transportation. This property is within walking distance of the downtown shopping district. We do not have that at Leech Farm, but down there we do. People living there would have all necessary conveniences. Another site that would be less costly is the Lucy Furnace grounds at 50th street, off Butler, where the circus is held. The ground is level and has sewers and utility lines. Other sites I would say would be in the 17th Ward on the South Side. In the 16th Ward you have the Housing project. The 17th Ward is next door to the downtown business section. Another location would be in Manchester on the North Side where factories have been torn down.

I think it is ridiculous if we talk about temporary housing on Leech Farm. You don't have transportation and utility lines and sewers. But we should be doing this, we should be preparing and we should have ready a bill to be introduced in the next session of the Legislature. The Law Department informs us we cannot do anything without legislation. Then develop that ground, put in sewers and water lines, and then sell to the people; sell to the veterans lots on which they can build their own homes.

There is one other item, Mr. President. The veterans bureaus have been studying what has been tagged in Washington the cooperative plan. That plan has been suggested to the Alle-

gheny County Housing Authority and also to the Pittsburgh Housing Authority. I have been appointed Chairman of the Legislative Committee of the Pennsylvania Public Housing Authority and have issued a call for a meeting in Harrisburg on Thursday, to be attended by all public housing authorities to take up this temporary housing situation and to see what we will be able to get from Congress in the way of sharing part of the costs to be borne by cities.

I say these 750 units will cost more than a million dollars. It is too much to pay. The Federal Government should pay that expense.

It is a critical housing emergency, and I hope consideration will be given to this resolution and that Council will pass it. The situation is acute. We can use city property, and permit owners to reconvert their large homes into multiple dwellings until this housing shortage is over.

Mr. Leonard moved

That the resolution be adopted.

The Chair said:

I sent an application to the Federal Emergency Authority for the construction of houses as quickly as possible.

City Council, by resolution last week, has waived the construction laws as will permit the use of emergency houses in the City of Pittsburgh. The resolution presented today, as I understand it, specifically changes zoning and building requirements in certain districts. I, personally, think this resolution should be referred to committee for action tomorrow. The City officials in routine charge of these matters should be informed of this resolution so that they will have knowledge of it. Is there any harm in holding this over until tomorrow?

Mr. Leonard said:

Mr. President:—That is all right with me. This is merely suspending the zoning laws on a temporary basis. It is strictly a bottle-neck. You can see the need for the suspension of the laws. When you want to put in a sink or a bath room or a cooking stove you have to get a building permit and you cannot purchase plumbing

supplies unless you have a priority.

The Chair said:

I don't doubt that this resolution will pass, but after all it is a drastic change and there should be discussion and notice to the administrative officials, and I suggest that it be held up over-night until some of these officials are informed.

Mr. Leonard said:

I think it should be, but I don't want it laid aside for a couple of weeks. I am like you and like the new Mayor. He said he wants action. No more pickling these bills.

The Chair said:

This resolution, then, by unanimous consent, will be referred to the Committee on Public Safety for further action tomorrow.

Which was read.

Mr. Demmler arose and said:

Mr. President: Council Bill No. 28, File No. 31, has been returned to Council with an affirmative recom-

mendation by the Committee on Public Safety. When this bill was being considered in the Committee meeting, I stated that I believed it was desirable to hold a public hearing on this bill for the sake of educating the public as to the dangers of carbon monoxide. I still believe that this should be done. The mere passage of the bill now before us will be of small value.

The following letter, dated January 17, 1946, which I received from Edwin C. Adams, President of Adams Brothers Manufacturing Company, Inc., of this City, gives the view of a man well qualified to write on this subject:

"Mr. Walter Demmler
City Councilman
City County Building
Pittsburgh, Pa.

Dear Mr. Demmler:

I noted in yesterday's news that Council is scheduled to pass an ordinance on January 21 which will rigorously restrict the permissible use of unvented gas equipment in private dwellings. Since this action is being taken hastily without the usual procedure of a public hearing, I would like to express a few thoughts on the subject to you.

I think I am qualified to speak intelligently on the subject since I have been quite active in a nationwide movement which I started in 1930 among room heater manufacturers to supplant unvented gas heating with fully vented gas heating. I am Chairman of the Manufacturer Members of the Committee which originates and adopts the Standards under which gas fired room heaters are made. I am also Chairman of the American Gas Association Technical Advisory Group for Gas Space Heating Research.

Anyone who gets into the details of such work as I have been doing, cannot fail to be impressed with the impracticability of quickly changing the public's gas heating practices of long standing by municipal regulation. This generation of Pittsburghers has grown up with a tremendous quantity of unvented gas heaters in their homes. They regard these facilities for heating as essential and I do not believe they will discontinue them in any great quantities until other heating facilities can be provided. To provide other heating

equipment would be a major job in Pittsburgh's homes under normal conditions. Under present conditions of extremes of shortages, a quick change is most impractical. I believe a strict ordinance and attempted enforcement by inspectors, previous to extensive education to explain the need for such action, will result in much hardship, confusion and considerable resentment on the part of the public.

In my long experience with the problem of modernizing gas heating methods, I have encountered many men who think the way to handle the job of correction is to pass a law. I have seen a few such laws put into effect, but it is my observation that no substantial change occurs by reason of such laws. I base my judgment by the quantities of unvented equipment which continue to be purchased in such areas.

I strongly favor the use of vented gas heating equipment for any room use, but I think such use can develop into the accepted method of direct heating with gas only through education and sales efforts.

I believe the fatal accidents which have occurred could have been avoided if the occupants of the dwelling had even a superficial knowledge of the hazards of sleeping in a closed room with an overloaded unvented gas heater burning. Such knowledge can be generally disseminated, and in my opinion it would be much more effective in curbing CO death than an ordinance.

In 1930, when this company started to promote the sale of built-in electric wall heaters for bathrooms, we subscribed to a national clipping service covering fatal accidents in bathrooms. I was amazed to find out that the total of fatal accidents in bathrooms caused by careless use of portable electric heaters far exceed those caused by gas heaters. In the intervening years, I have noted that publications relating to safety in the home stress the hazards of portable electric heater use in bathrooms. This publicity has been effective to the point where the hazard is now generally recognized and guarded against.

I strongly favor attempting to educate the public in the hazard, before attempting to force wholesale revision of heating habits in existing private

dwellings by ordinance.

Very truly yours,

ADAMS BROS, MFG. CO. Inc.,
E. C. ADAMS, President."

I agree with the statements made in the letter which I have just read. An effective campaign against the danger of using gas burning equipment is greatly desired. A large majority of the homes in this City have one or more unvented gas appliances in use and many have been in use for twenty-five or more years. An indiscriminate enforcement of the ordinance before us would be wrong. The enforcement of this ordinance so as to prevent a repetition of the deaths which occurred during last year is desired.

Mr. Gallagher arose and said:

Mr. President:—I expressed myself last week, in committee, that I thought we should have a public hearing on this bill before final action is taken. I am fearful if we pass this bill today it will not have the desired effect. What we need is a campaign to educate the people about the dangers involved by using open gas heaters. All these factors would be brought out in a public hearing, and I am of the opinion that publicity would be more helpful than the passage of an ordinance which would not be enforceable. It is not Council's desire to punish people—that its real wish is to educate them in the proper safeguards against the deadly gas.

The citizens of Pittsburgh are serviced by three gas companies. These companies send out monthly statements to their customers. Why couldn't the gas companies send out a pamphlet with these statements, calling attention of the people to the danger by using gas appliances without the proper flues or vents? Too many people are overcome by monoxide gas, and only today another story is carried in the daily papers of two more persons overcome by this poisonous gas. I think if we will request the gas companies to cooperate in this campaign by sending out pamphlets with their monthly statements, we will get more publicity, and probably be the means of saving many lives.

Mr. Leonard moved

That the bill be recommitted

to the Committee on Public Safety.
Which motion prevailed.

Also

Bill No. 92. Resolution authorizing and directing the Director of the Department of Public Safety to grant a leave of absence, with full pay, for the month of January, 1946, to Paul G. Zapf, Patrolman, Bureau of Police, on account of illness.

Mr. Leonard moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler

Duff

Gallagher

Leonard

Weir

Wolk

Kilgallen, (Pres't)

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

MOTIONS AND RESOLUTIONS

Mr. Weir, at this time, presented

No. 195. WHEREAS, Sarah Mellon Scaife and Richard K. Mellon have offered to convey by deed of gift to the City of Pittsburgh, in memory of their parents, Mr. and Mrs. Richard B. Mellon, for the expansion of Mellon Park and for the development of sports and recreational facilities, certain real property owned by them situated in the Seventh Ward of the City of Pittsburgh, bounded by Fifth avenue, Penn avenue, Aurelia street, and the Arbuthnot Estate, containing approximately 13,578 acres; and,

WHEREAS, The Donors have offered to include in said gift property located at 1047 Shady avenue adjacent to Mellon Park, consisting of approximately 2.04 acres of ground, a residence, garage and playhouse, so as to extend the Cultural Center now housed in the former Marshall property on the adjoining land at Shady avenue; and

WHEREAS, The Donors, in order to assist the City in the initial development of the property for the purposes specified, have offered to contribute the sum of One Hundred Thousand Dollars (\$100,000.00); and,

WHEREAS, Council of the City of Pittsburgh is deeply grateful for this generous offer, which will result in the development of an outstanding Park and Recreational Center in a much needed area, and which Park and Recreational Center will inure to the benefit of all the residents of the City of Pittsburgh; Now, Therefore, Be It

RESOLVED: That the City of Pittsburgh does hereby accept the offer of Sarah Mellon Scaife and Richard K. Mellon to convey by deed, free and clear of all liens and encumbrances, for park and recreational purposes, the property hereinabove described as a memorial to their parents, Mr. and Mrs. Richard B. Mellon, and does hereby accept the generous gift to the City of One Hundred Thousand Dollars (\$100,000.00) to assist in the development of the property for the purposes outlined, subject to the conditions specified in the proposed plan for the development of the enlarged Mellon Park and Recreational Center; and Be It Further

RESOLVED: That the property herein described be included as part of the property heretofore given to the City by the donors, and known as "Mellon Park;" and Be It Further

RESOLVED: That the City of Pittsburgh express its sincere appreciation to Sarah Mellon Scaife and Richard K. Mellon for this magnificent gift to the citizens of Pittsburgh, and that a copy of this Resolution be transmitted to said donors.

Which was read, and referred to the Committee on Parks, Recreation and Libraries.

Mr. Wolk arose and said:

Mr, President:—Not only as a member of City Council, but as a resident of this community, I am grateful to Richard K. Mellon and Mrs. Sarah Mellon Scaife for the magnificent gift that they are now offering to the people of Pittsburgh. This gift will result in the creation of the finest small park and recreation and cultural center in the nation. It will not only benefit the surrounding neighborhoods but the entire City as well.

The recreation set-up, with its athletic field, swimming pool, tennis courts, skating rink and other play areas and facilities will be an example to the nation of the best use of a given area for the recreational enjoyment of the community's people.

Across Fifth avenue is a park, also the gift of Mr. Mellon and Mrs. Scaife, which will be made the acme of beauty and charm, and a place where those who seek quiet and seclusion can enjoy in comfort an environment equalled by no other small park anywhere. Those who desire can read and find intellectual refreshment amidst the park's unusual beauty.

At the corner of Fifth and Shady avenues is the Arts and Crafts Center of Pittsburgh, the generous gift of Mr. and Mrs. Charles D. Marshall. This will be augmented by the addition of the Scaife home to the south on Shady avenue, also the gift of Mr. Mellon and Mrs. Scaife. Between these buildings there should be erected a small auditorium with a complete stage. In these three edifices, those of our community who are interested in any of the arts, the crafts and culture generally, can observe and study, but more important, they can find the means of expressing themselves. Here will be housed a great many of the non-profit cultural groups of our community, with the opportunity to them to express themselves in the particular cultural field that interests them.

Altogether, this area comprising recreation, parks, and arts and crafts activities will become the outstanding achievement in community development. For me, personally, it will be a dream come true. I am grateful for the opportunity that generous citizens of our community have afforded us.

No. 276:

Pittsburgh, Pa.,
February 8, 1946.

Chairman and Members,
Committee on Public Safety,
City Council.
Gentlemen:—

In reply to your letter of February 5th, in re. Bill No. 232—Resolution granting a leave of absence to John McElligott, Captain, Bureau of Fire, for two months from January 15, 1946, on account of sickness, please be advised that Captain McElligott, with his Engine Company, No. 14, an-

swered a five-alarm fire at 3015-17-19-21 Paulowna street on December 26, 1945, and he claims that his illness is due to his service at that fire. However, he worked continuously until January 19, 1946.

Captain McElligott entered service with the Bureau of Fire on July 1, 1930, and was appointed a Captain on January 19, 1942.

Inasmuch as the Bureau of Fire has no way of contradicting Captain McElligott's claim that his illness is due to service at the fire above mentioned, they recommend that the leave be granted, beginning January 19, 1946.

Yours very truly,
GEORGE E. A. FAIRLEY,
Director.

Which was read, received and filed.

Mr. Leonard moved

To amend the resolution by striking out the date, "January 15," and by inserting in lieu thereof the date, "January 19."

Which motion prevailed.

And the resolution having been printed and placed upon the members' desks, was agreed to on second reading as amended.

And the resolution was read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Gallagher	Wolk
Leonard	Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Mr. Leonard (for Mr. McArdle) presented

* No. 277. Report of the Committee on Lands, Buildings and Housing for February 5, 1946, transmitting a resolution to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

partment to petition the Court for the sale of all those certain lots situate on Hawthorne street, 10th Ward, Pittsburgh, Allegheny County, Pa., being Lots Nos. 29, 30, 31, 32, 34, 35, 39, 40, 45, 46, 49, 64 to 85 inclusive, and 91 and 92 in the Stanton Land Company Plan, of record in County Plan Book Volume 20, Page 80, and authorizing and directing the Mayor, upon approval by the Court, to deliver a deed for said real estate to Gilda Aloe, upon the payment in full of the purchase price of \$9,500.00 within 60 days from date of approval by the Court, otherwise previous payments on said property shall be forfeited and this arrangement or agreement to sell shall be declared null and void.

Which was read.

Mr. Leonard moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.:

Demmler	Stewart
Duff	Weir
Gallagher	Wolk
Leonard	Kilgallen, (Pres't)

Ayes 8. Noes none.

Gallagher	Wolk.
Leonard	Kilgallen, (Pres't)
McArdle	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

Mr. Gallagher presented

No. 379. Report of the Committee on Public Works for February 26, 1946, transmitting sundry ordinances to Council.

Which was read, received and filed.

Also

Bill No. 25. An Ordinance entitled, "An Ordinance amending Zoning Ordinance No. 372, approved August 9, 1923, Zone Map, Sheets Z—N10—E15, and Z—N10—E30, by changing from a 'B' and 'C' Residence, Thirty-five foot and First Area District, to an 'A-B' Residence, Forty-five foot and Second Area District, all those certain properties having frontage on (a) the northerly side of Fifth avenue from the line of the present 'B' Residence District, east of Amberson avenue, to the line of the present Commercial District west of Penn avenue; (b) the southerly side of Fifth avenue from Wilkins avenue to Hasting street, excluding (1) that part of the property of the Pennsylvania College for Women lying south of the northerly line of the plan of Subdivision of John C. Logan property, (2) that part of the property of R. K. Mellon and S. M. Scaife, lying south of a line parallel with and distant 200 feet southwardly, along Shady avenue, from Fifth avenue."

In Public Works Committee, February 26, 1946, bill read and amended in Section 1 and in the title by striking out the words, "Hasting Street" and by inserting in lieu thereof the words, "Shady avenue," and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. Gallagher moved

That the amendment of the Public Works Committee be agreed to.

Which motion prevailed.

And the bill, as amended in Committee and agreed to by Council, was read.

Mr. Gallagher moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Leonard moved

To amend the bill in Section 1 and in the title by striking out the words, "(2) that part of the property of R. K. Mellon and S. M. Scaife, lying south of a line parallel with and distant 200 feet southwardly, along Shady ave-

nue, from Fifth avenue."

The Chair said:

Bill No. 25 was amended in committee last Tuesday to make Shady avenue the terminal point of the proposed zone change instead of Hastings street as originally written.

All zone changes, under the law, as you know, must be considered by the City Planning Commission. This amendment that we discussed and approved in committee has not as yet been considered by the City Planning Commission.

Mr. Leonard said:

Mr. President, we are not adding anything; we are taking away. In other words, it does not include any of the Mellon property; the zone change only takes in property up to and including the westerly side of Shady avenue.

The Chair said:

I have not finished my statement. I said the amendment made in committee last Tuesday has not as yet been considered by the Planning Commission. Nevertheless, we can vote on the bill today. If it receives seven votes, there is no question as to its validity, even though the Planning Commission disapproves it. If it receives only five votes and it is disapproved by the Planning Commission, the bill will not have passed.

Mr. Duff arose and said:

Mr. President:—The amendment made in committee automatically took that portion on which we are now voting out of the ordinance. It ought not to have been printed. The amendment made in committee included the property up to and including Shady avenue; nothing beyond; therefore, the Mellon property should be excluded from the ordinance.

Mr. Leonard said

Mr. President:—In regard to the seven votes required in case of a disapproval of the ordinance by the City Planning Commission, I will be disappointed if this ordinance as amended does not receive nine votes in Council today.

Mr. Gallagher arose and said:

Mr. President:—On Bill No. 25, if it is not out of order, I suggest that

the vote be taken on Bill No. 25 and then on Bill No. 10.

And the question recurring on the motion, to amend the Ordinance, as offered by Mr. Leonard.

The motion prevailed.

And the bill as read a second time and amended was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Gallagher	Wolk
Leonard	Kilgallen, (Pres't)
McArdle	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Also

Bill No. 10. An Ordinance entitled, "An Ordinance amending Zoning Ordinance No. 372, approved August 9, 1923, Zone Map, Sheet Z—N10—E15, by changing (a) from a 'B' and 'C' Residence and Thirty-five Foot District to an 'A-B' Residence and Forty-five Foot District, all that certain property bounded by Fifth avenue; Clyde street; the northerly line of property fronting on the northerly side of Fifth avenue; Devonshire street; the lines dividing properties fronting on the northerly side of Fifth avenue and those, on the north, adjoining thereto; Morewood avenue; a line parallel with Castleman street and distant 150 feet southwardly therefrom; the westerly lines of properties fronting on the westerly side of Amberson avenue; the lines dividing properties fronting on the northerly side of Fifth avenue and those, on the north, adjoining thereto; Amberson avenue; the northerly lines of properties fronting on the northerly side of Fifth avenue; the line of the present 'B' Residence District east of Amberson avenue; Fifth avenue; Wilkins avenue; the easterly and southerly

lines of property, now or late, of R. P. McClelland, et al.; the westerly line of property, now or late, of Henry Heinz; a line parallel with Fifth avenue and distant 249 feet southwardly therefrom; Warwick terrace; the lines dividing properties fronting on the southerly side of Fifth avenue and those, on the south, adjoining thereto; Morewood avenue; the southerly lines of properties fronting on the southerly side of Fifth avenue; the easterly lines of properties fronting on the easterly side of Devonshire road; Fifth avenue; the westerly lines of properties fronting on the westerly side of Devonshire road; the lines dividing property fronting on the southerly side of Fifth avenue and that, on the south, adjoining thereto; and, Boundary street; (b) from a 'B' Residence, Thirty-five Foot and First Area District to an 'A-B' Residence, Forty-five Foot and Second Area District, all that certain property bounded by Fifth avenue, Boundary street; the easterly and southerly lines of property, now or late of R. F. Bialas; and, the lines of the present 'A' Residence District east of South Neville street."

Which was read.

Mr. Gallagher moved

A suspension of the rule to allow the second and third readings and final passage of the bills.

Which motion prevailed.

And the bills were read a second time and agreed to.

And the bills were read a third time and agreed to.

And the titles of the bills were read and agreed to.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Gallagher	Wolk
Leonard	Kilgallen, (Pres't).
McArdle	

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Mr. Wolk presented

Mr. Leonard arose and said:

Mr. President:—With respect to Bill No. 443 concerning substitute patrolmen and substitute firemen, I wish these few remarks to be made a matter of record.

As I understand this bill, it retains all sub-subs on the payrolls of the Bureaus of Police and Fire?

The Chair said:

Yes, sir.

Mr. Wolk arose and said:

Another ordinance, to be prepared by the Law Department, is to cover those dismissals.

Mr. Leonard said:

I am speaking for the record. And the letters of dismissal sent to these employes will be recalled?

The Chair said:

The first question is, Does the Council desire the department to recall the letters of dismissal it sent to these employes? The Chair hears no response. The record will show that we want these letter recalled.

On the other question, Does the Council wish the sub subs to be retained on the payroll? The answer is in the affirmative.

Mr. Leonard said:

Mr. President:—I wish to state for the record that it has been reported to me that one of the employes in the Department of Public Safety is blaming everything on Council. Let the record show that it is not the fault of this Council that this confusion has arisen. We have done everything possible to take care of this question.

Mr. Wolk said:

All of us were present at the conference in the Mayor's Conference Room, and everything has been agreed upon, and the Law Department was instructed to prepare, if necessary, legislation to cover the subject.

The Chair said:

Let the record show that the Fraternal Order of Police through its Wage Committee made nine different suggestions to Council. Those suggestions were discussed by the full membership of Council and the Mayor, and we substantially agreed with the Fraternal Order of Police on those suggestions. The Mayor was requested to carry them out administratively in the spirit of our discussion. Grace Shirley Hatch of the Civil Service Commission office and Mr. Johnson of the Department of Public Safety office were instructed to do so by the Mayor and urged to do so by members of Council.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

MOTIONS AND RESOLUTIONS

Mr. Wolk presented

No. 551.

Pittsburgh, Pa., March 30, 1946.

Honorable A. L. Wolk
City Council
City-County Building
Pittsburgh, Pennsylvania

Subject: Rebate on Electric Current.

Dear Mr. Wolk:

A survey was made of several electric light contracts and as a result it was found that swimming pools could be operated more economically so far as electricity is concerned.

As a result of this survey the Duquesne Light Company is refunding to the city the attached check in the amount of \$1,007.32, and in addition the electric bills for these locations will be reduced by approximately \$1,000.00 per year in the future.

Very truly yours,

A. L. Brunwasser,
Consultant Engineer.

Which was read, and upon motion of Mr. Wolk referred to the Committee on Public Service and Surveys, and Mr. Brunwasser requested to appear before the Committee tomorrow (Tuesday, April 2, 1946) to analyze the saving, and then, if approved, the check to be transmitted to the City Treasurer.

Mr. Gallagher presented

No. 552. An Ordinance widening Hayson avenue from Allendar avenue to a property line 367.07 feet more or less eastwardly therefrom, and providing that the costs, damages and expenses occasioned thereby be assessed against and collected from properties benefited thereby.

Which was read and referred to the Committee on Public Works.

Mr. Gallagher moved

That the following members be

excused for absence from Council and Committee meetings:

Mr. Demmler on February 20, 1946;

Mr. Duff on January 30 and February 27, 1946;

Mr. Leonard on February 18, 19, 20 and March 11, 1946;

Mr. McArdle on January 14, 15, 21, 22, 23, 28, 29, 30, February 1, 4, 5, 6, 7, 11, 19, 20 and March 21, 1946.

Mr. Weir on January 8, 1946.

Which motion prevailed.

Mr. Weir moved

That the Minutes of Council of Thursday, March 21, and Monday, March 25, 1946, be approved.

• Which motion prevailed.

And upon motion of Mr. Weir
Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. McArdle moved

No. 599. WHEREAS, The opening day baseball game of the Pitts-

burgh Pirates, at Forbes Field, will be April 19, which happens to be Good Friday; and

WHEREAS, Good Friday is not only a Legal Holiday, observed by the banks, the stock exchange, and many leading industries, but a day of meditation and prayer; and

WHEREAS, Because of the sacredness of this day the opening baseball game of the Pittsburgh Pirates should be postponed, thus, in this respect, following the example of other teams in both the National and American Leagues; Therefore, be it

RESOLVED, That the Council of the City of Pittsburgh respectfully requests the management of the Pittsburgh Pirates to postpone the opening baseball game of the season from Friday, April 19, to Saturday, April 20, 1946.

Which was read.

Mr. McArdle moved

The adoption of the resolution. Mr. Leonard arose and said:

Mr. President:—I was sorry to read in the daily newspapers the other day that Mr. Benswanger, President of the Pittsburgh Baseball Club, refused to accede to the request of Mayor Lawrence to postpone the opening baseball game scheduled for Good Friday, April 19th.

I am surprised at the attitude taken by the Pittsburgh Baseball Club in a city like Pittsburgh, a workingman's city, great for its culture and for its freedom of religion, that they would go ahead in critical times like these with the opening of the baseball season.

Mr. Benswanger uses the excuse that the Pittsburgh Symphony Orchestra is to give a concert on that evening, and that the theatres will not close. You cannot compare theatres with baseball games; for after all, baseball is a great American sport along carnival lines.

When Mayor Lawrence made the request that the opening game scheduled for Good Friday, he made it in the name of the churches of Pittsburgh that were protesting.

If this Council adopts this resolution—and I am confident that it will—I hope that the Pittsburgh Baseball Club will abide with the wishes of the Pittsburgh authorities. If the Pirates do not abide by Council's request, I think we ought to get tough.

We give the ball club the use of our streets and part of one of our best parks. We also furnish police service. If they refuse to comply with our request, we can move in and take away from them part of left field which encroaches on our park.

In other years this would not be so serious, but this year people all over the world will be bowed in prayer on that day, giving thanks to our Saviour that the war is over and that their loved ones are returning to their homes.

If the game is held on Good Friday, it would give a black eye to Pittsburgh throughout the world, and particularly the United States. We do not want

the spectacle of some celebrity on Good Friday at three o'clock throwing the first ball to signal the opening of the game when people will be bowed in prayer. I am a baseball fan, and I am thankful that I can practice my religion as it was taught to me on my mother's knee. This is a free country and everybody has a right to practice his religion as he sees fit. I would like to see this game postponed, and if it is not postponed, maybe we have other ways of postponing it.

And the question recurring on the adoption of the resolution.

The motion prevailed.

Mr' Weir moved

That the Minutes of Council of Monday, April 1, 1946, be approved.

Which motion prevailed.

And upon motion of Mr. Weir

Council adjourned.

Committee on Lands, Buildings and Housing

Re: Bill No. 617—Sale of City Property
Gentlemen:

Bill No. 617 was referred to this Department for a report as to whether the City is adequately protected from claim for the future widening of East Ohio street.

I suggest that the second paragraph of the bill be rewritten to be more explicit, as follows:

RESOLVED: That this conveyance shall be subject to any action of the City of Pittsburgh widening or changing the grade of East Ohio street, and the purchaser, for himself, his heirs, successors and assigns, shall expressly waive all claims for damages due to any ordinance or any action by the City of Pittsburgh widening or changing the grade of East Ohio street.

Very truly yours,

BENNETT RODGERS

First Assistant City Solicitor.

Which was read.

PRESENTATIONS

Mr. Duff presented

No. 667.

CITY OF PITTSBURGH

CERTIFICATION OF EMERGENCY

WHEREAS, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, provides that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same; and

WHEREAS, building construction of all kinds has been greatly curtailed during the War years just past; and

WHEREAS, this City is now entering upon an era of great development and expansion of building activity; and

WHEREAS, the ordinances regulating construction and alteration of buildings and structures, although amended and supplemented from time to time, have failed to keep abreast of the latest development and discoveries in the field of home building and general construction; and

WHEREAS, it is deemed necessary to seek the advice and guidance of persons of recognized experience and ability in order to draft a new building code to permit full realization of the anticipated development and expansion throughout the City of Pittsburgh;

NOW, THEREFORE, We, David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, Controller, do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the appropriation of funds for the employment of engineers, consultants and clerical personnel to study the building ordinances and offer suggestions for the drafting of a modern building code for the City of Pittsburgh.

DAVID L. LAWRENCE

Mayor

EDWARD R. FREY

Controller

Bill No. 531. An Ordinance entitled, "An Ordinance amending and further amending Sub-sections 1, 3 and 4 of Section 2, and Sections 2, 3 and 4 of Ordinance No. 344, entitled, 'An Ordinance regulating the production and emission of smoke from any chimney, smokestack or other source within the corporate limits of the City of Pittsburgh; regulating air pollution caused by the escape of soot, cinders, noxious acids, fumes, gases and fly ashes within the City; regulating the importation, sale, use and consumption of certain fuels; regulating the construction, reconstruction, repair, maintenance, use of, and additions to, refuse-burning equipment and fuel-burning plants, including fuel-burning equipment and devices, and requiring notice to the City of all purchase and sales thereof; establishing a Bureau of Smoke Prevention; requiring smoke indicators or other approved methods of observing smoke from the boiler or furnace room in certain cases; establishing fees for examination of plans and issuance of permits, inspection of furnaces or other fuel-burning equipment or devices; and issuance of certificates of operation; establishing an Appeal Board, and providing fines and penalties for the violation of the provisions of this Ordinance,' approved July 8, 1941, as amended."

In Committee on Health and Sanitation, April 23, 1946, bill read and amended in Section 1 by striking out and by inserting as shown in red, and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. Stewart moved

That the amendments of the Health and Sanitation Committee be agreed to.

Which motion prevailed.

And the bill, as amended in Committee and agreed to by Council, was read.

Mr. Stewart moved

A suspension of the rule to allow the second and third readings

and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Leonard arose and said:

Mr. President:—I am on record as opposing the passage of the original ordinance. This ordinance is merely an amendment to make certain provisions of the ordinance effective October 1, 1947. Is that correct?

The Chair said:

Yes.

Mr. Stewart arose and said:

Mr. President:—I am going to vote for the amendments to the ordinance because I believe that under the circumstances we can't do otherwise. But I vote with regret and with some misgivings. I regret that those who had it within their power to make smoke elimination workable for the domestic users have not solved the problem. We do not have available today either a smokeless stove or an adequate supply of smokeless fuel. It would be folly, therefore, to say to the domestic users of coal that they must stop making smoke. Without either a cheap smokeless stove or smokeless solid fuel, either natural or processed, most domestic users can't comply with our ordinance.

When this ordinance was passed nearly five years ago, we left in the hands of the coal industry the job of producing sufficient smokeless fuel and workable and reasonably priced smokeless heating equipment. As I have said, so far they haven't done either job. Perhaps they couldn't under war conditions. That is what they say and I am willing to accept their statement.

But I am not willing to agree that there can be any excuse for not getting these two jobs done by or before October 1, 1947.

Mr. President, I am not, I think, an unduly suspicious man. But I could not help feeling during the recent hearings that some of the people associated with coal don't think the job can be done by October 1, 1947 or ever. Much of the mass of testimony that we heard during the

hearings on this bill seemed to me to be directed toward convincing us that we could never have smoke elimination. That is why I say that I am going to vote for delay with some misgivings. People who don't believe that a thing can be done are clearly not the people to bring it about. I hope I am wrong in my fears. The coal industry has said I am wrong. They have said publicly that they are for smoke elimination. They said so in 1941 and they say so now. They have said that given the delay we are about to vote them they will see that we get complete enforcement of the smoke ordinance. I hope they mean what they say. They will have a second chance. As far as I am concerned it is their last chance. I will not vote for another delay.

Mr. Leonard arose and said:

Mr. President:—I want to make a few remarks to clarify the record. This is the second amendment offered to the ordinance.

I, like everybody else, am favorable to smoke elimination, if it is done along the proper lines.

It is true that I voted against the smoke ordinance when it was originally passed.

For the record, I want to say that I am very much disappointed at the large amount of publicity the question of smoke elimination has received, and nothing to amount to anything regarding railroads.

I understand that the railroads are exempt from the provisions of the smoke ordinance and that they took care of that in the last session of the Legislature by having legislation passed that exempts railroads under the Pittsburgh ordinance, and we cannot compel them to abide by Pittsburgh's smoke ordinance only on a voluntary basis.

If the provisions of the ordinance so far as householders are concerned do not become effective until October 1, 1947, I hope the time between now and then is not wasted and that in the meantime efforts will be made to have everybody go along with it without undue hardship.

However, I am skeptical as to whether home owners who purchased homes 60 years ago will be able to comply with the provisions of the ordinance, because these homes are not equipped to be heated by a central heating system or furnace.

I intend to say a lot between now and October 1, 1947. I intend to bring a lot of things before this Council for consideration and action with respect to smoke elimination and slum clearance. I say that in certain industrial wards of the city it were better to eliminate slums than force upon the residents therein the expense of installing proper smoke equipment in their homes. So I say in these industrial wards we have a bigger problem facing us than smoke elimination. In one South Side ward, if you will look at the records, you will soon discover that only 400 homes have central heating plants and approximately 2800 homes do not. They are old homes; and it is not a question of eliminating smoke but eliminating slum homes. You cannot afford to let people live in these slums. In my opinion, in the City of Pittsburgh, there is so much wornout real estate that a concerted effort should be made to eliminate it.

I will vote for the amendment to postpone the effective date of the enforcement of the smoke ordinance until October 1, 1947, so far as it affects residences, because the proper equipment and processed fuel are not available. This was testified to by the coal operators and manufacturers who appeared before Council in a public hearing two weeks ago.

Mr. Wolk arose and said:

Mr. President:—I want to apologize first for being a little late. I attended a luncheon of the Civic Light Opera Association of Greater Pittsburgh, through which we are attempting to give to the people of Pittsburgh at popular prices during the summer months the finest professional light operetta productions that have ever been presented in this city. For 28 years the City of St. Louis has been doing this type of endeavor for the people of St. Louis and the sur-

rounding area, and it has given the City of St. Louis the most favorable publicity that it has ever attained in its entire history. There the city is concerned about doing something to make the community a better place in which to live.

A few years ago the City of St. Louis also embarked upon a program to eliminate smoke; for the same ultimate purpose, to make their community a decent place in which to live.

Now, we in the City of Pittsburgh have not only embarked upon a program to give the mass of our people entertainment in the summer months, not only have we embarked upon a program to clean our atmosphere, but at this moment we have also embarked upon a program to eliminate the pollution in our streams. It is my prediction that we will be successful in all these endeavors, and when we are, in the next few years, we will make it a decent place for a human being in which to live; and that with the success of these programs, the Pittsburgh area will become the finest industrial area in the entire country in which to live.

I am happy to vote for these amendments, even though I thought perhaps the date should have been fixed at June 1, because I am taking the word of the coal operators when they say they are pledged to do everything in their power to see that this ordinance can be enforced in the interest of the people of this community on October 1, 1947. I am taking their word that they will do everything in their power to carry out the main provision of the ordinance; that sufficient equipment will be made available for everybody, as well as processed or low volatile coal. And I want the Nation at large to know, once and for all, that Pittsburgh means to make this city a clean and beautiful place in which to live. I want the people of this country, who might desire to come to Pittsburgh, because of its natural advantages but who hesitate because of living conditions, to know that they can make preparation to come to organize their

businesses here and to live here because this community is going to become one of the finest, the cleanest and the healthiest areas in the entire country in which to live. I feel confident that this Council, which has been in the forefront as no other Council has, to make this city the kind of a place all of us would desire, will continue to use its efforts in this regard so that all of us will be proud of the city in which we live.

Mr. Leonard arose and said:

Mr. President:—I want to insert in the record a list of the industrial wards of the city where an extensive study should be made looking to slum clearance. These wards are the 1st, 2nd, 3rd, 4th, 5th, 6th, 9th, 10th, 12th, 13th, 15th, 16th and 17th. It is more important to eliminate slums in these wards. I believe it may be cheaper to tear down these homes and replace them with modern homes with proper smoke equipment than to enforce smoke elimination in these old homes in rundown neighborhoods.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Leonard	Wolk
McArdle	Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. McArdle presented

No. 702. Report of the Committee on Lands, Buildings and Housing for April 23, 1946, transmitting several resolutions to Council.

Which was read, received and filed.

Also

Bill No. 617. Resolution au-

thorizing and directing the Law Department to petition the Court for the sale to Daniel L. Brucker all that certain lot or piece of ground situate on East Ohio street, 23rd Ward, having erected thereon a one story ironclad garage, for the sum of \$1,500.00, under the Act of May 21, 1937, P. L. 787, as amended, and authorizing and directing the Mayor to deliver a deed for said real estate to Daniel L. Brucker upon the payment in full of the purchase price, \$1,500.00, within 90 days from date of approval by the Court, and providing further that in the conveyance of said property a restriction shall be inserted in the deed restraining the claim of damages by the grantee for any future widening of East Ohio street.

In Committee on Lands, Buildings and Housing, April 23, 1946, read and amended by striking out the following resolved clause:

"RESOLVED, That in the conveyance of said property a restriction shall be inserted in the deed restraining the claiming of damages by the grantee for any future widening of East Ohio street," and by inserting in lieu thereof the following:

"RESOLVED, That this conveyance shall be subject to any action of the City of Pittsburgh widening or changing the grade of East Ohio street, and the purchaser, for himself, his heirs, successors and assigns, shall expressly waive all claims for damages due to any ordinance or any action by the City of Pittsburgh widening or changing the grade of East Ohio street," and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. McArdle moved

That the amendment of the Lands, Buildings and Housing Committee be agreed to.

Which motion prevailed.

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Leonard	Wolk
McArdle	Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Also, with an affirmative recommendation.

Bill No. 620. Resolution authorizing and directing the Law Department to petition the Court for the sale to William H. Clifford and Mary B. Clifford, his wife, all that certain lot or piece of ground situate in the 26th Ward, being Lots Nos. 62 and 63 on Marshall avenue in the Columbia Park Plan, for the sum of \$500.00, under the Act of May 21, 1937, P.L. 787, as amended, and authorizing and directing the Mayor to deliver a deed for said real estate to William H. Clifford and Mary B. Clifford, his wife, upon the payment in full of the purchase price, \$500.00, within 60 days from date of approval by the Court.

Which was read.

Also

Bill No. 665. Resolution authorizing the Mayor and the Director of the Department of Lands and Buildings, in the name of the City of Pittsburgh, to enter into and execute a lease with Isaac Slutsky for the entire second floor of the three-story cement and brick garage building known as Dinrose Garage, at 400 Dinwiddie street, corner of Rose street, for the term of one year, commencing May 1, 1946, and ending April 30, 1947, at an annual rental of \$3,600.00, payable in advance in amount of

\$900.00 for each of four quarterly installments per annum, commencing May 1, 1946, and chargeable to and payable from C. A. No. 1614, Bureau of Highways and Sewers, and providing that the form of lease shall be approved by the City Solicitor and that the City shall have the right of renewal for a period of one year at the direction of the City of Pittsburgh.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

Resolution declaring the grant of \$100,000.00 by the Commonwealth of Pennsylvania to Allegheny County Sanitary Authority, if and when made, shall be considered as part of allocation of State funds to which the City may be entitled as an aid in development of sewage treatment and sewage disposal plans for the City.

In Finance Committee, May 7, 1946, read and ordered returned to Council with an affirmative recommendation subject to report from the Law Department.

Which was read.

Mr. Duff also presented
No. 761.

May 13, 1946.

President and Members of City Council
Gentlemen:

Bill No. 714, a Resolution whereby the City consents to transfer to the Allegheny County Sanitary Authority the rights which the City of Pittsburgh has to a grant from the Commonwealth of Pennsylvania for the payment of a share of the costs of the plans for the treatment of sewers, has been referred to this Department for a report.

In view of the fact that the Allegheny County Sanitary Authority was organized to serve the City of Pittsburgh, as well as other municipalities, it is entirely proper and legal to transfer its right to a grant of State funds to the Authority which is functioning on behalf of the City.

Bill No. 714 is therefore approved by this Department.

Very truly yours,

ANNE X. ALPERN,
City Solicitor

Which was read, received and filed.

Mr. Duff moved

Mr. Wolk moved

That the bill be laid on the table.

Mr. Wolk arose and said:

Mr. President:—I merely made this motion at the request of Mr. Harr, a resident of one of the streets involved in this street name change. He wrote me a letter citing the reasons for delaying action on this bill today for 30 days. I do not know whether any other member received a similar request.

The Chair said:

I received the same request,

and I am firmly convinced that there is no merit to the request. Mr. Harr cites reasons for requesting delay on the ordinance today (1) that the City Planning Commission handled the matter improperly, and (2) that the street signs were placed improperly, which caused the confusion. The reasons are not sufficient for delaying action on the bill, and for that reason I am opposed to the motion offered by Mr. Wolk.

And the question recurring on the motion, "Shall the bill be laid on the table?"

The motion did not prevail.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

MOTIONS AND RESOLUTIONS

Mr. Stewart presented

No. 798. WHEREAS, The United States Circuit Court of Appeals for the Third Circuit has recently handed down its opinion holding that the underliers of the Pittsburgh Railways Company may be brought into the reorganization of said Company now pending in the United States District Court for the Western District of Pennsylvania, and

WHEREAS, This decision makes possible the elimination of the underliers, the unification for the mass transportation system of this community, and the substantial reduction of the burdensome fixed charges against the system, and

WHEREAS, Without such unification and reduction of fixed charges an enduring and effective reorganization of the Pittsburgh Railways Company is impossible, and

WHEREAS, The reorganization of the Pittsburgh Railways Company on a unified and financially sound basis is essential to the welfare and prosperity of this community in order to provide to its residents an efficient and modern mass transportation system, and

WHEREAS, The favorable decision of the United States Circuit Court of Appeals for the Third Circuit was largely achieved through the consistent and diligent efforts of members of the Law Department of the City of Pittsburgh over a period of nearly eight years. Now, therefore, be it

RESOLVED, That the City Solicitor, Anne X. Alpern, and the Special Assistant City Solicitor assigned to the Pittsburgh Railways reorganization, Leon Wald, be commended for their efforts and achievements in connection with said reorganization, and be it further

RESOLVED, That the Clerk be directed to transmit copies of this resolution to the City Solicitor, Anne X. Alpern, and Assistant City Solicitor, Leon Wald.

Which was read.

Also

No. 799. WHEREAS, The United States Circuit Court of Appeals for the Third Circuit has recently handed down its opinion holding that the underliers of the Pittsburgh Railways Company may be brought into the reorganization of said Company now pending in the United States District Court for the Western District of Pennsylvania, and

WHEREAS, This decision makes possible the elimination of the underliers, the unification for the mass transportation system of this community, and the substantial reduction of the burdensome fixed charges against the system, and

WHEREAS, Without such unification and reduction of fixed charges an enduring and effective reorganization of the Pittsburgh Railways Company is impossible, and

WHEREAS, The reorganization of the Pittsburgh Railways Company on a

unified and financially sound basis is essential to the welfare and prosperity of this community in order to provide to its residents an efficient and modern mass transportation system, and

WHEREAS, The legal and technical staffs of the Securities and Exchange Commission have cooperated with the Law Department of the City of Pittsburgh and have been of immeasurable aid, not only in the recent case before the United States Circuit Court of Appeals for the Third Circuit, but in many other respects since the inception of the reorganization of Pittsburgh Railways nearly eight years ago, and

WHEREAS, Without the valuable aid of the legal and technical staffs of the Securities and Exchange Commission the recent favorable decision of the United States Circuit Court of Appeals for the Third Circuit very probably could not have been achieved, Now, therefore, be it

RESOLVED, That the Council of the City of Pittsburgh, on behalf of the government and people of Pittsburgh, express its deep appreciation to the several members of the legal and technical staffs of the Securities and Exchange Commission who have participated in the reorganization of the Pittsburgh Railways Company, and be it further

RESOLVED, That the Clerk be directed to transmit a copy of this resolution to the Chairman of the Securities and Exchange Commission with the request that he make known its contents to the several present and past members of the legal and technical staffs of the Commission who have participated in the reorganization of the Pittsburgh Railways Company.

Which was read.

Mr. Stewart moved

The adoption of the resolutions.

Mr. Stewart arose and said:

Mr. President:—These resolutions speak for themselves. I only want to say this, that I think it is not generally realized what a very difficult case this is and how much detail and

how many hours' work has been put in on this case. I think, also, it is not realized how vitally important this decision was to a proper solution of our mass transportation difficulties in this community. Without this decision, Mr. President, it is my belief, and I think there are many others who concur in this belief, that this job of reorganization would be a recurring thing every six or seven years. Now the decision that the underliers may be brought into this proceeding and may be eliminated, we have at least a beginning, and a very good beginning, for a sound reorganization.

I think it is fitting that we express our appreciation of the work done by the Law Department and by the members of the legal and accounting staffs of the SEC. They were most helpful. I know perhaps more about this than many others because I had something to do with it. There has been appearing in one of the daily newspapers a series of splendid articles on this subject, and I believe the public is beginning to realize the difficulty confronting the City in the solution of this case.

The Chair said:

I am sure that the members of Council heartily agree with everything Mr. Stewart said. These resolutions should be passed unanimously.

Mr. Leonard arose and said:

Mr. President:—I am also glad that Mr. Stewart presented these resolutions expressing our appreciation for the splendid work accomplished by our Law Department in the solution of this difficult case.

I have followed the efforts of Mr. Leon Wald, one of our Assistant City Solicitors, and I am glad to see that his name is mentioned in one of these resolutions. Mr. Wald has spent a lot of time on this case. He has worked hard and diligently on it. I hope that in the next budget sessions this Council will remember the efforts of Mr. Wald.

And the question recurring on the adoption of the resolutions,

The ayes and noes were taken and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Wolk
Leonard	Kilgallen (Pres't)
McArdle	

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the motion prevailed.

Mr. Duff moved

That Mr. Gallagher be excused for absence from this Council meeting.

Which motion prevailed.

Mr. Demmler arose and said:

Mr. President:—I rise to a question of personal privilege. There appeared in the magazine section THIS WEEK of the Sunday edition of The Pittsburgh Press an article by Robert Moses, the noted city planner, entitled, "Let's Rebuild Our Cities," in which he says:

"There are no doubt lots of things wrong with city living—but there's no reason why the city dweller should act as if he were living on the wrong side of the tracks.

"The country may be nice but the city isn't that bad. A critic may deplore this or that in a city; he may rage at its manifestations of ugliness, exploitation, decay, congestion and confusion. But if he detests cities as such and his own community in particular, he has nothing to offer but mud and brickbats. Nothing constructive ever came out of bellyaching and croaking.

"The statistics are all with the city man. In the race for mere percentages he is clearly gaining at the expense of his country cousin. The trend is still decidedly urban, and scientific prophecies indicate no definite leveling off."

Also, in this article appear the following subheads:

"City Folk Want Country Places."

"Plan Our Cities."

"Devalue Slum Areas."

And under the head "Shift Our Taxes," he says:

"All cities suffer from debt and tax problems. Almost all are in some con-

flict with federal and state jurisdictions over methods of raising revenues. The burden on real estate has, in many cities, become intolerable and a shift to other taxes is required.

"Cities render too many services free which should be wholly or partly self-supporting. They neglect necessities and go wild over new things like airports. Through public indifference and generally low standards the administration gets into the hands of cheap politicians and incompetents.

"The great paradox and riddle of city government lies in two apparently conflicting but actually reconcilable principles. The first is that without vision the people perish. The second is that administration, like water, cannot rise above its own level. In other words, you must have leaders, and they must have followers with a high common denominator of citizenship."

I bring this matter to the attention of Council at this time for the reason that headlines have been appearing in certain newspapers of our city to the effect that Pittsburgh is losing its standing as "The Steel City of America." This is not true.

It was my privilege recently to hear the delivery of an article by Mr. Perry, President of the Carnegie-Illinois Steel Corporation, before the Institute on Community Problems at the University of Pittsburgh, in which he stressed the fact that taxes is not the dominant reason for industries leaving the city.

However, there is one item which should receive our serious consideration, and that is the tax by the County on machinery in plants located within the city. I believe the city should submit to and urge the passage of legislation by the State Legislature at its 1947 session exempting machinery in the City of Pittsburgh from this county tax.

In an editorial in The Pittsburgh Press on Monday, May 13, 1946, on the County bond issue to be voted upon by the people tomorrow, there appears this sentence:

"All these projects will vastly enhance property values, improve travel

conditions and, all in all, make this a better community."

I wish to call attention to the fact that here is recognized that these public improvements will enhance the value of the property within the area to be improved. These improvements do not add to the cost of buildings but rather reflect only in increased property values.

An editorial headed "Protect the Goose," there is a discussion of the public improvements contemplated by the City, County and State officials. Regarding these improvements the editorial states:

"As a result, we can expect that within a few years the community will be a much better place in which to live."

The editorial further states:

"Meanwhile, what will we do about the district's industry? If non-partisan co-operation can bring public improvements, why can't the same approach be used to prevent withdrawal of industry from the Pittsburgh area; in fact, to expand industry here?"

I am sure that is what we wish to do.

I have before me copies of two books published in 1946. The one, containing over 200 pages, entitled, "Where

Cities Get Their Money," lists many sources of revenue and a great amount of miscellaneous taxes. Reading through this book my conclusion is well illustrated by a clipping which I have pasted on the same.

"And now, gentlemen," continued the Congressman at his press conference, "I wish to tax your memory."

"Good Heavens," muttered the reporter, "has it come to that?"

The other book calls attention to the fact that cities should be self-supporting and is entitled "The Self-Supporting City." I have given a copy of this book to each member of Council and the Mayor, and would refer them to pages 100, 101 and 102.

Pittsburgh, I am sure, will receive recognition this year because of the election next November of the members of the State Legislature, as an effort is being made to change our system of raising city and school revenue.

Mr. Wolk moved

That the Minutes of Council of Monday, May 13, 1946, be approved.

Which motion prevailed.

DEPARTMENT OF PUBLIC WORKS

May 22, 1946.

Subject:—Rehabilitation of Furnace Walls of Boiler No. 2 at Ross P. S.—Council Bill No. 766.

Committee on Finance, Council, City of Pittsburgh.

Gentlemen:

A general emergency exists at the Ross Pumping Station as a result of the failure of the walls and baffles in Boiler No. 2, as outlined in our letter to you dated May 10, 1946.

The continued unavailability of this boiler for use imposes a grave threat to the City's water supply, and it is essential that the rehabilitation be done without delay.

The temporary failure of Boiler No. 3 last Friday made it necessary to reduce pumpage to 50% of the average amount required by the City for about one day until Boiler No. 3 could be

repaired. Boiler No. 1 is inadequate to supply steam for the full requirement and Boiler No. 2 is out of service as above stated.

The main 100 m.g.d. pumping unit is out of service for repairs and the alternate unit is the old low pressure steam turbine driven pump which is unreliable and requires a much greater amount of steam to pump the same amount of water, throwing this additional burden upon the boiler plant.

The John F. Casey Company has men and equipment at hand and can do the work more promptly than any other available contractor.

The bid of \$10,725.00 submitted by the John F. Casey Company on May 9, 1946, and transmitted to you with our letter of May 10, 1946, is a reasonable price for the proposed rehabilitation.

Pursuant to your conditional approval of May 21, 1946, we are authorizing the Contractor to proceed immediately with the work.

Yours very truly,

JAS. S. DEVLIN,

Director.

Which was read, received and filed.

Mr. President: I would like to place a few remarks on the record. This morning when I returned from Chicago where I attended the National Tax Conference held by the National Tax Association, I found on my desk a circular, "This Week's Vital Message to Property Owners," mailed out by the Home, Farm and Property Owners' Association of Allegheny County. The first part of this circular reads as follows:

"Real Estate represents less than half of Allegheny County's wealth!

"Compare Pittsburgh's Real Estate Tax Land per family:

"Taxes are too high for industry—no new industries have come into the City for the past 30 years.

"Are you interested in lower taxes and more efficiency in government, thereby attracting industry?"

I cannot let this circular go by without commenting, for it surely does give the wrong impression. The bare statement of facts may be correct, but if you get the true comparison you will find it gives a totally different picture. Let us consider Philadelphia, listed. If you will take note Philadelphia has a 1% income or wage tax, 5% Amusement tax, is now advocating a 10% tax on hotel rooms, and increasing the amusement tax to 10%, and raising the real estate assessments. So, if you place all these figures together they will pay as much or more than Pittsburgh pays. Or if you take into consideration that in Ohio they have a 3% sales tax, a tax on machinery, stock on hand and various other things.

When in Chicago, on Tuesday evening there was a round table discussion on "Financing City Governments." The speakers were: Arthur G. Lindell, Budget Director of Chicago; for New York City, Joseph D. McGoldrick, former City Comptroller; for Toledo, Ronald E. Gregg, Executive Secretary, The Municipal League of Toledo; California Cities, N. Bradford Trenham, California Taxpayers Association, Los Angeles, and for Detroit, Robert S. Ford, University of Michigan. After the discussion by these five men and by the Chairman, finally someone said, "What are we going to do with these various taxes to provide the necessary funds for city revenues. I could not help getting up and mention that Pittsburgh had none of these nuisance taxes, securing our revenue from a tax on land assessment and building assessment. It was pleasing to note that in the following meetings people would come to me and say, "How do you people get along without these other taxes, how is your financial

situation and how are your bonds selling?" They couldn't understand how we get along with a limited tax base.

The following paragraph is also from this circular:

"The Home, Farm and Property Owners' Association of Allegheny County is making a sincere effort to bring about the proper allocation of monies now held and collected by the State, to reduce real estate taxes and provide adequate funds for the entire maintenance and support of a thorough and efficient system of public schools."

They do not state in this circular that they are figuring on a 3% State sales tax to finance the school system. If any property owner or even a renter will figure what he will have to pay under the 3% sales tax he will find that figure will be considerably more than he is now paying in the nature of a tax on the land on the building. I would like to state here that I invite the Home, Farm and Property Owners' Association of Allegheny County to send to this Council their suggestions for lower taxes and more efficiency in government thereby attracting industry.

Mr. Demmler moved

That Mr. Gallagher and Mr. Weir be excused for absence from this meeting of Council.

Which motion prevailed.

..Mr. Wolk moved

That the Minutes of Council for Monday, June 3, 1946, be approved.

Which motion prevailed.

And upon motion of Mr. Wolk

Council adjourned.

No. 947.

DEPARTMENT OF CITY CONTROLLER

June 17, 1946.

President and Members of Council

City of Pittsburgh

Gentlemen:

There is submitted herewith a detailed statement of the unfunded indebtedness of the City of Pittsburgh which is now due and which will fall due to and including December 31, 1946. This unfunded indebtedness con-

sists of expenditures incurred in the construction of streets and sewers in connections with improvements assessable against property owners, damages in connection therewith, and interest payable thereon.

As some of this indebtedness bears interest at 4% and others at 6% a reduction in interest charges will be obtained by issuing \$450.00 funding bonds for the payment of this debt, under the provision of Sections 501 et seq., of the "Municipal Borrowing Law" of 1941, P.L. 159, as supplemented and amended.

Very truly yours,

/s/ J. J. Sloan,

Deputy City Controller

MOTIONS AND RESOLUTIONS

Mr. Weir presented

No. 950. RESOLVED, That the Mayor be and he is hereby requested to return to Council without action thereon, Bill No. 850, An Ordinance providing for a contract or contracts for furnishing daily lunches to children in the Day Camps during the 1946 summer period of Activities for Children supervised by the Bureau of Parks and Recreation, Department of Public Works, and for the payment of the costs thereof.

Which was read.

The adoption of the resolution.

Which motion prevailed.

And the Mayor having returned without action thereon.

Bill No. 850. An Ordinance entitled, "An Ordinance providing for a contract or contracts for furnishing daily lunches to children in the Day Camps during the 1946 summer period of Activities for Children, supervised by the Bureau of Parks and Recreation, Department of Public Works, and for the payment of the cost thereof."

Which in Council, June 10, 1946, was read, rule suspended, read a second and third times and finally passed.

Which was read.

Mr. Weir moved

To reconsider the vote by which the bill was read a second and third times and finally passed.

Which motion prevailed.

And the question recurring, "Shall the bill be read a second and third times and finally passed?"

The motion did not prevail.

Mr. Weir moved

That the bill be recommitted to the Committee on Parks, Recreation and Libraries.

Which motion prevailed.

Mr. Demmler arose and said:

Mr. President: At the meeting of Council held Monday, June 10, 1946, I placed on the record extracts from a circular mailed out by the Home, Farm and Property Owners' Association of Allegheny County. A second circular from this organization was received by me on Friday, June 14, 1946. The first paragraph of this circular is as follows:

"The American institution of private property ownership today is threatened by a variety of powerful forces, including individuals and organizations that subscribe to a plan of increasing the private property tax burden. This burden will eventually destroy private property if our public servants continue to pyramid taxes on real estate while taxing other property only on its demonstrated ability to pay."

This paragraph should receive earnest consideration by Council as well as by all citizens.

The Pittsburgh Graded Tax plan recognizes that real estate consists of two distinct parts, the land or location and the improvement or building. The value of the site or location is created by the presence of all people making the community. This value, created by the community, belongs to the community and should not be considered as private property.

Pittsburgh should extend the application of the graded tax plan. The community should collect a greater percentage of the annual rental value

of the sites in the community, which rental value represents the services rendered by the community.

The latest circular of the Home, Farm and Property Owners' Association also contains this sentence:

"The City of Pittsburgh, because of its narrow tax base, faces the problem of underwriting a several million dollar deficit."

I cannot understand why any person or organization should make a statement like this. The financial condition of the City of Pittsburgh is "A-A."

I call upon the Home, Farm and Property Owners' Association of Allegheny County to explain this sentence, advising Council where this deficit of several million dollars exists.

The Chair said:

Can the Chair inquire as to whether or not the Home, Farm and Property Owners' Association of Allegheny has yet responded to the invitation you tendered them last week to file with City Council any suggestions for a decrease in city taxes?

Mr. Demmler said:

Mr. President:—I did not mail the invitation until today. If I receive any answers I shall inform you.

Mr. Demmler moved

That Mr. Gallagher be excused for absence from today's Council meeting.

Which motion prevailed.

Mr. Wolk moved

That the Minutes of Council of Monday, June 10, 1946, be approved. Which motion prevailed.

And upon motion of Mr. Wolk Council adjourned.

DEPARTMENT OF LAW

June 24, 1946.

The Council of the
City of Pittsburgh.

Gentlemen:

Bill No. 898, an Ordinance authorizing the issuance of a warrant to George Vang, Inc., in the sum of \$10,941.22, for extra work on the Water street contract, has been returned with an affirmative recommendation subject to approval by the Law Department.

This Department does not pass upon claims for extras. The Works Department, which has charge of the work and has the technical staff to resolve the differences between the City and the contractor, has made this recommendation subject to City Council's approval.

The only phase of this work that has been before this Department is the litigation which was instituted by the contractor in an attempt to replace the Director of the Department of Public Works as arbitrator and to have the court appoint arbitrators to resolve disputes about specifications. This procedure was resisted by the Law Department.

We are therefore unable to approve or disapprove this bill. No extra claims are ever approved by the Department, which litigates such claims when requested to do so by the Works Department.

Very truly yours,

Anne X. Alpern.
City Solicitor.

Which was read, received and filed.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Weir arose and said:

Mr. President: On Bill No. 920, regarding the regulating of buses, I am going to vote for it because, not that it seems the best thing to do at this time, but after reading one of the newspapers, a prominent City official, who has most to do with this thing, if I read the article correctly, said the bus companies have not made an honest effort to get off the streets, and with but one exception, nobody has tried to get them off the streets.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken, agreeably to law and were:

Ayes:—Messrs.

Demmler	Weir
Duff	Wolk
Leonard	Kilgallen, (Pres't)
Stewart	

(Mr. McArdle not voting).

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Stewart presented

No. 1004. Report of the Committee on Health and Sanitation for June 18, 1946, transmitting an ordinance to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 929. An Ordinance entitled, "An Ordinance providing for the letting of a contract or contracts for the furnishing and delivery of X-Ray and Office Equipment for the Department of Public Health, and for the payment thereof."

Which was read.

Mr. Stewart moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law and were:

Ayes:—Messrs.

Demmler	Weir
Duff	Wolk
Leonard	Kilgallen (Pres't)
Stewart	

(Mr. McArdle not voting).

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. McArdle presented

No. 1005. Report of the Committee on Lands, Buildings and Housing for June 18, 1946, transmitting a resolution to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 925. Resolution authorizing the Director of the Department of Lands and Buildings to return to Thomas McDonough and Betty McDonough, his wife, the hand money check in the amount of \$37.50 which was submitted to the Department of Lands and Buildings for the purchase of Lot Nos. 201 and 202 on Crosby avenue, 19th Ward, and repealing Resolution No. 274, approved December 19, 1945, and amending Resolution No. 53, approved March 23, 1946, authorizing the execution of a deed to Thomas McDonough and Betty McDonough, his wife.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Weir
Duff	Wolk
Leonard	Kilgallen, (Pres't)
Stewart	

(Mr. McArdle not voting).

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

MOTIONS AND RESOLUTIONS

Mr. Duff moved

That Mr. Gallagher be excused for absence from today's meeting of Council.

Which motion prevailed.

An Ordinance amending Ordinance No. 203, entitled, "An Ordinance providing for a loan of Fifty Thousand Dollars (\$50,000.00) to the Housing Authority of the City of Pittsburgh, prescribing the form of contract with the Housing Authority of the City of Pittsburgh with respect thereto; authorizing the execution of said contract; and authorizing the issuance of a warrant in the sum of \$50,000.00 to the Housing Authority of the City of Pittsburgh from Code Account No. 42-1 (loan to Pittsburgh Housing Authority) appropriated therefor," approved May 29, 1946, by the addition of Paragraph 5 to Section 2.

Which was read and referred to the Committee on Finance.

The Chair presented

No. 1008. WHEREAS, Traffic congestion in the City of Pittsburgh, Pennsylvania, has become so acute as to imperil the health and safety of the citizens; And

WHEREAS, There is a pressing and urgent need for terminal stations where automotive buses can load and unload passengers with safety; And

WHEREAS, City Council has enacted legislation which requires off street parking for such automotive buses on and after August 1, 1946; And

WHEREAS, City Council desires to

do all things possible to make such legislation effective and mandatory; And

WHEREAS, Union Bus Terminal, a corporation, incorporated under the laws of Pennsylvania, is committed to the construction of such a bus terminal on a site bounded by Smithfield Street, Water Street, in the First Ward, City of Pittsburgh; And

WHEREAS, City Council approves the construction of such a terminal as being urgently needed; Now, Therefore Be It

RESOLVED, That the Civilian Production Administration be requested to allocate to said Union Bus Terminal, a corporation, such priority for construction materials as may be needed to complete the construction of the above described terminal.

Mr. Wolk moved.

The adoption of the resolution. Which motion prevailed.

Also

No. 1009. WHEREAS, The Council of the City of Pittsburgh has learned with sorrow and regret of the death of Frank L. Duggan, a former member of this body;; and

WHEREAS, During all his life Mr. Duggan was a force for the betterment of Pittsburgh; and

WHEREAS, Both in business and civic enterprise he reflected credit upon himself and our community; Now, therefore, be it

RESOLVED, That the Council of the City of Pittsburgh extends to his bereaved family an expression of deepest sympathy; and be it further

RESOLVED, That when Council adjourns this day, it shall adjourn out of respect to the memory of Frank L. Duggan.

Which was read.

Mr. Wolk moved

The adoption of the resolution. Which motion prevailed.

Mr. Demmler arose and said:

Mr. President: At last week's

meeting you made inquiry as to whether I received a reply from the Home, Farm and Property Owners' Association. In reply I received this letter, which I ask to be placed on the record:

"June 20, 1946.

"Mr. Walter R. Demmler
Council of the City of Pittsburgh
510 City County Building
Pittsburgh, 19, Penna.

Dear Mr. Demmler:

Our Association appreciates your invitation of June 17th. At some future date, I shall be happy to discuss our platform with those of your Council who may be interested.

You have not, however, correctly stated the facts when you say, 'They do not state in this circular that they are figuring on a 3% State Sales Tax to finance the school System.' This is not in accordance with our thinking.

We appreciate your interest and assure you that we anticipate reducing the taxes on real estate according to the plans we have formulated.

Very truly yours,

JOS. W. SEAY,

Executive Vice President."

In last week's meeting I mentioned that the financial condition of the City of Pittsburgh is "A-A." I would like to substantiate that by quoting a few sentences from a very recent report made of a study of the City of Pittsburgh. One sentence is as follows:—

"In General, Pittsburgh is in excellent shape financially."

Another quote: "Pittsburgh has a tax rate which is about average for cities in its population class. It has a debt considerably lower than the average. At the same time the tax base which depends almost entirely (80%) upon real estate as a source of revenue is the highest of 13 comparable cities. Despite this the City is in good financial condition."

And another quote: "One thing the City of Pittsburgh can do to improve its financial position and also the environment as a whole is to make slum ownership unprofitable. This can be done with the present tax law."

The Chair said:

What are you reading from?

Mr. Demmler said:

It is a very extensive report made by the Econometric Institute of New York, comment on which has been made in the newspapers recently.

Mr. Wolk moved

That the Minutes of Council of Monday, June 17, 1946, be approved.

Which motion prevailed.

Mr. Wolk moved

That Council adjourn out of respect to the memory of Frank L. Duggan.

Which motion prevailed.

And

Council adjourned.

K. Davison and Bro.; the construction, paving and maintenance by Crucible Steel Company of America of a private right-of-way along the northerly line of property of Crucible Steel Company of America from the new street to 30th Street and the construction, maintenance, repair and reconstruction of a sewer thereon by the City; providing for the grading, paving, curbing and sewerage of said new street and for laying a water line with appurtenances thereon, and providing for the payment of the cost thereof."

In Council, June 24, 1946, bill read and laid on the table pending receipt of report from the Law Department.

Which was read.

The Chair presented

No. 1050.

DEPARTMENT OF LAW

June 25, 1946.

Committee on Public Service & Surveys

Gentlemen:

Re: Bill No. 905.

Bill No. 905, an Ordinance authorizing an agreement with Crucible Steel Company and J. K. Davison & Bro., for the vacation of 30th Street, has been referred to this department for report.

We have examined the form of agreement contained in the Bill and find it to be in proper form.

We wish to call attention to the fact that the agreement provides for the City to bear half the cost of this re-arrangement of streets. The re-arrange-

ment is solely for the benefit of Crucible Steel Company and it would appear that they should bear the entire expense incurred, unless there are further considerations which are not contained in the above Bill.

Very truly yours,

ANNE X. ALPERN,

City Solicitor.

Which was read, received and filed.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The Chair presented

No. 1052.

DEPARTMENT OF CITY CONTROLLER

June 28, 1946.

President and Members of Council
City of Pittsburgh

Gentlemen:—The Finance Committee of Council at a meeting held June 25, 1946, affirmed Bills Nos. 900 and 901. These two bills authorize and direct the City Controller to reinstate Harry Lebman and Mrs. Edward A. Coll under the Abatement Act of 1945.

In Section 1 of this Act, (approved May 25, 1945, P. L. 1006), it provides that the taxpayer, receiving the benefits of this Act, is required to pay all current taxes before they become delinquent. In both of these cases the taxpayers lapsed on their current tax payments and by reason thereof they lost all their rights to the benefits conferred by this Act.

The two bills in question are in violation of the State Act, and if finally enacted, it will be my duty to refuse to recognize such legislation.

Very truly yours,

EDWARD R. FREY,

City Controller.

Which was read, received and filed.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended, the resolutions were read a second time.

Mr. Demmler arose and said

Mr. President:—On Bill No. 900, File No. 482, and Bill No. 901, File No. 483, these bills were in what you may say the twilight zone. I voted for these bills in Committee, and since the Controller will not honor the bills, I personally feel that the best thing would be to return them to Committee if we are going to meet next week.

Mr. Stewart arose and said:

Mr. President:—The Charter of the City of Pittsburgh provides that the City Solicitor furnish legal opinions to the City Council and all departments. We received the opinion of the City Solicitor, and I believe we should accept the opinion of the City Solicitor.

The Chair said:

These two bills are requests by taxpayers to be reinstated to the privilege of the Abatement Act. Our own Law Department has instructed Council that in proper cases we can give that to taxpayers. The City Controller now informs us that no matter what the circumstances are the City Council does not have the power to reinstate the Abatement privilege.

Mr. McArdle said:

Who said that?

The Chair said:

The City Controller. I am going to vote in favor of these bills because of the opinion of the City Solicitor.

Mr. Duff arose and said:

Mr. President:—I agree with Mr. Stewart's statement in respect to the authority of Council to admit a taxpayer to the benefits of the Abatement Act where a case of hardship is disclosed. However, as I stated in the meeting of the Finance Committee I did not think that it was proper to grant the applicants' request for the reason that the information we re-

ceived was based entirely upon ex-parte statements. I feel, in all such cases that an independent examination should be made into the facts to discover whether the facts set forth in the application are true and correct, which was not done in these instances, as we rely entirely upon the statements contained in their letters. I feel that this procedure would open the door in many cases where the applicants would make untrue representations solely to entitle themselves to the benefits of the Act.

And the resolutions were read a third time and upon final passage the ayes and noes were taken, and being taken were:

Ayes.—Messrs.:

Stewart	Wolk
Weir	Kilgallen, (Pres't)

Noes.—Messrs.

Demmler	Leonard
Duff	McArdle

Ayes 4. Noes 4.

And there not being a majority of the votes of Council in the affirmative, the resolutions failed of passage.

Also

DEPARTMENT OF LANDS AND
BUILDINGS

June 28, 1946.

President and Members of Council
City of Pittsburgh.

Gentlemen:

In answer to your request for a report on Bill No. 980, a resolution leasing part of the first floor of the building at 400 Dinwiddie street, corner of Rose street, containing 7,500 square feet, to be used for storage of heavy equipment by the Bureau of Highways and Sewers.

The writer has personally viewed this building and would say that in as much as there exists such a shortage of space that can be used for the type of equipment that the Bureau of Highways and Sewers must use on these premises, would advise that the rental asked of \$400.00 per month is in keeping with existing prices on comparable properties. There is a very distinct shortage of commercial properties for the storage of equipment of this type.

I think it will be to the best interest of the City for you to enter into a lease for this property at the price and terms set forth in your resolutions.

Yours very truly,
Homer R. Greene,
Director.

Which was read, received and filed.

Also

Bill No. 981. Resolution authorizing and directing the Law Department to petition the Court for the sale to Michael S. MOTIONS AND RESOLUTIONS

Mr. Demmler presented

No. 1080. RESOLVED, That the Mayor be and he is hereby requested to return, without action, Bill No. 900, Resolution authorizing the City Treasurer to accept payment of City taxes for the second quarter of 1946 upon property at 1327-29 Penn avenue, Second Ward, held in the name of Harry Lebman, at the face amount thereof and within the imposition of any penalties or interest, and authorizing and directing the City Controller to reinstate his tax account under the Abatement Act.

Which was read.

Mr. Demmler moved

That adoption of the resolution.

The Chair said

Last Monday Council passed a bill reinstating taxpayers to the abatement privileges. The resolution now before us asks the Mayor to return that legislation to us.

Mr. McArdle arose and said

Mr. President: For what purpose? What is wrong with them?

The Chair said

It would appear that last Monday Council misinterpreted the legal opinion given us by our Legal Department. In a verbal conversation the City Solicitor informed me that City Council did not have legal authority to pass this bill.

Upon which motion the ayes and noes were ordered taken, and being taken were:

Ayes:—Mr. Demmler.

Noes:—Messrs.

Leonard	Weir
McArdle	Kilgallen, (Pres't)
Stewart	

(Mr. Wolk not voting).

Ayes 1. Noes 5.

And there not being a majority of the votes in the affirmative, the motion did not prevail.

Mr. Stewart moved

That Mr. Duff and Mr. Gallagher be excused for absence from today's meeting of Council.

Which motion prevailed.

Mr. McArdle arose and said:

Mr. President: Down on the Monongahela wharf, Saturday afternoons and Sundays that tremendous space on the river front is not being used. I was wondering whether or not we might not be able to develop that along the lines of renting it or may be putting it out in the way of a concession and rent beach chairs and deck chairs so that a lot of the people who find it inconvenient to get to South and North Parks and Highland and Schenley Parks might avail themselves of the sun by using the lower deck.

Mr. McArdle moved

That the Department of Public Works make a study of this proposition and report back to Council its findings and what it thinks of such an idea.

Which motion prevailed.

Mr. Weir moved

That the Minutes of Council of Monday, July 1, 1946, be approved.

Which motion prevailed.

Mr. Demmler moved

That Council recess until 12:55 o'clock, P. M., E.S.T., Tuesday, July 9, 1946.

Which motion prevailed.

And

Council recessed.

Pittsburgh, Pa.

Tuesday, July 9, 1946.

And the hour of 12:55 o'clock, P. M., E.S.T., having arrived and the time of the recess having expired, Council reconvened, and there were:

DEPARTMENT OF PUBLIC WORKS

Pittsburgh, July 11, 1946.

James W. Patterson,
City Clerk.

Dear Sir:

We have your letter of July 9, 1946, informing us that at a meeting of Council on July 8, motion was made requesting that this department make a study of renting space or granting concessions for the placing of chairs on the decks of the Monongahela wharf and the Duquesne way wharf over the week-ends when they are little used for parking.

These parking areas are and have been under the control of the City Treasurer, and we are of the opinion that it would be highly improper for this department to make an investigation involving the office of the City Treasurer, particularly when that office is thoroughly capable of informing Council on this matter.

We therefore suggest that Council request the City Treasurer for such a report.

Yours very truly,
JAS. S. DEVLIN,
Director, Department of
Public Works.

Which was read, received and filed.
Mr. McArdle moved

That the City Treasurer make a study of renting space or granting concessions for the placing of chairs on the decks of the Monongahela wharf and the Duquesne way wharf over the week-ends when they are little used for parking.

Which motion prevailed.

MOTIONS AND RESOLUTIONS

Mr. Stewart moved

That Mr. Duff and Mr. Gallagher be excused for absence from today's meeting of Council.

Which motion prevailed.

Mr. McArdle presented

No. 1116. WHEREAS, The City is planning to modernize its street lighting system and to effect a saving in the cost thereof; and

WHEREAS, The City will be able to accomplish both results if the Duquesne Light Company, which has the electric monopoly in this territory, will supply energy at the rate the City has actually been paying for years; and

WHEREAS, In response to a request by the City, the Duquesne Light Company has submitted a figure for energy for street lighting of $2\frac{1}{2}$ cents per kilowatt hour, which is $62\frac{3}{4}$ per cent higher than the present established rate; and

WHEREAS, The Duquesne Light Company has stated it would be very glad to discuss its proposal further at the convenience of the City; Now, therefore, be it

RESOLVED, That the Duquesne Light Company be requested to meet with the Council, the Mayor, the Director of the Department of Public Works and the City Solicitor on Wednesday, July 17, 1946, at 2:00 o'clock, P. M., in the Council Chamber to explain the manner in which the proposed increased rate submitted to the City this day was arrived at.

Mr. McArdle moved

The adoption of the resolution.

Mr. McArdle arose and said

Mr. President: Today the Duquesne Light Company again put a double-barreled shotgun at the head of the City of Pittsburgh. It again insulted the intelligence of the Council and the Mayor of the City of Pittsburgh and also insulted the intelligence of the people, the taxpayers of the City of Pittsburgh, who are paying the bill. For two years the City Council and the Mayor have been trying to get a modern, up-to-date street lighting system at a reasonable cost to the taxpayers of the City of Pittsburgh. and the City of Pittsburgh took bids and invited the Duquesne Light Company, as well as anybody else interested, to submit bids for a street lighting system. At that time the Duquesne Light Company refused to submit a bid. But we were successful in securing a bid from a company, who if the Duquesne Light Company had given us a proper rate today for current, would effect a saving to the City of Pittsburgh of probably a half million dollars over a period of ten years. and at the end of ten years the City of Pittsburgh would own a modern, up-to-date street lighting system. Today the Duquesne Light Company again refused to co-operate with the City administration who is making every effort to get a reduced rate and give the benefit of such reduced rate to the taxpayers of the City of Pittsburgh.

I am at a loss to know how the Duquesne Light Company could arrive at such a rate of two and one-half cents per kilowatt hour, when in thousands of homes in the City of Pittsburgh, the private residents are buying current as low as one and one-

half cents per kilowatt hour.

So that the record may be clear, that is the rate you finally get down to after you use a certain amount of current. How they have the boldness to submit such a figure to the City of Pittsburgh is beyond me. I take it as an open insult to the intelligence of the City administration and also to the people who have plenty of experience in the street lighting business. They are selling current to the other municipalities, particularly the County, for the Schedule W rate. In the testimony before the Public Utility Commission they said the Energy rate under our rate S was .0148, and for that reason I am asking this Council to adopt this resolution so we can explore and find out how they arrive at this rate.

Mr. Demmler arose and said

Mr. President: I have no objections to the resolution but to keep our record clear I would ask that a copy of the letter from the Duquesne Light Company be filed with Council.

And the question recurring on the adoption of the resolution.

The motion prevailed.

The letter from the Duquesne Light Company is as follows:

No. 1117.

July 15, 1946.

The Honorable David L. Lawrence

Mayor of the City of Pittsburgh

Pittsburgh, Pennsylvania.

Dear Mayor Lawrence:

This letter is written for the purpose of outlining the position of the Company with respect to the future street lighting arrangements for the City of Pittsburgh, and to submit the rate per KW hour at which the Company will supply electric energy for street lighting purposes, and, as requested in Mr. Devlin's letter on June 25, the charges at which the Company will provide related facilities not covered by the rate for energy.

The Company reaffirms its previous proposal to continue to furnish complete street lighting service (including energy, maintenance and operation of the system) as in the past, which requires changes in street lighting equip-

ment as directed by the City, with certain modifications and charges that would produce a saving to the City over its present billing by approximately \$43,300 per year. This will result in an annual charge of \$676,700 as contrasted with the present annual charge of \$720,000. This reduction to the City would be accomplished as follows:

1. All arc lamps priced at \$6.00 per month, instead of \$6.30 and \$7.00, which are the present charges depending upon the type of the arc lamp.
2. The present base discount of 3% of the first \$1000 of gross monthly bill, plus 5% of the balance thereof, for a one-year contract, and for a contract of five years or longer the base discount will be 5% of the first \$1000 of gross monthly bill, plus 10% of the balance thereof.

This proposal was made to the City by letter dated August 13, 1945, wherein a more complete outline of the proposal is contained. It should be mentioned, however, that we advocate re-examination of the present specifications, involving nightly inspection and cleaning schedules, for the purpose of such modification as might seem desirable from the point of view of the City, and we propose to reduce the charges for street lighting service to the extent of savings affected by reason of any such changes.

We would like to point out that on the basis of our experience, if the street lighting service was rendered in accordance with this proposal, there would be little if any profit resulting to the Company.

It should be borne in mind that the modifications to the system, referred to in our letter of August 13, 1945, were proposed in accordance with a study made with the advice and counsel of the most outstanding street lighting experts in the country. A report based on this study is on file in the City. One of the recommendations in the report is that demonstration equipment be installed at Company expense, so that the City officials and businessmen could select by visual observation the one which they considered most appropriate. No study has

been made of areas other than business sections of the City, and in our opinion no new street lighting system should be installed without such a study.

It is our opinion, confirmed by representatives of the City from time to time, that the service rendered by the Duquesne Light Company in carrying out its street lighting contract has been entirely satisfactory, and we believe the record will substantiate such an assertion.

In the event that the City does not desire to continue to contract for the type of service we are now rendering, and desires to own the street lighting equipment as indicated by the specifications just recently advertised, we would like to reaffirm the proposal made by the Company under date of June 7, 1946, as follows:

The Company will sell to the City its exclusive street lighting equipment (i. e., luminaries, brackets, ornamental poles) for \$487,000, which is the present depreciated cost, payable in monthly installments over a period of ten years, and will, during such ten-year term, install such new equipment as the City may desire at the cost thereof in place, payable in similar monthly installments, and will operate and maintain the street lighting installations owned by the City at cost, all in accordance with the detailed proposal heretofore referred to and dated June 7, 1946.

It should be pointed out that a large majority of the street lighting equipment offered for sale is just as modern as any that could be purchased at the present time.

The charge for supplying electric energy for street lighting purposes under such an operation is described later in this letter.

In the event that neither of the foregoing proposals is of interest to the City, and because we realize that no other contractor can provide new installations overnight, we are willing to continue to make our street lighting equipment available for a reasonable period of time at present rates. In our opinion a reasonable time would be not over six months.

We are interested in continuing to provide a complete street lighting service, but as previously stated we are not able to bid on the specifications just recently advertised because of their ambiguity. In our opinion any bid on such a set of specifications would be unfair to the City as well as to the contractor.

However, we have been requested to submit a rate per KW hour at which the Company will supply electric energy for street lighting purposes, and the charges at which the Company will provide related facilities not covered by the rate for energy.

In the determination of these charges, it is assumed that the City's Specifications will be modified in accordance with statements made in Mr. Devlin's letter of June 25, and such modifications will also provide a reasonable basis of operation for the Contractors.

Our letter to Mr. Devlin of June 12 called attention to certain provisions of the City's Specifications which led to increased costs of providing energy for street lighting; and although Mr. Devlin's reply of June 25 indicated that some of these provisions could well be modified, nevertheless the specifications provide for the breaking up of the present integrated street lighting service into separate parts supplied by separate contractors, and will lead inevitably to some duplication of work and loss in overall economy of operation. This circumstance has been taken into account in our determination of proper charges.

Before stating these charges, we would like to enumerate the conditions on which they are based:

1. On all poles, except ornamental poles used exclusively for street lighting purposes, the Company will terminate its facilities at the bracket to which the lighting fixture is attached.
2. On ornamental poles, used exclusively for street lighting purposes, the Company will terminate its facilities at the top of the pole if served from overhead circuits or at the bottom of the pole if

served from the underground system.

3. Electricity will be supplied by the Company from 7.5 ampere series circuits.
4. Continuity of service, the protection of the general public, and the safety of men engaged in work on the poles may require that insulating transformers be installed between the Company's circuit and the wiring of Contractor No. 2. The Company reserves the right to determine the necessity of such insulating transformers. Where transformers are installed an additional charge will be made.
5. In this proposal the Company makes provision for attachment of street lighting equipment to its existing poles, provided there is sufficient space on the pole for such attachment. If the attachment of any lamp requires the rearrangement of any of the Company's existing facilities, the entire cost of such rearrangement shall be borne by the City.
6. Attachment of street lighting equipment to the Company's poles shall conform to national safety standards.
7. Attachment privileges on poles not owned by the Company will be the responsibility of the City.
8. The price quoted for electric energy applies to untransformed service supplied from overhead circuits and delivered to the pole location as indicated above. If the energy is supplied from underground circuits an additional charge for underground facilities will be made as indicated below.
9. All ornamental poles, used exclusively for street lighting purposes, and all brackets, fixtures and appurtenances are to be furnished and installed, operated and maintained by the City.
10. The energy to be supplied by the Company is unmetered. Therefore

the City shall supply to the Company, periodically, certified tests made by the Electrical Testing Laboratories, Inc., of New York, or a similar accredited organization, on all sizes and types of lamps used by the City for street lighting purposes.

11. Reciprocal liability protection between the Contractors shall be in an adequate amount, such as a minimum of \$100,000.

Based on the above conditions, the following charges shall apply:

1. For 7.5 ampere untransformed energy delivered from series circuits -----2.5c per kilowatt hour
2. For each insulating transformer required -----\$4.92 per year
3. For each 10 ft. or fraction thereof of overhead circuit in addition to the first 400 ft. per lamp -----18c per year
4. For service delivered from the underground supply lines:
Duct or conduit, per foot-----
-----12c per year
Lead-covered cable, per foot---
-----3.6c per year
Parkway-type cable, per foot--
-----9.6c per year
Junction box, standard type---
Installed subsequent to September 1, 1937-----\$5.40 per year
For the system as presently constituted, the total annual cost to the City will be as follows:
 1. 17,800,000 Kw Hrs. at 2.5c per Kw Hr. -----\$445,000
 2. Ducts, conduits, cables, junction boxes and extensions of overhead supply lines beyond 400 ft. per lamp ----- 27,000
 3. Insulating transformers--- 14,900Total-----\$486,900

At the present time there are 93 lamps used by the City which operate 24 hours a day and are supplied from the Company's multiple system. These lamps should be billed under Rate E as modified by Rates C, V or W, and on this basis the aggregate annual charge for the 93 multiple lamps

will be -----\$ 3,350
On the basis of the foregoing as-
sumptions the total annual charge
to the City would be-----\$490,250

The charges hereinabove stated are
not now in effect and are subject to
becoming effective in accordance with
the Pennsylvania Public Utility law.

If you desire, we will be very glad
to discuss these proposals further at
your convenience.

Yours very truly,
PRESSLY H. McCANCE,
President.

CC: Mr. James S. Devlin,

Director of Public Works
Pittsburgh, Pennsylvania.

Which was read and referred to the
Committee on Finance.

Mr. Weir moved

That the Minutes of Council
of Monday, July 8, 1946, be approved.

Demmler	Stewart
Duff	Weir
Leonard	Wolk
McArdle	Kilgallen (Pres't)

Absent:— Mr. Gallagher.

PRESENTATIONS

Mr. Weir presented

No. 1118. Communication from Ralph Grattan relative to improvement

of playground in the 1700 block East street.

Which was read and referred to the Committee on Parks, Recreation and Libraries.

REPORTS OF COMMITTEES

Mr. Duff presented

No. 1119. Report of the Committee on Finance for July 18, 1946, transmitting an ordinance to Council.

Which was read, received and filed.

Also

Bill No. 897. An Ordinance entitled, "An Ordinance fixing the interest rate on General Public Improvement Bonds of 1946, Series A; Motorized Equipment Bonds of 1946, Series A; Funding Bonds of 1946, Series A; Callable Sewage Disposal Bonds of 1946; and levying an annual tax to pay the principal and interest on said bonds."

In Finance Committee, July 18, 1946, bill read and amended in Sections 1 and 2, and in the Whereas clauses as shown in red, and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. Duff moved

That the amendments of the Finance Committee be agreed to.

Which motion prevailed.

And the bill, as amended in Committee and agreed to by Council, was read.

Mr. Duff moved

That Rule 8 be suspended, providing for the mailing of printed copies of all ordinances and resolutions

to each member of Council, after the return of such papers from Committee, at least 48 hours previous to their final consideration by Council.

Which motion prevailed.

Mr. Duff moved

Demmler

Duff

Leonard

McArdle

Stewart

Weir

Wolk

Kilgallen (Pres't.)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Stewart (for Mr. Gallagher) presented

No. 1120. Report of the Committee on Public Works for July 18, 1946, transmitting an ordinance to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1088. An Ordinance entitled, "An Ordinance consenting to the establishment of a 'Limited Access Highway' in the City of Pittsburgh by the Secretary of Highways of the Commonwealth of Pennsylvania."

Which was read.

Mr. Stewart moved

That Rule 8 be suspended, providing for the mailing of printed copies of all ordinances and resolutions to each member of Council, after the return of such papers from Committee, at least 48 hours previous to

their final consideration by Council.

Which motion prevailed.

Mr. Stewart moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Leonard arose and said:

Mr. President: On Bill No. 1088, the "Limited Access Highway," there is no way it names the entrances or exits on this bill, and that does not give the State authority to make its exits and entrances without the consent of Council does it.

The Chair said:

That is an accurate statement. Do we agree on that? City Council, on the passage of this bill is not defining the entrances or exits on that "Limited Access Highway."

Mr. Leonard said:

I mean the naming them.

Mr. Demmler arose and said:

I don't see that this agreement does that. That will have to come before Council.

Mr. Leonard said:

I want to be sure we are not giving that authority away, that is all.

The Chair said:

Mr. Leonard wants to make certain that by the passage of this bill today that Council is fixing the limits of the highway. I say Council does not lose that by passing this bill today.

Mr. Leonard said:

I understand there are only two exits or practically only one after you get into the City proper. As I understand, it is going to be somewhere in the neighborhood of Second avenue or Oakland district. I haven't been able to find out. But I do know this that there is going to be quite a protest from East Liberty and the East Liberty Chamber of Commerce if there is not an entrance or exit in the neighborhood of East Liberty district. There is quite a controversy in the East Liberty district about it. In

fact, I understand there is a petition being sent to the Governor asking that information be supplied to the East Liberty Chamber of Commerce where the businessmen and citizens of East Liberty are going to be relative to the "Limited Access Highway."

(The Chair read the ordinance).

Mr. Leonard said:

Your opinion, then, is it has nothing to do with the entrances and exits. I don't know—there are a couple of things in there that it might give them that right without coming back to consult us.

Mr. Demmler said:

Personally, I believe there is no question but there will be only two entrances or exits to this highway; approximately one at Murray avenue and the other one somewhere in the neighborhood of Bates street. I don't think there is any intention on the part of the State of making more than two entrances. I think, if that is what Mr. Leonard has in mind, it is fairly positive. If you add any more entrances to it, it will not be a limited highway.

Mr. Leonard said:

I agree with Mr. Demmler, it is a "Limited Access Highway" but there are 250,000 people interested in the East Liberty district. No matter what happens there is criticism from selfish interests, but the people of East Liberty, if this controversy comes up, and the Lord know they don't want to take all the traffic out of East Liberty, and they come back and say Council was asleep and didn't give them consideration on this. We don't want to give all our rights away. And don't forget, the City is paying more than a million dollars in property damages and East Liberty will pay its share. I would like to say a lot about it, but like the rest of you, I am not going to say anything to hinder a new highway coming into Pittsburgh.

Mr. Stewart arose and said:

Mr. President: This bill is not a condemnation bill. This bill does not in any way exercise the right of Eminent Domain so as to lay out a highway. There are two ways that

can be done, either by the State exercising its rights, and the Attorney General has held that the State is not now authorized by the present legislation. The other move would be by this Council exercising the power of Eminent Domain of the City of Pittsburgh in some later ordinance.

Mr. Duff arose and said:

Mr. President: I think if consent is given as this bill contemplates, the City will have no control to state where the entrances and exits to the highway will be constructed. That will be entirely up to the State Highways Department, and having given our consent to the "Limited Access Highway" we have no means of compelling that Department to make such exits as we may deem advisable.

The Chair said:

I am glad you make that statement, Mr. Duff. It is at some variance with my thought. I look on this as establishing in general language the erection of a highway and I don't think it would stop us from later discussing the question of exits and entrances to the highway.

The Chair declared a recess of five minutes to await the appearance of Miss Anne X. Alpern, City Solicitor.

The time of the recess having expired, and Miss Alpern having appeared before Council.

The Chair said:

Miss Alpern, Council is now considering Bill No. 1088, File No. 520, the "Limited Access Highway" bill as presented last Monday. Before casting our final vote, the members of Council would like to be informed of the full effect of our decision. If this bill passes and is incorporated into law, will City Council be prevented of any future control of exits and points of entrance on the highway.

Miss Alpern said:

Mr. President: I understand Mr. Duff (Attorney General) has consulted with the State Highway Department and there are no real disputes on matters of that sort. All this ordinance does is to fix the "Limited Access Highway" points.

The Chair said:

Miss Alpern, if this bill is enacted into law, will City Council be prevented of any future voice or vote in the future or final and complete plan.

Miss Alpern said: It will not. This ordinance is for the express purpose of expressing the consent of the City of Pittsburgh for a "Limited Access Highway." This is not a condemnation ordinance and under the agreement that has been prepared the City has a voice in the plans and both the City and the State must pass upon the condemnation ordinances.

And the bill was read a second time and agreed to.

And the bill as read a second time was agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Leonard	Wolk
McArdle	Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. Demmler moved

That Mr. Gallagher be excused for absence from today's meeting of Council.

Which motion prevailed.

And upon motion of Mr. Weir
Council adjourned.

Which was read.

Mr. Duff also presented

No. 1148.

OFFICE OF BUDGET CONTROLLER

July 18, 1946.

Subject: Bill No. 1090—Transfer of \$500.00 in Bureau of Electricity.

To the President and Members of Council.

Gentlemen:

As instructed by the Committee on Finance, I conferred with Mr. Killgallen of the Bureau of Electricity concerning said Bill, and he advised me that it is absolutely necessary for \$300.00 to be transferred into Code Account No. 1475, Materials, Bureau of Electricity, and \$200.00 into Code Account No. 1477, Equipment, Bureau of Electricity, in order to purchase conduit for fire alarm boxes and fittings to bring the wire into fire alarm boxes and fire engine houses. Also so that small tools, such as pliers, wrenches, etc., may be purchased.

He further states that he believes the balance remaining in Code Account No. 1474, Supplies, after the \$500.00 has been transferred therefrom will carry him for the remainder of the year unless there is some extraordinary demand made upon this account as the result of an emergency.

Yours very truly,

C. D. McCarthy,
Budget Controller.

Which was read, received and filed.

MOTIONS AND RESOLUTIONS

Mr. McArdle presented

No. 1177. WHEREAS, it is the

conviction of Council and of the Mayor that the street lighting service which has been provided to the City of Pittsburgh by the Duquesne Light Company under its established rates is both outmoded and expensive; and

WHEREAS, the City has completed plans to improve its street lighting and to reduce the cost thereof by opening to competitive bidding the installation, maintenance and sale to the City over a 10-year period of a new, modern street lighting system; and

WHEREAS, pursuant to said plan, the City duly advertised for bids on three separate 10-year contracts, as follows:

Contract No. 1, for the supply of suitable electric current to energize the new street lighting system, comprising approximately 20,000 street lights;

Contract No. 2, for the installation and sale to the City of such new street lighting system, including fixtures, brackets, ornamental poles and other equipment; and

Contract No. 3, for the maintenance of such street lighting system, including nightly inspection and replacement of lamps; and

WHEREAS, Duquesne Light Company failed and refused to bid on any such contracts, including the contract for electric energy for which it is the sole possible bidder by reason of its monopoly of the light and power business in Pittsburgh; and

WHEREAS, following its refusal to bid on Contract No. 1, Duquesne Light Company offered to provide electric current to energize the new street lighting system but at a grossly excessive rate, a rate exorbitantly higher than that properly chargeable according to the company's own previously published statements; and

WHEREAS, acceptable bids for Contracts Nos. 2 and 3 have been received, but the City is unable to award the contracts because of Duquesne Light Company's refusal to provide electric energy at a reasonable rate; and

WHEREAS, Duquesne Light Company has refused to explain or disclose to the City how the exorbitant rate it

now offers was evolved and has informed Council and the Mayor that it will do so only if compelled at a rate hearing before the Pennsylvania Public Utility Commission; Now, Therefore, be it

RESOLVED, That the City Solicitor be and she is hereby authorized and directed to file a complaint with the Pennsylvania Public Utility Commission against the present excessive street lighting rates of the Duquesne Light Company, and to request the Commission to determine and require the company to file a reasonable rate for furnishing suitable electric current to energize the City's new street lighting system; and be it further

RESOLVED, That the Pennsylvania Public Utility Commission be requested to aid and assist the City in the preparation and presentation of engineering and other technical evidence in support of its complaint through the Commission's permanent staff of engineers, accountants, analysts, rate specialists and other public utility experts; and be it further

RESOLVED, That a copy of this Resolution be forwarded to the Chairman and Members of the Pennsylvania Public Utility Commission, with the request that the Commission advise the Mayor whether it will lend the assistance of its technical staff in aid of the City's complaint.

Which was read.

Mr. McArdle moved

The adoption of the resolution.
Which motion prevailed.

Mr. Duff moved

That Mr. Gallagher and Mr. Weir be excused for absence from today's meeting of Council.

Which motion prevailed.

Mr. Wolk moved

That the Minutes of Council for Thursday, July 18, and Monday, July 22, 1946, be approved.

Which motion prevailed.

And upon motion of Mr. Wolk

Council adjourned.

ONE HUNDRED-FOURTH COUNCIL

THOMAS E. KILGALLEN.....President

JAMES W. PATTERSON.....City Clerk

GEORGE BOXHEIMER Ass't City Clerk

Pittsburgh, Pa.,

Thursday, September 5, 1946.

Council met pursuant to the following call:

Pittsburgh, Pa., September 4, 1946.

James W. Patterson,

Clerk of Council.

Dear Sir:—

Please call a special meeting of Council for Thursday, September 5, 1946, at 2:00 o'clock P. M., for the consideration of such business as may come before the meeting.

Sincerely yours,

Thomas E. Kilgallen,

President of Council.

Which was read, received and filed.

Present:—Messrs.

Demmler

Duff

Leonard

McArdle

Stewart

Weir

Kilgallen, (Pres't)

Absent:—Messrs.

Gallagher

Wolk

The Chair:

This is a special meeting of City Council. It has been called because of the circumstances surrounding a labor-management dispute between the Duquesne Light Company and its affiliates and their employees. If the threatened stoppage of electrical energy actually occurs, an immediate emergency will exist and City Council must be in a position to instantly sanction any helpful action by City officials. At the moment there is nothing before Council except the routine presentation of papers, which will be considered by the various Committees next Tuesday.

PRESENTATIONS

Mr. Duff presented

Which were severally read and re-

ferred to the Committee on Finance.

Mr. Leonard:

Out on Pershing and Dersam streets in the 13th Ward we have a problem with which we have been confronted for six years. We wanted to get the streets repaired. It is the dividing line between the City of Pittsburgh and Penn Township. We have had a meeting with the Township officials to try to have something done about it but were not successful. This morning I was informed that Penn Township has started to repair their part of the street and I would like to have the attention of the Department of Public Works called to this matter and have the Department send someone out to this location as soon as possible to investigate and see if the City will not do something with its part of the streets while the Township forces are there.

REPORTS OF COMMITTEES

Mr. Duff presented

No. 1344. Report of the Committee on Finance for August 27, 1946, transmitting sundry ordinances and resolutions to Council.

Which was read, received and filed.

Also

Bill No. 1246. An Ordinance entitled, "An Ordinance transferring \$49,300.00 to Code Account Nos. 1362, 1362-1, 1362-2, 1363, 1364, 1368 and 1370, Department of Lands and Buildings, from Code Account No.-----"

In Finance Committee, August 27, 1946, bill read and amended in Section 1 by inserting as shown in red, and in the title by inserting in blank space the words, "1461-A-1, Salaries, Regular Employees, Bureau of Fire," and as amended ordered returned to Council with an affirmative recommendation.

Which was read.

Mr. Duff moved

That the amendments of the Finance Committee be agreed to.

Which motion prevailed.

And the bill, as amended in Committee and agreed to by Council, was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Duff:

Mr. President: I do not know whether an emergency has been de-

clared in the way of initial appropriation, and under the circumstances, I am not prepared to vote on the bill to transfer this large amount from a salary account unless I know we are sure we have the power to restore it.

Mr. Weir:

Mr. President: I don't know whether it was at the meeting last Monday, but I am certain there was a letter read from the Controller that an emergency was not necessary.

Mr. Duff:

Mr. President: Is there enough in Code Account 1461-A-1 to pay salaries for the rest of the year? If there is not, I am not voting on this bill. We are raising a very important question.

The Chair said:

Bill No. 1246, which is an ordinance transferring the sum of \$49,300.00 from one Code Account to another, and this sentence appears in the bill: "The funds hereby transferred will be restored to Code Account No. 1461-A-1, Salaries, Regular Employees, Bureau of Fire, by December 1, 1946."

Mr. Duff:

Mr. President: Does that depend on the declaration of emergency? I think we are counting on something under which we have no control. Under the legislation, this bill, it strikes me as being very unwise because it would be transferring from the Bureau of Fire and would cut down that appropriation, and by our own act we are making it possible to declare an emergency hereafter.

The Chair:

Can the Chair suggest that we hold this bill here in Council and not give it final passage today?

Mr. Duff moved

That the bill be laid on the table.

Which motion prevailed.

Also, with an affirmative recommendation,

Bill No. 1266. An Ordinance entitled, "An Ordinance providing for the letting of a contract for the furnishing and delivery of One (1) Automobile for the Department of City Controller, and for the payment thereof."

Which was read.

Also

Bill No. 1267. An Ordinance entitled, "An Ordinance providing for the letting of a contract for the furnishing and delivery of One (1) Calculator for the Department of City Controller, and for the payment thereof."

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bills.

Which motion prevailed.

And the bills were read a second time and agreed to.

And the bills were read a third time and agreed to.

And the titles of the bills were read and agreed to.

And on the question, "Shall the bills pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Duff	Stewart
Gallagher	Weir
Leonard	Wolk
McArdle	Kilgallen, (Pres't)

Ayes 8. Noes none.

And a majority of the votes of Council being in the affirmative, the bills passed finally.

Also

Bill No. 1265. An Ordinance entitled, "An Ordinance authorizing the issuance of a warrant in favor of John F. Casey Company in the sum of \$10,725.00, in payment for the rehabilitation of the furnace walls of Boiler No. 2 at Ross Pumping Station, in the Department of Public Works, for the benefit of the City without previous authority of law."

Which was read.

Also

MOTIONS AND RESOLUTIONS

Mr. Leonard:

Mr. President: As I reported to you last week, the Operative Plasterers and Cement Finishers International Association is convening in the City of Pittsburgh this week, with delegates from throughout the United States, and at the request of the International Executive Board, I was asked, as a member to present to each member of City Council one of these badges. I want to call your attention to the badge. It has the seal of the State of Pennsylvania in the shape of a keystone, and in the center you will note there is the seal of the City of Pittsburgh as well as symbols of the steel mills, glass furnaces, coal tipples, factories, railroads and rivers—all on this badge. So, I am going to turn them over to you, Mr. President, to give to the members of City Council.

The Chair:

I was present when Mr. Leonard presided at the opening of the Convention which he mentioned, and gentlemen, he did very well, and how else could he have done it under the

training he receives in this City Council. Thank you very much, and thank the delegates and officers for their courtesy.

Mr. Gallagher:

Mr. President: I think it would be in order and I am going to assume the prerogative to extend to the officers and members of the Operative Plasterers and Cement Finishers International Association, now convening in Pittsburgh the hearty welcome of the members of City Council, and thank them for the badges presented here this afternoon. We wish them a very successful convention and hope that through their deliberations the members of their organization will derive many more benefits. It is our fervent hope that the Duquesne Light Company employees have sense enough not to paralyze the City tonight and cause your convention many inconveniences, and also disrupt our active life and cause possible death.

Mr. Leonard:

May I add to the remarks, we wish them luck and hope that the Mayor will be able to drum into the thick heads of leaders on both sides—management and labor—that they should not jeopardize this City, and in supporting this position, I want to state that like all honest men, we want to do our work in the light, not in the dark.

The Chair:

The City Clerk is directed to submit a purport to Mr. Gallagher's remarks.

The City Council is to be available while this emergency exists. We can recess from day to day, which I think is rather awkward, or we can declare ourselves at ease.

Mr. Weir moved

That the Minutes of Council of Monday, August 26, 1946, be approved.

Which motion prevailed.

Mr. Weir moved

That City Council be now at ease.

Which motion prevailed.

And

Council is now at ease.

Pittsburgh, Pa.,

Tuesday, September 10, 1946.

The Chair::

Council will be in order, A quorum appears to be present. The Clerk will call the roll.

The Chair:

What is the pleasure of Council?

Mr. Duff presented

Bill No. 1349.

WHEREAS, The City of Pittsburgh has been saved from the tragedy of a threatened power strike very largely through the untiring efforts and able leadership of the Chief Executive of the City; and

WHEREAS, This strike, if it had occurred, would have inflicted untold hardship and suffering upon our citizens; Now, Therefore, be it

RESOLVED, That the Council of the City of Pittsburgh extends, upon behalf of the people of the City, to the Mayor, Honorable David L. Lawrence, most sincere thanks and deep appreciation; and be it further

RESOLVED, That a copy of this resolution be immediately transmitted to the Honorable David L. Lawrence, Mayor.

Which was read.

Mr. Duff:

Mr. President, I move the adoption of the resolution.

Mr. Gallagher:

Mr. President, I second the motion.

And the motion prevailed.

Also

No. 1378. An Ordinance transferring \$432.00 to Code Account 1644, Bureau Tractor Operators, Wages Tem-

porary Employees, July to September, from Code Account 1620, Cleaning Highways, Salaries, Temporary Employees, both within the Bureau of Highways and Sewers, Department of Public Works.

Also

No. 1379. An Ordinance amending a portion of Section 74, Bureau of Water, D. P. W., of Ordinance No. 494, approved December 31, 1945, entitled, "An Ordinance fixing the number of officers and employees of all departments of the City of Pittsburgh, and the rate of compensation thereof."

Which were severally read and referred to the Committee on Finance.

The Chair:

I have been asked to sign a letter which will allow the City Controller to pay four Temporary Watchmen. It appears that our Salary Ordinance inadvertently is erroneous. The time set up for these four Temporary

Watchmen is fixed at 48 days, where it should be 480 days. If I can assure the City Controller that we will pass this ordinance next Monday, then he will pay them today. I presented the correcting ordinance, and I will sign the letter. Do you all understand it?

The Chair also presented

No. 1380. An Ordinance fixing the width and position of sidewalks and roadway and establishing the grade of Kuhn street from Norton street to Dilworth street.

Which was read and referred to the Committee on Public Service and Surveys.

Mr. Weir moved

That the Minutes of Council of Thursday, September 5, and Monday, September 9, 1946, be approved.

Which motion prevailed.

And upon motion of Mr. Weir

Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. McArdle presented

No. 1406. Communication from Leonard A. Mazer, Esq., calling attention to police protection in the Highland Park district.

Which was read and referred to the Committee on Public Safety.

Mr. Demmler said

Mr. President:—Pittsburgh wants and needs building improvements. In "The Pittsburgh Realtor," the publication of the Pittsburgh Real Estate Board, for August 3, 1946, there was printed the statement by Herbert U. Nelson, National Association of Real Estate Boards to the Banking and Currency Committee, House of Representatives, July 29, 1946. In this statement Mr. Nelson, who is Executive Vice President of the National Association of Real Estate Boards, is quoted as saying:

"The cities now have ordinances which if enforced could clear every slum in America. These local laws that require demolition of unsafe and unsanitary buildings cannot be enforced under present conditions. However, cities could insist on compliance if this new plan of tax allowance for old improvement were available."

In the September issue of "The American City" there is printed an article entitled, "Tax Incentive for Rebuilding Blighted Areas—A New Proposal Discussed." This article refers to the statement made by Mr. Nelson and reads as follows:

"Any owner who tears down an old structure and puts up a new one would be allowed to deduct the value of the old building from that of the new for local tax purposes under a proposal advanced on July 29 by Herbert U. Nelson, Executive Vice President of the National Association of Real Estate Boards.

"This deduction would hold until the value of the old improvements had been wiped out. This is a write-off system that compares with that which the Federal Government used on war buildings for war industries, Mr. Nelson explained.

"Practically, the plan would work this way: If an owner had an old building, at present assessed for \$5,000 on the local tax books, and built a new structure worth \$10,000, he would be assessed for only \$5,000 on the new building for a period of years sufficient to wipe out the \$5,000 value of the old one. This plan would apply to all kinds of buildings and not just to housing.

It would permit rebuilding of every type in accordance with city plans and current needs. Much slum land, for instance, should now be rebuilt, not for housing but for commercial, industrial, or other uses.

"As far as owners are concerned," said Mr. Nelson, "they will have decided incentive to go ahead with the rebuilding program on the location of old structures which they have, instead of moving to the suburbs. Tax assessments in the close-in areas, where much of the blight exists, are an important consideration in any plan for new construction. Assurance that an owner will not be penalized for putting up a new building by being taxed for its new value and at the same time having to take the loss of discarding the old improvements will permit many of the small owners of slum and blighted property, now caught in a vise between high taxes and high building costs, to move ahead."

Mr. Nelson's proposal is one which will, no doubt, receive consideration by various bodies throughout the country. While his proposal may appear to be new, Pittsburgh's graded tax law has put into operation the principle of the proposal presented by Mr. Nelson. Under the Pittsburgh graded tax law the millage on the improvement assessment is one-half of the millage which is placed upon the land assessment. Mr. Nelson recognizes the fact, and we endorse the same, that if we desire improvements there should be tax relief given on the improvement. Pittsburgh should ask the State Legislature to extend the principle of the graded tax law, and when Pittsburgh and Allegheny County will further apply tax exemption on improvements both Pittsburgh and Allegheny County will continue to progress.

Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That an emergency appropriation in the sum of \$25,000.00, or so much thereof as may be necessary, is hereby made out of Code Account No. -----, for purchase of supplies and for the hiring of temporary personnel to safeguard the lives, health and property of the citizens of the City of Pittsburgh in the event of the shut-off of electric light and power,"

to read,

"Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That an emergency appropriation in the sum of \$25,000.00 or so much thereof as may be necessary, is hereby made out of Code Account No. 42, Contingent Fund, for the purpose of providing funds to meet any and all expenses incurred to safeguard the lives, health and property of the citizens of the City of Pittsburgh by reason of the threat of, or the actual curtailment of, electric light and power."

and by inserting a new Section 2 to read as follows:

"Section 2. The Mayor is hereby authorized to issue and the City Controller to countersign warrants chargeable to this emergency appropriation, including any addi-

tional appropriations which may be made from time to time, for all purchases made by reason of this emergency and the payment of wages for all temporary personnel employed at the prevailing wage rate for the particular class of employment, upon departmental invoices approved by the various Directors of the several Departments of the City of Pittsburgh," and by making the title and the Whereas clause which read as follows:

"AN ORDINANCE making an emergency appropriation of \$25,000.00 for the purpose of providing funds to safeguard the lives, health and property of the citizens of the City of Pittsburgh in the event of the shut-off of electric light and power.

"WHEREAS, The Mayor and City Controller have certified to Council the existence of an emergency requiring special appropriation in the sum of \$25,000.00 or so much thereof as may be necessary for the purchase of supplies and for the hiring of temporary emergency personnel to safeguard the lives, health and property of the citizens of the City of Pittsburgh, Now, therefore," to read:

"AN ORDINANCE making an emergency appropriation of \$25,000.00 for the purpose of providing funds to meet any and all expenses incurred to safeguard the lives, health and property of the citizens of the City of Pittsburgh by reason of the threat of, or the actual curtailment of, electric light and power, and providing the manner for expending the same.

"WHEREAS, the Mayor and City Controller have certified to Council the existence of an emergency requiring special appropriation of funds for the purchase of emergency supplies and for the hiring of temporary personnel to safeguard the lives, health and property of the citizens of the City of Pittsburgh; Now, Therefore,"

Bill No. 1453. Resolution authorizing and directing the Mayor and the Director of the Department of Public Works, on behalf of the City of Pittsburgh, to enter into an agreement with the United States Government granting to the United States Government the right to use and occupy the land area of the Fulton Building, the total encroachment being 162 square feet, while the present building shall continue to stand, waiving all damages by reason of such encroachment in consideration of the promise by the United States Government to relinquish and give up the said encroachment area upon the demolition or destruction of the present building.

Which was read.

Mr. Gallagher moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Wolk
Gallagher	Kilgallen, (Pres't)
Leonard	

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

Mr. Leonard (for Mr. McArdle) presented

No. 1498. Report of the Committee on Lands, Buildings and Housing for October 15, 1946, transmitting two resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation.

Bill No. 1454. Resolution authorizing and directing the Mayor to

execute a deed conveying to Archie Graziano, for the sum of \$225.00, all the right, title and interest of the City to all those certain lots or pieces of ground situate in the 14th Ward, being Lot Nos. 21, 22 and 25 on Fernwald road in the Park Edge Acres Plan.

Which was read.

Mr. Leonard:

On Bill No. 1454, these lots being Nos. 21, 22 and 25 on Fernwald road, as I understand it there are taxes or a mortgage against them that the owner is willing to assume. Is anybody familiar with the amount?

The Chair:

The total assessment of these lots is \$880.00. They front on an unpaved street and have a slope of 35%.

In addition to the amount offered the City, the purchaser will have to settle the following claims:

Pennsylvania Mortgage Company for quit-claim deed.....	\$225.00
U. S. Collector of Internal Revenue	25.00
School and County Taxes, approximately	225.00
Title Insurance	40.00

Total	\$515.00
To the City for its equity.....	225.00

Total cost

	\$740.00
--	----------

Mr. Leonard:

Does that say "lots" or "lot" for the assessed valuation?

The Clerk:

Total assessment of these lots \$880.00.

Mr. Leonard:

I know the Fernwald road property valuation is very high.

The Chair:

It wouldn't do any harm to lay it over.

Mr. Duff moved

That the resolution be laid on the table.

Which motion prevailed.

Also, with an affirmative recommendation,

Bill No. 1455. Resolution au-

thorizing and directing the Law Department to petition the Court for the sale of all those certain lots or pieces of ground situate in the 27th Ward, being lot Nos. 55 and 56 on Hartman street in the Hartman Plan to Frank Praskovich and George Praskovich, for the sum of \$1,050.00.

Which was read.

Mr. Leonard moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Wolk
Gallagher	Kilgallen (Pres't).
Leonard	

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

MOTIONS AND RESOLUTIONS

Mr. Demmler:

Mr. President:—"Housing" is a subject of interest and concern to all communities. I wish to call attention to the article in the October 26th, 1946, issue of Collier's describing the housing problem in Chicago.

From this article I quote, and make comments on the same:

"We broke labor and materials bottlenecks during the war, and in time we'll break them again. Other housing bottlenecks are more stubborn. In Chicago, the story of the housing collapse goes much deeper. It is the story of the failure of city, state and federal officials to the people they represent."

For comment on this paragraph I quote from the real estate page of the Pittsburgh Press for October 20, 1946:

"DISTRICT BUILDERS 'STEADIER' THAN OTHERS IN NATION—NEARLY 500 HOMES STARTED IN AREA

IN EACH OF LAST FIVE MONTHS. Builders in the Pittsburgh area may not realize it, but they are a 'steadier' bunch of workers than other builders in the nation.

"That's what the Bureau of Labor Statistics concluded in a survey of the four-county area surrounding Pittsburgh. It was made to find out how much progress is being made in the housing program.

"COSTS ARE HIGH—Average construction cost of a one-family home is around \$7,500.00. But these costs do not cover land, improvement and equipment costs, the survey stressed." Continuing with the article in Collier's:

"Even obsolete labor practices and the dead hand of the old code alone could not have brought Chicago building to its present standstill. But throw in untouchable land, and you've really got a paralysis."

Comment—Pittsburgh is now preparing a new building code, which code should take care of new improvements in building technique. Untouchable land should not exist in Pittsburgh.

Another excerpt from the Collier's article is:

"Chicago has 16 square miles of idle land (about one-fifth of its entire area) on which homes and apartments could be built. It has 25 square miles of slums which could and must be cleared."

Pittsburgh too has idle lands and slums. This land should be put to use. I have a list of 85 properties on which the City, County and School taxes delinquent, including 1945 taxes, amount to more than \$450,000 at face. Penalties and interest would add at least 25 per cent to this amount or a total of more than \$582,500.00. Sixty-eight of these properties are vacant land assessed at \$430,930. Seventeen of these properties have improvements, a number only with billboards, which improvements are assessed at 61,450 dollars, and the land is assessed at 179,765 dollars. The City should acquire these properties promptly, and see that the same are put to use.

Another paragraph from the Collier's article is:

"Noting that the Metropolitan Life Insurance Company has spent since 1938, \$100,000,000 to house 17,000 families in New York's Bronx, at New Brunswick, N. J., at Bangor, Me., and at Elkhart, Ind., Chicago's city council sent emissaries to Metropolitan Life to find out why the company shunned Chicago. The answer, they found, was another barrier to building in Chicago—the Illinois state constitution. While New York and other cities could offer tax concessions which would make such construction attractive, Chicago could not. The Illinois constitution bars it."

Comment: The Constitution of Pennsylvania does not prevent this. The extension of the Pittsburgh Graded Tax Law would offer an inducement for the improvement of property and the erection of new buildings.

The article in Collier's goes on further to say:

"The housing situation here is perplexing,' Mayor Edward J. Kelly told me, 'that the community simply can't handle it alone, and wholesale federal help will be necessary.'"

Comment: Every community should be, and I believe is able to handle its own housing problem.

In today's issue of the Pittsburgh Post-Gazette there is an interesting item regarding the plans of the Westinghouse Electric Corporation. From this item I read:

WESTINGHOUSE ACTS TO COMBAT RISING COST OF UNIT OUTPUT

A streamlining decentralization of manufacture to combat rising unit costs is being planned by Westinghouse Electric Corporation as T. I. Phillips, vice president in charge of the East Pittsburgh works, announced that his branch has topped all peacetime dollar volume of shipments.

Mr. Phillips termed the new production methods as "the opening of a new manufacturing era for the company."

"Already," said Mr. Phillips, "we have moved or made plans to move the production of motors and De-Ion breakers to Buffalo and Beaver county respectively.

"This was to make room here for concentration on fewer tasks done bigger and better than possible under the old crowded conditions.

"In this way," explained Mr. Phillips, "we are segregating individual products and at the same time integrating the manufacturing operations within each product area."

Apparently the movement of certain divisions outside of the Pittsburgh area will not detract from the district's producing capacity, but add to it.

The space freed by the relocation of the motor and De-Ion department is being used for expanded production of other equipment.

"All in all, some \$15,000,000 is being spent on such expansion here at East Pittsburgh, Linhart and Trafford," said Mr. Phillips.

Mr. Phillips made public the record-breaking production figures at "Family Day" festivities in which thousands of visitors toured the 244-acre East Pittsburgh plant.

The pre-war one-month peak of shipments was in 1941 when \$12,164,000 worth of equipment was sent out. Shipments for this month are expected to exceed that, however.

During the war, with huge war orders and availability of supplies, the East Pittsburgh works averaged \$21,000,000 worth of products shipped per month during 1944 to establish an all-time high.

Mr. President, Members of Council, Citizens of Pittsburgh and the Pittsburgh District:—From what I can learn, read, hear and see, Pittsburgh and the Pittsburgh District is, and will remain for many years to come, a most important industrial and business district of the United States of America.

Mr. Leonard:

Mr. President:—I read the newspaper articles Mr. Demmler referred to. I talked to Mayor Kelly of Chicago two weeks ago, and I sat in a

number of housing meetings with him and other public officials from various sections of the country. I agree with Mr. Demmler.

As far as Veterans housing is concerned, I think it is a vital issue and one that should receive the serious attention of this Council. There has been a lot of talk about it, but nothing done. What Mr. Demmler says, and what he quotes, is true.

In Allegheny County and this section of the State, we probably enjoy more home construction than any other part of the United States. The Labor Statistics Bureau quotes that and so does the Construction Bureau of the United States. But there is room and plenty of room for expansion.

One of the biggest issues we have to face is this housing problem, and I think this Council should sponsor a bill in the next session of the Legislature to open the way for insurance companies and other investors—and we should invite them—to come here and build, thereby eliminating some of our slum areas.

Everybody is talking about helping the veteran. I tell you, Mr. President and members of Council, I think I know a little bit about this housing situation, whether you get credit for it or not, and I have never heard anybody come out and hit the nail on the head. Everybody talks about buying a house for \$10,000, but when you see homes go up they are \$12,000 and \$15,000.

I will tell you what is wrong: There are too many profits before it gets into the hands of the man buying a home.

In my experience, there are houses being sold for \$14,000 and \$15,000 that are not worth \$8,000. They are taking the life savings of people and putting them into debt, but nobody is doing anything about that. What this Council should do, and election will be over in a couple of weeks, is to go into industry and get people in here and build homes so people can rent them and not buy them.

The majority of veterans are not attempting to buy homes. What they want is to rent homes. That is what

Chicago is trying to do. That is what Mayor Kelly spoke about when he addressed the American Federation of Labor. We are not worrying about homes people can buy—we are worrying about homes people can rent. We should try to get people to invest their money in homes which will rent for \$45.00 or \$50.00 a month.

The Housing Authority returned \$1,000,000 to the Federal Government last year on its housing projects—\$500,000 in taxes and \$500,000 in upkeep and maintenance. That is low-cost housing, and look at the dividends it is paying.

The Legislature of the Commonwealth of Pennsylvania passed a law to encourage insurance companies to invest their money in low-cost houses, but later this act was amended, and this has discouraged these companies from investing their money in low-cost homes in our industrial areas.

We got to face this issue. We have taken pretty good care of the Hill District, parts of the South Side and parts of the North Side, but we haven't done

anything in the Larimer avenue or Lawrenceville districts. And I think it is an issue that should be brought to a head—that the City of Pittsburgh invite insurance companies and large realtors, whether from Pittsburgh or not, to build low-rental houses. Everybody is talking about purchasing a home. That is the problem in this city, state and nation. It is impossible to rent a home; and anybody is foolish who buys a home. I hope, Mr. President, that this Council gives some thought to the question of sponsoring a bill in the next session of the Legislature to encourage insurance companies and others to construct apartments and single dwellings to rent, because this housing shortage is going to be acute for at least ten years.

Mr. Wolk moved

That the Minutes of Council of Monday, October 14, 1946, be approved.

Which motion prevailed.

Upon motion of Mr. Wolk

Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. Leonard:

Mr. President:—I have a delayed paper to present, but before introducing it I would like to call the attention of the members of Council to it. I am introducing it by request from Roland I. Miller, representing the Heinz family and representing certain interests of the Morewood Heights Plan. I want to put into the record that people with best homes admit by letter that they were wrong when they opposed this zoning change. In presenting this bill I want to quote one paragraph for the record:

"In the past certain objections were raised by adjoining owners, including the Heinz family to any change of zone for the reason that conditions not only did not warrant or require apartment dwelling expansion to this area but the type of proposed construction was not particularly suited to the neighborhood. Housing needs have since changed and high class rental units are notably scarce leaving a much overlooked important group of bankers, industrialists, professional and business men and women without any housing outlook except the temporary shelter of hotels."

I just want that for a matter of record and hope that attention will be called to the Planning Commission.

Mr. Leonard presented

No. 1531. Communication from Roland I. Miller, Esq., asking that the property fronting on Beeler street, 14th Ward, owned by Beeler Penton, Inc., and H. Heinz, be changed from a "C" Residence, 35 Foot Height and First Area District, to an "A-B," Residence, 45 Foot Height and Second Area District.

Which was read and referred to the Committee on Public Works.

Mr. Gallagher moved

That the following members be excused for absence from Council and

Committee meetings:

Mr. Duff on October 2, 9, 16 and 28, 1946;

Mr. Demmler on October 2, 9, and 16, 1946;

Mr. Gallagher on October 2, 9 and 16, 1946;

Mr. Leonard on October 2, 7, 8, 9 and 16, 1946;

Mr. McArdle on October 2, 9 and 16, 1946;

Mr. Stewart on October 2, 9 and 16, 1946;

Mr. Weir on October 2, 9, 16, 21 and 22, 1946;

Mr. Wolk on October 2, 9 and 16, 1946;

Mr. Kilgallen (Pres't) on October 2, 9 and 16, 1946.

Which motion prevailed.

Mr. Wolk moved

That the Minutes of Council of Monday, October 21, 1946, be approved.

Which motion prevailed.

And upon motion of Mr. Wolk

Council adjourned.

MOTIONS AND RESOLUTIONS

Mr. Duff presented

No. 1566. WHEREAS, The Mayor and the Council of the City of Pittsburgh is informed through news items in the public press that the Reconstruction Finance Corporation has ordered the closing of its Pittsburgh office on November 15, 1946; and

WHEREAS, The business men of the City have frequent and diversified necessity for doing business with this office; and

WHEREAS, The reported removal of the office to Cleveland, Ohio, will necessitate great inconvenience as well as expensive trips to that City in order to transact business; and

WHEREAS, It is the understanding of the Council that the office operates at a very small cost to the Federal Government; Now, therefore, be it

RESOLVED, That the Mayor and the Council of the City of Pittsburgh protest the closing of the Pittsburgh office and the removal of its func-

tions to Cleveland; And, be it further

RESOLVED, That a copy of this resolution be forwarded to Charles B. Henderson, Chairman of the Board, Reconstruction Finance Corporation, Washington, D. C., and that a copy also be sent to each United States Senator from Pennsylvania and to each member of the House of Representatives from Pittsburgh.

Which was read.

Mr. Duff moved

The adoption of the resolution.
Which motion prevailed.

Mr. Leonard presented

No. 1567. RESOLVED, That the Mayor and the Council of the City of Pittsburgh extend their appreciation to the officers and members of the Bureau of Police, Department of Public Safety, for their untiring services rendered during the emergency caused by the recent power strike, and whose willingness to work far beyond hours of regular duty caused the City to remain orderly and law-abiding during this trying period.

Which was read.

Mr. Leonard moved

The adoption of the resolution.
Which motion prevailed.

Mr. Weir presented

No. 1568. Communication from the Department of Public Works requesting permission to send three members of the staff of the Bureau of Parks and Recreation to the American Institute of Park Executives' convention in St. Louis, beginning November 16, 1946.

Which was read and referred to the Committee on Finance.

Mr. Demmler:

Mr. President:

In the three Pittsburgh papers for October 30, 1946, there appeared articles regarding a report made to the Pittsburgh Chamber of Commerce by the Econometric Institute, Incorporated, of New York. On June 19, 1946, I was given a copy of Volume 2 of this report. I believe that a wrong

impression regarding Pittsburgh has been given by newspaper articles. The article which appeared in the morning newspaper was headlined, "Pittsburgh Losing Industrial Race, Commerce Chamber Survey Shows." People who only read headlines are falsely informed by this headline, because on page 8 of Volume 2, there appears this statement: "The situation is not alarming. In spite of Pittsburgh's probabilities of both relative and absolute decline, it is not a dying city." On page 17, Chapter 10, there is this sentence: "Everybody acquainted with the city's industries knows that Pittsburgh lacks diversification." We recognize this fact and agree with the sentence on page 19: "Among the conditions to be modified are dust and smoke, housing, internal transportation, and certain adjustments in freight rates, taxes, industrial sites, etc."

Efforts are being made to remedy these conditions, and the Chamber of Commerce and the newspapers should give whole-hearted support to these efforts.

The headline of the article in one of the afternoon papers reads: "City Must Act to Insure Future Business and Jobs, Survey Reports." This headline was followed with the sub-heading: "Favorable Location Can Aid Growth, Chamber told." The other afternoon paper carried the headline, "Pittsburgh has bright future, and is not dying. Clinical Survey shows." In addition to this large article, there appeared a shorter article which was headlined, "City Still Grows, But Not Very Fast," and a sub-heading, "It's Only Natural, Institute Reports." These headlines in the afternoon papers give a more reasonable impression regarding Pittsburgh than the one which appeared in the morning paper.

Reading further from the report, on page 95, Chapter 14: "Pittsburgh is as far advanced as it can expect to be unless it makes provision for further advancement. Nearly all of its economical problems stem from the physical. A large portion of this report, therefore, may impress the reader as pessi-

mistic. It should. Pittsburgh dominates the eleven county area and the city is physically sick. There is nothing wrong with it, however, that a good physician cannot cure.

The most important step in this healing process is a determination on the part of the people who live in Pittsburgh and Allegheny County to do something about it."

And on page 100, Chapter 15:

"Municipal finance is most important from the standpoint of its effect upon the people who live and work in the community. By and large, people are as concerned over the use to which tax money is put as they are in the rate of the tax. They are also interested in the size and nature of the debt and the purpose for which the debt was created. In general, Pittsburgh is in excellent shape financially. * * * Pittsburgh has a tax rate which is about average for cities in its population class. It has a debt considerably lower than the average. At the same time the tax base which depends almost entirely (80%) upon real estate as a source of revenue is the highest of 13 comparable cities. Despite this the city is in good financial condition."

And on Page 101, same Chapter:

"One thing the City of Pittsburgh can do to improve its financial position and also the environment as a whole is to make slum ownership unprofitable. This can be done with the present tax law."

And on Page 103 of the same Chapter:

"These sources of revenue are suggested as a means of improving the environment of the community. To simply apply these taxes and relieve the present burden on real estate will accomplish little or nothing. Pittsburgh simply must wash its face and clean up its own backyard. Until it does, it is going to be known as a dirty and undesirable place in which to live and consequently in which to do business."

Most pittsburghers, I believe, have the same confidence in the future of

Pittsburgh as I have. The City and its citizens should most carefully evaluate Pittsburgh's advantages; advantages of location, industry, civic spirit, taxation and enterprise. We should not allow ourselves to be carried away by those who decry the City, wishing to burden it by dubious methods of taxation, such as income or wage tax, sales tax and numerous nuisance taxes.

The Chair:

The remarks of Mr. Demmler will be spread upon the Minutes of Council.

Mr. Wolk moved

No. 1595.

DEPARTMENT OF CITY CONTROLLER

November 9, 1946.

President and Members of Council
City of Pittsburgh
Gentlemen:

Receipt is acknowledged of a letter dated November 6, 1946 from the City Clerk notifying me that the Committee on Finance approved Bill No. 1456, subject to the declaration of an emergency by the Mayor and the City Controller. This bill directs the City Controller to transfer \$8,005.00 from certain salary accounts to the accounts of Wages, Services, Supplies and Repairs, all within the Bureau of Parks and Recreation, Department of Public Works.

On Monday, November 4th an emergency declaration was presented to me

for signature, which had been signed by the Mayor, declaring an emergency requiring a special appropriation in the amount of \$8,005.00. This emergency declaration was in connection with Bill No. 1456. As this bill specifically states it is a transfer from certain Code Accounts to certain other Code Accounts in the same Department, and does not increase the total amount of the appropriation for the year 1946, I could see no necessity for an increase of the yearly appropriation by a special appropriation, and for this reason I refused to enter into this declaration of an emergency.

For your information I have taken the position since the decision commonly referred to as the Scranton Case, was decided by the Supreme Court in March, 1944, that a transfer of funds could be made from one Code Account to another in the same Department, or to another Department, regardless of the original purpose of the appropriation. This position has been concurred in by Mr. John T. Duff, Jr., Chairman of the Finance Committee of Council and also by my Solicitor, John R. Bentley.

For your further information Council has been passing bills transferring funds, including salaries and wages, not only within the same Department but to other Departments ever since the Scranton decision was rendered and no objections have been raised by Council to this procedure.

If this explanation is not satisfactory, I request that you furnish the reason why an emergency declaration is especially necessary in this case.

Very truly yours,

EDWARD R. FREY,
City Controller.

Which was read, and laid on the table.

Mr. Duff moved

That Bill No. 1456 lay on the table.

Which motion prevailed.

Also

Bill No. 1454. Resolution authorizing and directing the Mayor to

execute a deed conveying to Archie Graziano for the sum of \$225.00 all the right, title and interest of the City to all those certain lots or pieces of ground situate in the 14th Ward, being Lot Nos. 21, 22 and 25 on Fernwald road, in the Park Edge Acres Plan.

In Council, October 21, 1946, read and laid over.

Which was read.

Mr. Duff:

Mr. President:—When this bill was in Committee it was affirmatively recommended, and then it was laid on the table in order to get requested information. I went out and visited the premises and find these lots on very steep slopes and could only be valuable for filling purposes. Under the present conditions, I think the price offered is fair and reasonable.

Mr. Leonard:

Mr. President:—I think the bill was held up on my motion and I agree with what Mr. Duff said. I think the bill should be passed.

Mr. Wolk moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Duff	Weir
Leonard	Wolk
McArdle	Gallagher
Stewart	(Pres't Pro tem)

Ayes 7. Noes none.

And a majority of the votes of Council being in the affirmative, the resolution passed finally.

REPORTS OF COMMITTEES

Mr. Duff presented

No. 1596. Report of the Committee on Finance for November 6, 1946, transmitting sundry ordinances and resolutions to Council.

Which was read, received and filed.

Also

No. 1597.

President and Members,
City Council,
Pittsburgh, Pennsylvania.

Gentlemen:—I have the honor of transmitting herewith, for introduction before your honorable body, legislation which has as its object the creation of an Urban Redevelopment Authority for Pittsburgh.

I know that the Council will give it most careful consideration, and I am confident that your verdict will be favorable.

The new authority will be a commission of five citizens, serving without pay. Their task will be one of the most important before us. With proper support from the State and Federal Governments, it should be possible to attack the problem of our blighted residential and business districts, and redevelop them so that they add enduring values to the community.

Every American City of Pittsburgh's age has found that a process of blight has taken place in certain areas. Neighborhoods and business districts deteriorate with time, particularly on the edges of the central business district. The blight spreads and there is a continuous decline in values.

Until recently, this was accepted as a natural and inevitable process. Now we are confident that it can be checked by uniting the power of government and the initiative and planning ability of private enterprise.

That will be the obligation of the Urban Redevelopment Authority.

It will derive its powers from the City Government, working under legislation of the state. It will have the right of eminent domain—the right to condemn property for the public use of redevelopment and eliminating blight, just as we have that right now for highways and water works.

The Authority will consolidate the land in the areas which cry out for redevelopment.

It will then prepare the land for reconstruction, and sell it to private developers such as insurance companies and financial institutions which are looking for safe, conservative investments. They will be the actual developers, in most instances.

The redeveloped areas will pay full taxes. There will be no subsidy after the acquisition of the land.

In all probability, the first project which will be considered by the Urban Redevelopment Authority will be the area on the edges of the Point Park. The Point Park will be sadly limited in its services to the improvement of Pittsburgh unless we can plan for the proper development of its borders, so that a unified business, shops, and perhaps apartment district can be created. This will be a powerful force for the preservation of values in the whole Triangle.

The Point district project will be the first.

But there is no reason why the Redevelopment Authority cannot, in the future, undertake the redevelopment of other city areas, such as the Hill district, the Bluff, the lower Northside, and many other central sections of our city where new housing and restored values are imperative.

If the next Congress enacts legislation similar to the Wagner-Ellender-Taft General Housing Bill, there will be Federal funds made available to aid the Redevelopment Authority program. There is wide national recognition of the problem of blight in cities. Men of all parties have come to realize that the survival of our cities as functioning self-supporting units of government will depend largely on how successful we are in wiping out blight.

The State laws very adequately protect the public interest in the operation of the authority. The City Planning Commission and the City Council will have determining voices in the selection of areas selected for redevelopment. So will the people, through the right of petition.

I will suggest to the Redevelopment Authority that it work in close cooperation with the Pittsburgh Housing Authority. The latter's field is in public low-rent housing, where it meets a level which private enterprise has not reached, but both agencies will be working toward the same goal—the improvement of housing in Pittsburgh and the elimination of blight and sub-standard homes.

The procedure in creating the Redevelopment Authority is provided by Statute. The members will be appointed by the Mayor, as the law provides, and will serve for five-year terms, after the initial serial appointments are completed.

We will be in position to act soon as the Council completes its consideration of the enabling ordinance.

I am thoroughly convinced that the Urban Redevelopment program is essential to the future of Pittsburgh. I am certain that it will succeed, and through it, we will make giant strides in securing the future of our city and its people.

I trust the bill will have your earliest consideration.

Very truly yours,

DAVID L. LAWRENCE,

Mayor.

Which was read, received and filed.

Also

Bill No. 1545. An Ordinance entitled, "An Ordinance declaring the need for the creation of an Urban Redevelopment Authority to function within the territorial limits of the City of Pittsburgh, and creating the same pursuant to authority of the Urban Redevelopment Law, approved May 24, 1945, P. L. 991."

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Leonard:

Mr. President:—The ordinance establishing the Urban Redevelopment Authority before this body for final passage today is the finest piece of legislation to come before us since the creation of the Pittsburgh Public Housing Authority, if not better. I am heartily for it and hope the way will be cleared that work can commence as soon as possible.

On October 21st I spoke in regard to this Council sponsoring a bill in the State Legislature to permit insurance companies to come in and build modern income homes and apartments similar to that created in the State and City of New York. In the Pennsylvania Legislature of the last session this bill was introduced by Representative Lichtenwalter, but amendments were made to the bill that prohibited investments by insurance companies except in re-development areas.

The New York law, in order to meet the emergency of housing shortage, as amended in 1941 and 1946, allows domestic Life Insurance Companies to invest 10% of their admitted assets in housing for low and moderate income families. These Insurance Companies are not limited as they are in Pennsylvania to investing in housing projects in re-development areas. They may build and manage apartments or other dwelling houses, exclusive of hotels, anywhere. The New York Insurance law as amended in 1946 reads as follows:

"To promote and supplement public and private effort, to provide an adequate supply of decent, safe and sanitary dwelling accommodations for persons of low and moderate income and to assist in relieving the housing situation a domestic life insurance company may, whenever it is actually doing the business of life insurance, acquire or construct housing projects, consisting of apartments, tenement or other dwelling homes, exclusive of hotels, and in connection with any such project, may acquire land or any interest therein by purchase, lease or otherwise, or use land ac-

quired pursuant to any other provision of this chapter, and may provide accommodations for retail stores, shops, offices and other community services reasonably incident thereto. Such companies thereafter may own, maintain, manage, collect or receive income from, or sell or convey, any land or interest therein so acquired and any improvements thereon.

"The aggregate book value of the investments of any such company in all such projects and in stock and evidence of indebtedness held—to the extent that such stock and ----- shall not exceed at any time 10% of verbal admitted assets of such company."

Insurance Laws of New York—
("McKinney's Consolidated Laws, Section 84.")

Pennsylvania tried to do the same in the Legislative session of 1945 by a series of companion bills called the Lichtenwalter bills. These bills purported to set up a housing program for Pennsylvania. There were four bills, three bills were passed, but the fourth bill, that is, the bill to allow Insurance Companies to invest in housing, was so drastically amended, that the whole housing program became a nullity awaiting the appropriation of funds by this State or Federal Government to make urban-redevelopment a practical matter.

These so-called Lichtenwalter bills for housing were as follows:

1. State Housing Board Law—enlarging the powers of the State Housing Board. This was passed.
2. The Urban Redevelopment Authorities law allowing municipalities to have redevelopment authorities with the power of eminent domain to clear blighted areas and sell or lease the cleared land for private or public redevelopment. This bill passed.
3. The Municipal Redevelopment Cooperation Law—authorizing local municipalities to cooperate with the urban redevelopment authorities. This bill passed.

4. Life Insurance Investment Law— which would allow life insurance companies to invest in housing anywhere in Pennsylvania to the extent of 10% of their assets. This bill did not pass until it was amended, practically killing its purpose. The bill as passed, only allowed life insurance companies in Pennsylvania to invest 10% of their assets in housing, limited to redevelopment areas only.

Urban redevelopment authorities are obviously good and are necessary to eliminate blighted areas, rebuild cities and keep up the taxable properties within the confines of the City. With property depreciating in the City, and no construction going up within the City limits to any great extent, all the cities of America are faced with inevitable bankruptcy and the inability to carry on as cities, unless redevelopment takes place and blighted areas are wiped out and replaced by new constructions. This is a long-time program. Millions of dollars will have to be spent in acquiring by condemnation or otherwise the old properties to be demolished. Much time will necessarily pass before land can be cleared and made available for new construction.

Re-development alone, therefore, will not meet the present emergency growing out of the shortage of housing. Re-development is good, but it is not enough. Pennsylvania should and must do as much or more for its citizens than New York is doing. New York is stimulating "public and private effort to provide an adequate supply of decent, safe and sanitary dwelling accommodations for persons of low and moderate income," and is effectively doing this by calling upon the Life Insurance Companies which have large sums of money seeking safe investments.

The money which Life Insurance Companies have consists of the premiums of the people. Those premiums should be put to work for the people, and I understand that the insurance companies do want to put them to work for the people by investing in housing to the extent that the law will allow.

As it is now in Pennsylvania, I

understand that these premiums of the people, held by the Life Insurance Companies, are earmarked by the law to a great extent for investment in bonds and mortgages, notably for investment in First Encumbrances Bonds of public utilities, especially railroads and street railways, gas and other public utilities and in public utility bonds issued to retire bond issues.

The regular session of the Pennsylvania Legislature will begin January, 1947; a few months hence. Prompt passage of an adequate law to permit life insurance companies to invest in housing in Pennsylvania will be a big help towards a solution of the housing shortage. They should be permitted to build housing accommodations now anywhere suitable in the City of Pittsburgh for families of low and moderate income.

I suggest that City Council appoint a special committee for the purpose of conferring with representatives of the Life Insurance Companies with the view of having this City Council recommend to the Legislature the passage of enabling laws to permit Life Insurance Companies to invest in, build, manage and operate dwelling houses and apartments for families of low and moderate incomes.

I cited in my remarks of October 21st that the election would be over, and maybe all parties concerned could get together on a bill similar to the New York Housing bill. The reason I bring this up is because there is such an acute, critical housing shortage within the City of Pittsburgh. The families that are in need of rental homes are not in a position to buy homes. The man with a family earning forty-five or fifty dollars a week is probably operating today on a sixty-nine cent dollar as of 1941. How can he purchase a home with a mortgage in excess of four thousand dollars? In 1941 the F. H. A. stated that a man earning forty dollars a week cannot afford over a four thousand dollar mortgage. Then, how can a man purchase a home at all on a dollar being only a 69-cent value as of 1941? So he might as well forget about the pur-

chase of a home.

That brings us back to the same place where we started. There is only one answer. That is for the City of Pittsburgh to try to use its influence along with business and the citizens of the City of Pittsburgh to have passed in the State Legislature a bill to let Insurance Companies come in and build apartments and homes over a long period of investment to rent in the neighborhood of fifty dollars per month.

We have in the City of Pittsburgh property that is available and I think these companies would be glad to invest in it. One in particular is our Leech Farm and Hartman properties which are lying idle year after year. As good as the redevelopment authority will be it will still take something like the Wagner-Ellender-Taft bill to make it workable in order to receive subsidies; and I state again the best piece of legislation to help alleviate run-down districts of Pittsburgh is this bill, but it will take time and it will take a large expenditure of money; some by the City, and in all probability we will need as much Federal aid as possible, along with the Urban Redevelopment Authority selling its own bonds.

So, you see, the quickest way, as I can see it, is to sponsor a bill in the Legislature to allow Insurance Companies to immediately invest in apartment buildings and houses for the fifty dollar a week man to rent. Everybody knows this condition.

Under the Veterans' Housing program, the administration of the City of Pittsburgh did practically everything it could do for veterans to make temporary homes available to them. According to the census of the City of Pittsburgh, we are entitled to 750 temporary units from the Federal Government, along with City aid, and this was done as soon as possible, and the majority of the temporary homes are occupied and the others are nearing completion and will be accupied shortly.

But the State Legislature must come to the rescue of Pittsburgh in particu-

lar during this critical shortage of homes, which may last for ten years. In return that in itself will lend great aid to new industry and permanent industry expanding to create employment for masses of people in this community.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Subject: Bill No. 1541, "An Ordinance transferring \$1,000.00 to Code Account No. 1655-5, Materials, from Code Account 1655-6 and 1655-7, Bureau of Highways and Sewers."
Gentlemen;

Because of the unusually dry Fall season and because of the mild weather, the Asphalt Plant continued the manufacture of hot asphalt and exhausted its normal supply of asphalt cement. Therefore, the amount necessary to cover the coils in the outside underground tanks was nearly exhausted and since it is necessary to keep these coils covered during freezing weather, they have ordered an additional car of asphalt cement to replenish this supply to keep the coils safely covered. This will exhaust the funds in Code Account No. 1655-5. The additional \$1,000.00 will be needed to pay for coal tar necessary to manufacture winter type asphalt.

Unless this money is furnished the Asphalt Plant will not have sufficient material to work the men during the remainder of the year. It is therefore recommended that the funds be made available as provided in subject bill.

Respectfully yours,

CHARLES D. MCCARTHY,

Budget Controller.

Subject: Bill No. 1542, "An Ordinance transferring \$600.00 within the code accounts of the Bureau of Highways and Sewers," was affirmed subject to report from the Budget Controller.

Gentlemen:

This money is needed in Code Account No. 1641, Materials, Cleaning and Repairing Sewers and Sewer Drops, to pay for approximately \$200.00 worth of sewer pipe received from Houston, Starr Company and used for sewer repair at Heths Run, Baum Blvd., and Forward avenue. The balance of \$400.00 is needed to purchase terra cotta, concrete pipe and other supplies in connection with the repair and maintenance of sewers for the remainder of the year. It is therefore recommended that the funds be made available as provided in subject bill.

Which was read.

Mr. Leonard moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Demmler:

Mr. President:—It is with a great deal of interest that I vote on Bill No. 1576, File No. 756, which is an ordinance for a contract for the production of a traffic safety educational sound motion picture. At the meeting of Third Class Cities in September, at the meeting of the National Conference on Municipal Government last week in Philadelphia, and the State and Municipal Finance Officers meeting at State College last Friday and Saturday, at all three meetings at different times attention was called to the fact that municipalities have failed to call attention of the public to municipal problems by the use of educational sound motion pictures. And for that reason it is with pleasure that I vote for this bill.

And the bill as read a second time was agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

And a majority of the votes of Council being in the affirmative, the bill passed finally.

Mr. McArdle presented

No. 1627. Report of the Committee on Lands, Buildings and Housing for November 13, 1946, transmitting sundry resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation.

Bill No. 1577. Resolution authorizing and directing the Mayor and the Director of the Department of Lands and Buildings, on behalf of the City, to lease Lot No. 43 in the Ingram Place Plan from Theresa M. Fournier at a yearly rental of \$100.00, and Lots Nos. 44 and 45 in the Ingram Place Plan from Sylvester J. Baker and Gertrude W. Baker, his wife, at a yearly rental of \$200.00; said leases to be for a period of three years with the option of renewal by the City for three additional one-year periods, and to provide for the payment by the City of all real estate taxes accruing during the terms of occupancy under these leases.

Which was read.

Also

Bill No. 1578. Resolution authorizing and directing the Law Department to petition the Court for the sale to Paul K. Fricker and Florence R. Fricker, his wife, all those certain lots or pieces of ground situate in the 28th Ward, being Lot No. 273 and part of Lot No. 274 on Straka street in the Ideal No. 1 Plan for the sum of \$500.00.

Which was read.

Also

Bill No. 1579. Resolution authorizing and directing the Law Department to petition the Court for the sale to Martin Kiggins and Marie H. Kiggins, his wife, all those certain lots or pieces of ground situate in the 28th

Ward, being Lots Nos. 98, 99 and 100 on Dale street in the Westwood Plan for the sum of \$600.00.

Which was read.

Also

Bill No. 1580. Resolution authorizing and directing the Law Department to petition the Court for the sale to Fred Graeber and Anna Graeber, his wife, all those certain lots or pieces of ground situate in the 28th Ward, being Lots Nos. 866, 868 and 869 on Warriors road in the Westwood Plan for the sum of \$450.00.

Which was read.

Mr. McArdle moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

third times, and upon final passage the ayes and noes were taken agreeably to law, and being taken were:

Ayes:—Messrs

Demmler

Duff

Gallagher

Leonard

McArdle

Stewart

Weir

Wolk

Kilgallen (Pres't)

Ayes 9. Noes none.

And a majority of the votes of Council being in the affirmative, the resolutions passed finally.

MOTIONS AND RESOLUTIONS

Mr. Weir moved

That the Minutes of Council of Tuesday, November 12, 1946, be approved.

Which motion prevailed.

MOTIONS AND RESOLUTIONS

Mr. Stewart moved

That the following members be excused for absence from Council and Committee meetings:

Mr. Demmler on November 12, 1946;

Mr. Duff on November 6, 1946;

Mr. Kilgallen on November 12, 1946.

Which motion prevailed.

Mr. Demmler:

Mr. President:—I wish to call the attention of the members of Council, as well as the citizens of Pittsburgh, to the article which appeared on page 4 of the first section of the Pittsburgh Press of yesterday. This article was entitled, "Bond Payments Due Next Year Trouble City." The first paragraph reads: "City Council is facing bonded

debt payments next year of close to six million dollars." The second paragraph is the one to which I wish to call particular attention, because I am afraid the general public will misinterpret it if they do not read beyond this paragraph: "Some of these payments will not be met when they fall due, it is generally agreed at City Hall." That statement is entirely incorrect. The City has never failed to meet its payments and it is not the intention of this Council to fail to meet its obligations next year.

Mr. Weir moved

That the Minutes of Council of Monday, November 18, 1946, be approved.

Which motion prevailed.

Miss Millicent Leech, Teacher, and the students of the Senior Class on American Government of Westinghouse High School, were present.

Mr. Kilgallen (President) explained the procedure of Council and introduced to the group the other members of Council.

Mr. Stewart explained the procedure of the bills from their introduction into Council, through Committee and final passage and becoming law after signature by the Mayor.

Upon motion of Mr. Weir.

Council adjourned.

OFFICE OF THE MAYOR

December 2, 1946.

President and Members of Council
Council Chamber
City of Pittsburgh

Gentlemen:

I transmit, herewith, a draft of a proposed ordinance which I request be introduced before your Honorable Body and duly considered.

Its purpose is to create as a functioning department of City Government a Division of Civic Unity which will assist us in preserving our present status as a City of good neighbors. I do not have to tell the Council how important it is that we preserve here among us, at home, the spirit as well as the letter of the Four Freedoms. We can all be proud of Pittsburgh's record of racial and religious tolerance. It is one of our sources of inspiration for building a greater City here.

I am convinced that the creation of a Citizens' Civic Unity Council, organized as a part of City's Government, will be an effective force in maintaining and improving our ability to live together in confidence and understanding.

I hope that the proposed bill will have your support and favorable action.

Very truly yours,

DAVID L. LAWRENCE,
Mayor

Also

No. 1671. An Ordinance creating the Division of Civic Unity in the Office of the Mayor, providing for a Civic Unity Council and prescribing the duties thereof.

Also

No. 1672. Resolution authorizing the issuing of a warrant in favor of Harry J. and Katherine M. Seemen in the sum of \$14.18, being rebate on water assessment erroneously paid to the former owner of property situate at 2610 Quarry way, and charging same to Code Account No. 41, Refunds, Taxes and Water Rents.

Also

No. 1673. Communication from the Board of Water Assessors submitting case of Holland N. James, a meter reader, who lost time on account of sickness, amounting to \$16.45.

Also

No. 1674. Communication from Col. Charles Young, Chapter No. 69, Disabled American Veterans, asking for an appropriation of \$150.00 for Memorial Day and Armistice Day expenses for the year 1947.

Which were severally read and referred to the Committee on Finance.

Also

No. 1675. Communication from the West End Board of Trade attaching copy of resolution adopted by the Board of Trade in regard to the improvement of a portion of Steuben street.

Which was read and referred to the Committee on Public Works.

Also

No. 1676. Petition of Schenley Park Golf Association asking that the Schenley Park Golf Course be kept open for play all Winter.

Which was read and referred to the Committee on Parks, Recreation and Libraries.

Also

No. 1677. Communication from the Catholic Daughters of America, Court Carnegie No. 1030, protesting the establishment of a city dump on the

old Bell Farm property in the 28th Ward.

Which was read, received and filed.

UNFINISHED BUSINESS

The Chair took up

Bill No. 1456. An Ordinance entitled, "An Ordinance transferring \$8,005.00 to C. A. 1799, Miscellaneous Services; C. A. 1800, Supplies; C. A. 1802, Repairs; and C. A. 1861, Wages, Temporary Employees, Highland Park Zoo; from C. A. 1807, Salaries, Park Patrolmen; C. A. 1808, Salaries, Regular Employees, Operation and Maintenance of Parks; C. A. 1811, Salaries, Regular Employees, Park Conservatories; and C. A. 1883, Salaries, Regular Employees, Division of Forestry; all within the Bureau of Parks and Recreation, Department of Public Works, and \$500.00 from C. A. 1048, Miscellaneous Services, to C. A. 1049, Materials, both within the Department of City Controller."

In Council, November 25, 1946, bill read and laid on the table for one week.

Which was read.

The Chair presented

No. 1678.

DEPARTMENT OF LAW

November 29, 1946.

President and Members of Council.

Re: Bill No. 1456—File No. 734

Transfer of Funds.

Gentlemen:

It is suggested that this Bill be amended before final passage to read as follows:

"An Ordinance transferring \$1,570.00 to C. A. 1799, Miscellaneous Services; C. A. 1800, Supplies; and C. A. 1802, Repairs; from C. A. 1807, Salaries, Park Patrolmen; C. A. 1808, Salaries, Regular Employees, Operation and Maintenance of Parks; C. A. 1811, Salaries, Regular Employees, Park Conservatories; and C. A. 1801, Materials; all within the Bureau of Parks and Recreation, Department of Public Works.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the City Controller

be and he is hereby authorized and directed to transfer the following sums:
From Code Account Nos.

1807, Salaries, Park Patrolmen..\$	178.00
1808, Salaries, Regular Employees, Operation & Maintenance of Parks -----	652.00
1811, Salaries, Regular Employees, Park Conservatories-----	390.00
1801, Materials -----	350.00
	<hr/>
	\$1,570.00

To Code Account Nos.	
1799, Miscellaneous Services....\$	700.00
1800, Supplies -----	570.00
1802, Repairs -----	300.00
	<hr/>
	\$1,570.00

all within the Bureau of Parks and Recreation, D. P. W."

If so amended, this transfer ordinance will not work an increase of wages and will, therefore, be proper for passage without the declaration of an emergency.

Very truly yours,
BENNETT RODGERS,
First Ass't City Solicitor.

Which was read.

Mr. Duff moved

That the Ordinance, Bill No. 1456, be recommitted and the report (Bill No. 1678) be referred to the Committee on Finance.

Which motion prevailed.

REPORTS OF COMMITTEES

Mr. Duff presented

No. 1679. Report of the Committee on Finance for November 26, 1946, transmitting sundry ordinances and resolutions to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1602, An Ordinance entitled, "An Ordinance levying and assessing taxes and water rents for the fiscal year beginning January 1, 1947, and ending December 31, 1947, upon all property subject to taxation within the limits of the City of Pittsburgh."

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time.

Mr. Leonard:

Mr. President:—I understand the Mayor is coming before Council today with his budget and budget message, and as a suggestion, I think this bill should be moved down on the calendar and be the last order of business until after we hear the Mayor's budget message. I don't want to hold up the tax millage but it is a matter of hearing the budget message before we pass upon it.

Mr. Leonard moved

That Bill No. 1602 be held over until after the Mayor delivers the budget message.

Which motion prevailed.

The Chair:

May I suggest that we hold over the entire report of the Committee on Finance.

Mr. Leonard:

That is all right.

The Chair:

The bills from the Committee on Finance will be made the last order of business.

Mr. Demmler:

Mr. President:—There is before us for passage Council Bill No. 1602, File No. 770. When this bill was considered in Finance Committee on Tuesday, November 26th, I spoke on this bill. In the Pittsburgh Press for Wednesday, November 27th, there appeared a news item from which I quote the following:

"The only Councilman who voted against the measure was Walter R. Demmler.

"His pay-as-you-go proposal of higher taxes had no support from other members of Council."

This statement, that I voted against this bill, is not correct, because the Minutes of the Committee meeting show

the following:

"Bill No. 1602. An Ordinance levying and assessing taxes and water rents for the year 1947, etc.

"Which was read and, on motion of Mr. Stewart, returned to Council with an affirmative recommendation.

"Mr. Demmler: In view of the fact that there is no prospect of getting relief from State funds during the year 1947, personally I would be in favor of voting for a greater millage than in 1946. I believe the services which the City renders would justify such an increase."

Enlarging on the remarks I made last Tuesday, I wish to state that fundamentally I am opposed to the issuing of bonds, and believe that I should not burden the future generation to pay for bonds which were issued in the past. Issuing refunding bonds extends the payment of this debt into the future. Increasing the millage on the land assessment two mills and the millage on the improvement assessment one mill would give the City \$1,264,632.00 more income for 1947, at a 92% collection of the tax levied. This additional income and a better collection of the taxes due the City would, in my opinion, avoid the need of issuing refunding bonds and would play the City in a still better financial position in the future.

I am convinced that the City, through its services, creates a rental value of locations which rental would well pay for all the City's expenditures. The home owner's tax burden should be reduced by the City collecting a greater amount of the rental value created by the City. This relief can be given by extending the Pittsburgh Graded Tax Plan.

At present there is agitation for the imposition of a state-wide sales tax, also referred to as "the Retailers Occupation tax" or use tax. This tax, it is suggested, should be used for school purposes, and the school tax on real estate is to be limited or abolished. I believe that every home owner will pay more under a sales tax than he now pays under the present school tax.

The City of Pittsburgh and Allegheny County are anxious to keep old estab-

lished industries and also to attract new industries to this area. I believe that by relieving the tax burden on improvements and by removing the county tax on machinery in the cities, will help this situation.

The City is also anxious to retain the home owners now living within the city and to have new homes erected. The City should sponsor legislation which would induce this new building by reducing the tax on improvements.

Also

Bill No. 1628. An Ordinance entitled, "An Ordinance providing for the letting of a contract for the furnishing and delivery of one Mimeo Machine for the Department of City Controller, and for the payment thereof."

Which was read.

Also

Bill No. 1629. An Ordinance entitled, "An Ordinance transferring the sum of \$1,000.00 from Code Account No. 1048, Miscellaneous Services to Code Account No. 1049, Supplies, \$500, and to Code Account No. 1049-1, Materials, \$500, Department of City Controller."

Which was read.

Also

The Chair:

It is the understanding of the Chair that His Honor, the Mayor of the City, wishes to deliver his budget message in person. What is the pleasure of Council?

Mr. Duff:

Mr. President:—I move you that a Committee of two members of Council be appointed to wait upon His Honor, the Mayor, and inform him that Council is ready to hear such message as he may wish to lay before us.

The Chair:

The question is on the motion of Mr. Duff, all those in favor say Aye; those opposed No. The ayes have it and the motion is adopted, and the Chair appoints as a Committee of Council, Messrs. Duff and Gallagher.

The Committee will withdraw and notify the Mayor as to the action Council has taken.

Pending the return of the Committee, the Council will be at ease.

AFTER THE RETURN OF THE COMMITTEE AND THE MAYOR

The Chair:

The Council will be in order, the Committee is discharged with the thanks of the Chair. The Chair invites His Honor, the Mayor of the City to the rostrum, and presents him to Council.

Mayor Lawrence:

Mr. President and members of Council:—I am probably setting a precedent in appearing here today to personally deliver the annual budget message. First, I want to state that I thank the Council for its cooperation with me during the eleven months that I have been in office, and to state that no other Mayor in the history of the City, at least from the period of the present Charter, has received the cooperation that I have received from Council, and I doubt that, in the history of the City, any Councilmanic body has worked harder than the present body has worked within the past eleven months.

I have the honor to transmit herewith the budget estimates of the various departments of the city government, together with estimates of revenue, for the year of 1947.

The estimates of revenue submitted are those prepared by the City Treasurer.

In the preparation of this budget, I have had the invaluable help and guidance of members of Council, meeting with me and the department heads in informal conferences. The budget has been shaped, therefore, in conformance with the best thinking of all of us.

I am sure, however, that the Council will scrutinize the items carefully, making such changes as seem proper. The taxpayers of the city are entitled to every economy and to every improvement in service which careful study and analysis can develop.

All budgets are, of necessity, enlightened guesswork. No one can foretell the future with absolute accuracy, either as to needs or as to income. We must use our past experience to guide us in our estimates of the future.

The budget estimates for 1947 contain relatively few increases over 1946 appropriations except to provide for in-

creased costs of commodities and for the items which were granted during the year by Council in order to make up deficiencies in the original appropriations.

Among the few additions is the new service contemplated in the \$50,000 item set up for school traffic control. Your Honorable President has made a favorable report to you on the system of auxiliary school traffic guards which is used in Cleveland, Ohio. The Department of Public Safety will, if this appropriation is granted, develop a similar system here. This will increase the traffic protection given our school children, and will free many policemen from school patrol and thus increase our police manpower for the primary duties of the force.

An appropriation of \$12,000 is requested for the personnel and services necessary to make the Civic Unity Council effective.

There is a rectification of salaries for medical and nursing personnel in our city hospitals, which is vital if we are to retain sufficient professional personnel to care for the patients entrusted to our care. An increment system of annual pay increases is provided for hospital nurses.

I have treated the budget estimates for the Office of the City Controller as those of an independent official, and have submitted them to you in the form and in the amount they reached this office.

The city budget for 1947 would present no exceptional difficulties if the national economy were stabilized. Expenditures and income would be in balance, as Council planned them for 1946. The budget estimates as submitted herewith, providing as they do for increased commodity prices, call for expenditures of \$26,799,640 as against revenue estimates of \$26,437,476. The difference of \$362,164 is readily attributable to the increased costs of materials which the city buys.

The lifting of controls and the return to a free market affects the city as it does the homes and businesses within it.

The materials we buy are increasing

in price.

The city's employes do not live in a vacuum. They have the right to expect, just as workers in private industry expect, a wage adjustment which will compensate them, at least in part, for the rising cost of living.

I therefore recommend to Council that it consider a general 10 per cent "cost of living" increase, to be granted all city employes across the board, with the exception of elected officials and department heads.

The 1947 budget with the projected wage increase and higher commodity cost will total about \$28,300,000. It is of interest to look back in the city's history to the years before the war and at the beginning of the depression. In 1931, the budget reached a high point of \$29,068,836, and at that time the cost of living index was at 109.4. Today, the same cost of living index—which is the true guide to the cost of doing business—is at 149. The present cost schedules applied to the 1931 expenditures would produce a budget of about \$39,500,000.

It would be apparent that the city government is operating, subject to human fallibility, at a high level of efficiency and economy. The city's expenditures cannot be drastically reduced without destroying services the people want and the city needs.

Our present problem is to secure the funds we must have to carry on the city's business.

To finance our increased costs for salaries and wages and the higher prices of the materials we must buy, I must reluctantly suggest the refunding of the peoples' bonds maturing in 1947.

This is an expedient which I dislike, and which is acceptable only as the alternate to a tax increase. We have made gratifying reductions in our public debt and in the cost of debt service. I would like to intensify that reduction, which refunding will slow down.

There is no use in sugar-coating the facts.

When we refund our maturing bonds, we are actually borrowing money to meet operating costs.

Our only permanent remedy is at the

State Legislature.

Demands for municipal services increase each year as the standard of living rises. But our city's resources remain severely limited to real estate taxation, based on values which have been declining annually for the past decade.

We operate the city on a financial shoe-string, when we should be able to provide the best in services to all of our people—services in the form of municipal cleanliness, public health improvement, police and fire protection, well-paved streets and well-maintained parks and playgrounds. Among all of our plans for a better city, up toward the top along with smoke control, flood prevention, stream purification, urban redevelopment and parkway construction, we must place the improvement of the city's financial position. The future of Pittsburgh will depend as much upon the little things in municipal life—the detailed, daily services of municipal government—as upon our major improvement program.

It is my hope that the State Legislature will enact legislation which will permit us to make this refunding our last.

We have the right to expect it. As an illustration, this budget as submitted appropriated about \$1,750,000 for the maintenance of streets, sewers and bridges. This does not include bond funds which are applied to this work. Against this expenditure, the city will receive from the State of Pennsylvania, the munificent return from the state's gasoline taxes of \$275,000. This should be compared to the state's own highway system, built, maintained and policed solely from liquid fuels and motor license taxes of the state, and to the second-class townships of the state, which live off the highway funds. Two hundred of these townships levy no local taxes.

I am confident that the Council will gladly share with me the task of impressing our situation upon our elected representatives. I believe that this is everyone's fight, and I hope that all the people of Pittsburgh will get right into it. As the Mayor, I will ask the help of both political parties, of our

business interests, of our labor unions, and of our civic groups. We are one community, and we gain or lose as individuals as our city climbs ahead or slips back.

Our school system is faced with an identical problem. It is my purpose that we work together.

There are three ways in which we can gain state assistance:

The state can return a larger proportion of its revenue to the municipalities where they are produced, or

The state can assume certain functions for which the city is now responsible, or

The state can permit us to exercise home rule in our own tax program.

A program for Pittsburgh must consider all three.

If we succeed as a community, as we must succeed, then this 1947 budget will be the last which we must frame against insufficient revenue resources to operate a modern and progressive city.

The Chair:

Thank you, Mr. Mayor.

MOTIONS AND RESOLUTIONS

Mr. Demmler:

Mr. President:—On last Tuesday, December 3, 1946, I attended the dinner of the Home, Farm and Property Owners' Association of Allegheny County. The speeches at this dinner made me wonder, why I should have any confidence in the future in the City of Pittsburgh and in Allegheny County. Remembering an article I had filed and some letters regarding the same, I took them from my file, and so now

for the record, I make these remarks and references.

On March 15, 1946, I received from the Pittsburgh Chamber of Commerce an article entitled, "Keeping Pittsburgh in Its Place in the Nation," by Jacob Baker, Consultant on Management and Planning, Econometric Institute, New York. From this article I quote:

The introductory paragraph reads:

"It is my purpose here first to deal very briefly with the present status of the Pittsburgh industrial area, then to discuss what may happen and what can be made to happen. The staff of the Econometric Institute has made an exhaustive study, analysis and projection reaching well into the future, as to the past and probable future levels of activity in this area."

Then follows the heading—"Major Economic Facts about Pittsburgh." The sub headings with suggested correctives.

Population

Employment

Production

The Area as an industrial location

Why industries leave Home—

"Industry has left or failed to come to the Pittsburgh Area because of:

1. Lack of room to expand.
2. Floods.
3. Plants are old and remodeling is expensive.
4. Lack of adequate warehousing.
5. Shifting markets.
6. Congestion.
7. Wage rates, which are now determined by the high heavy industry component.
8. Freight rates and switching charges."

Industrial Deficiencies

Labor—Management Relations.

The article then continues—

Setting a top goal

How to lose place

What is the stake

Holding on

Increasing the Share.

How to keep up a Farm

How much is Pittsburgh worth?

What can Pittsburgh afford

The Fundamental Problems of Pittsburgh

Under this topic we find—

1. Putting together raw materials.
2. Insuring all-year operation.
3. Property blight.
4. Man-Made Climate.

"The western Allegheny weather front is both advantageous and disadvantageous to human life and to industrial activity. It provides a degree of humidity which is beneficial in metal and textile working and which is tolerable as to wood-working, leather-working and food processing. The natural fogs and mists that rise on that weather front are exaggerated tremendously by the addition of smoke and dust which generate fog and mist that would not otherwise condense, and which intensify condensation when it begins. The result is fog, dust and smoke and a general atmospheric condition that either is intolerable or creates excessive expense in many manufacturing operations. Wholly apart from this economic cost is the social nuisance that makes Pittsburgh undesirable for human life. Thus, if we are dealing with fundamentals we would say that smoke and dust must be eliminated."

5. Moving around

Fundamental solutions—

1. Water-borne transport.
2. Flood control.
3. Property blight.
4. Smoke and dust control.

"Smoke Control is well under way in Pittsburgh and all that is needed is that it shall be carried forward as already agreed upon—carried forward to completion. Adequate and continuous smoke control of course will eliminate dust that is a part of smoke—unburned carbon and the floating ash freed by incomplete or uneven combustion. The control of dust that originates as dust is something else. No planning has been done and no

calculation of cost has been made. It is probable that in the industrial redevelopment outlined above, there will be removed from Pittsburgh proper some of the blast furnace source of dust. But that will only meet a part of the situation. Competent engineering authority indicates that it is possible to muffle the dust of a blast furnace and procure its precipitation. Expense of doing this would be high. The companies themselves would not be justified in standing the whole expense. Here there will probably have to be a sharing between the public authorities of the area and the blast furnace owners. The values though indirect are such as to justify the initial cost and the carrying charges upon the investment. If the rest of a comprehensive regeneration program is carried forward, dust control probably stands near the bottom of the list as to imperative-ness—but it is imperative enough to justify immediate and full exploration."

5. Traffic Development—

The last paragraph of this article reads:

"If this memorandum suggests solutions, stimulates hope, presents a challenge to the younger men and women of the Pittsburgh area, it will have served its purposes. The equipment is at hand, if the will to use it is to be found."

This article by Mr. Jacob Baker was later followed by a very extensive study and report. Volume 2 which I received on June 19, 1946 contains hundreds of pages of reports and tables. On July 3, 1946 I wrote Mr. Baker a letter in which I commented on the report, making reference to pages 100 and 101 of Vol. 2.

"Page 100: 'In general, Pittsburgh is in excellent shape financially.'

"Page 101: 'Pittsburgh has a tax rate which is about average for cities in its population class. It has a debt considerably lower than the average. At the same time the tax base which depends almost entirely (80%) upon real estate as a source of revenue is the highest of 13 comparable cities. Despite this, the city

is in good financial condition.'

"One thing the City of Pittsburgh can do to improve its financial position and also the environment as a whole is to make slum ownership unprofitable. This can be done with the present tax law."

His reply was—

"In answering your query about what we meant by making slum ownership unprofitable under the present tax law, the analyst that prepared that section and made that statement had in mind just about what the originators of the Pittsburgh tax plan intended. If a graded tax law is extended, that is if there is further relief on improvement, there will be greater stimulation of effective use of the land. The blighted area of Pittsburgh is so extensive that we think reconstruction and redevelopment will have to have special stimulation. A graded land tax alone will not do the job."

My further letter brought this reply—

"There has not been included in our assignment at Pittsburgh the formulation of a plan for redevelopment. The job assigned was fully encompassed in the report which you saw. Consequently, we have not formulated any judgment as to the best method of dealing with the blighted areas of the city.

"The general view of many specialists in that field of city planning and development, including the National Association of Real Estate Boards, is that the capital investment for redevelopment in a large city is so great that additional capital must be found through such means as are provided by the Urban Redevelopment Act of Pennsylvania. Without special study of the situation in Pittsburgh, that seems reasonable to us for that city.

"My letter of July 9th was so brief that I should think it could all be quoted. I don't know the purpose of quoting from it; a single sentence might not describe our view very clearly. If you wish to send the letter itself to the Chamber,

I have no objection at all."

My purpose in making these remarks and references is to show that Pittsburgh is not a dying city and that progress is being made. Regarding "Man-Made Climate" progress is being made through smoke and dust control measures. In regard to City planning and redevelopment, progress is being made, as is shown by the creation of an Urban Redevelopment Authority.

Pittsburgh and Allegheny County can and is going forward.

No. 1759.

CITY OF PITTSBURGH
CERTIFICATION OF EMERGENCY
REQUIRING A SPECIAL
APPROPRIATION

WHEREAS, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, as construed by the Supreme Court of Pennsylvania in the case of *Comings et al. v. City of Scranton*, 348 Pa. 538, provided that all appropriations shall be made annually by general ordinances except in cases of emergency when special appropriations may be made to meet the same, and

WHEREAS, Ordinance No. 493, approved December 31, 1945, appropriated funds for the year 1946 for the payment of wages for temporary employees at the Highland Park Zoo, and

WHEREAS, the Director of the Department of Public Works in a letter dated November 30, 1946, has stated that it was necessary to employ more temporary employees at the Highland Park Zoo than the funds appropriated in the above mentioned Ordinance would permit for the following reasons:

1. The War Time deferment of repairs to the Highland Park Zoo has resulted in increased maintenance requirements.

2. The increased animal population has required the employment of additional laborers as keeper.

3. The greatly increased attendance has required the employment of additional laborers to keep the Zoo property clean and in a healthful condition. and

WHEREAS, The payment of the wages of such additional temporary employees, hired for the reasons aforesaid, has exhausted the funds appropriated for the payment of wages for temporary employees at the Highland Park Zoo, and

WHEREAS, Such exhaustion of appropriated funds, for the reasons aforesaid appear as a good and sufficient

grounds to impel the certification of an emergency under the circumstances, and

WHEREAS, A surplus exists in the funds provided for the payment of salaries and wages of certain other classes of employees in the Department of Public Works,

NOW, THEREFORE, WE, DAVID L. LAWRENCE, Mayor of the City of Pittsburgh, and EDWARD R. FREY, Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the transfer of the sum of \$6,435.00 within the Department of Public Works, and the appropriation of same for the payment of wages of temporary employees as aforesaid.

David L. Lawrence,
Mayor

Edward R. Frey,
Controller

Dated: December 12, 1946.

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Gallagher	Wolk
Leonard	Kilgallen (Pres't.)
McArdle	

Ayes 9. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the bill passed finally.

Also

Bill No. 1694. Resolution authorizing the City Solicitor, City Treasurer and City Controller to accept the sum of \$1,000.00 in full settlement of the subrogation claim filed by the City in the case of George D. Rose vs. Pittsburgh Railways Company, etc., defendant, and City of Pittsburgh, additional defendant, in the Court of Common Pleas of Allegheny County, Pennsylvania, at No. 296, April Term, 1945, and to pay one-half of the record costs upon the satisfaction and discontinuance of the aforesaid suit.

Which was read.

Also

Bill No. 1695. Resolution authorizing and directing the City Solicitor to receive the sum of \$167.22, being the balance of the debt, without interest, in full settlement of the claim of the City against property formerly owned by H. L. Eber, now owned by Louis Engelberg, in the 15th Ward, for the grading and paving of Mirror street, for the reason that overseas service in the United States Navy prevented Louis Engelberg from settling this account at the above figure, under the provision of the 1945 Abatement Act, and to satisfy the lien entered for this claim at M. L. D. No. 618 April Term, upon payment of the costs.

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the resolutions.

Which motion prevailed.

And the rule having been suspended, the resolutions were read a second and third times, and upon final passage the ayes and noes were taken, and being taken were:

Gallagher	Wolk
Leonard	Kilgallen, (Pres't)
McArdle	

Ayes 9. Noes none.

And there being two-thirds of the votes of Council in the affirmative, the resolution passed finally.

Also

Bill No. 1699. Resolution authorizing the issuing of a warrant in

favor of R. J. Lockhart, in the sum of \$135.00 in full settlement of his claim against the City for automobile damaged October 29, 1946, by Bureau of City Refuse truck on Comrie Way, and charging same to Code Account No. 42, Contingent Fund.

Which was read.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the resolution.

Which motion prevailed.

And the rule having been suspended, the resolution was read a second time.

Mr. Leonard:

Mr. President:—I raise the question on Bill No. 1699. It is the settlement of \$135.00 for damage by one of the City's Incinerator trucks. I have noticed in the last few bills sent up by the Law Department that they are not approved by the head of the Department. I am just raising the question, is that the proper procedure of bills coming up here without approval of the department head.

The Chair:

The last paragraph of the letter explaining this matter reads as follows:

"It is the opinion of this Department that there is liability in this matter since the City driver of the refuse truck was negligent in the operation of it; accordingly, the attached resolution is submitted for your consideration."

Signed by Bennett Rodgers. Anne X. Alpern is stricken out and in place thereof, "Assistant City Solicitor." I am led to believe that the City Solicitor was out of the City at the time and it is the First Assistant City Solicitor who recommends this, speaking for the Department.

Mr. Leonard:

I thought it was an unusual procedure, and I think anything that we consent to, although that is a very small amount of money, I think it should have the approval of the Department head. I am only trying to prevent criticism of a practice that may be started.

And the bill was read a third time, and upon final passage the ayes and noes were taken, and being taken were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Gallagher	Wolk
McArdle	Kilgallen, (Pres't)

Noes: Mr. Leonard.

Ayes 8. Noes 1.

And there being two-thirds of the votes of Council in the affirmative, the resolution passed finally.

Mr. Gallagher presented

No. 1763. Report of the Committee on Public Works for December 10, 1946, transmitting several ordinances to Council.

Which was read, received and filed.

Also, with an affirmative recommendation,

Bill No. 1585. An Ordinance entitled, "An Ordinance amending Zoning Ordinance No. 372, approved August 9, 1923, Zone Map, Sheet Z—N10—0, by changing from an 'A' Residence District to a Commercial District, all that certain property bounded by Ridge avenue; the line of the present Commercial District east of Allegheny avenue; a line parallel with and distant 143 feet northwardly from the northerly line of Ridge avenue; and a line parallel with and distant 250 feet westwardly from the westerly line of Galveston avenue."

Which was read.

Mr. Gallagher moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes:—Messrs.

Demmler	Stewart
Duff	Weir
Gallagher	Wolk
Leonard	Kilgallen, (Pres't)
McArdle	

Ayes 9. Noes none.

And there being three-fourths of the votes of Council in the affirmative, the bill passed finally, in accordance with the provisions of the Act of Assembly of May 11, 1921, which provides that, where a protest is filed against a proposed zoning amendment, a three-fourths vote of all the members of Council in the affirmative shall be required for final passage.

Also

CITY OF PITTSBURGH

CERTIFICATE OF EMERGENCY

WHEREAS, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20,

as amended by the Act of May 31, 1911, P. L. 461, as construed by the Supreme Court of Pennsylvania in the case of Cummings et al. v. City of Scranton, 348 Pa. 538, provided that all appropriations shall be made annually by general ordinance except in cases of emergency when special appropriations may be made to meet the same, and

WHEREAS, Ordinance No. 493, approved December 31, 1945, appropriated funds for the year 1946 for the payment of wages for employees in the Department of Lands and Buildings, and

WHEREAS, The Director of the Department of Lands and Buildings in a letter dated December 10, 1946 has stated that it was necessary to employ certain employees for more man days than was provided for, for the following reasons:

- (1) Shortly after the first of the year, it was decided to make extensive alterations in the permit offices, Bureau of Building Inspection in order to facilitate the granting of building permits. This required additional man days of carpenters, painters, plasterers, laborers, etc.
- (2) Because of the threatened power strike in February and the actual power strike in September of this year, it became necessary to install auxiliary power lines in the City Hospitals, Police and Fire Stations and the City-County Building. This work required additional man days of certain employees of the Department of Lands and Buildings, and such appears as good and sufficient reason to impel the certification of an emergency under the circumstances, and

WHEREAS, A surplus exists in the funds provided for certain other classes of employees in the Department of Lands and Buildings;

NOW, THEREFORE, We, DAVID L. LAWRENCE, Mayor of the City of Pittsburgh, and EDWARD R. FREY, Controller of the City of Pittsburgh,

do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the transfer of the sum of \$1,470.00 within the Department of Lands and Buildings, and the appropriation of same to permit the payment of certain employees for additional man days as aforesaid.

David L. Lawrence,
Mayor.

DEPARTMENT OF LAW

December 19, 1946.

Re: Bill No. 1711.

Finance Committee of Council.

Gentlemen:

Bill No. 1711, an Ordinance amending section 45, Bureau of Building Inspection, of the Salary Ordinance No. 494, has been referred to this department for an opinion as to the necessity of a Certification of Emergency.

The purpose and effect of this amendment will be to remove the restriction of the number of days work for which certain employees may be paid during the year 1946. It is in fact an appropriating Ordinance appropriating a surplus fund on hand in the Wage Account to payment of additional days for certain employees.

It is our opinion that the passage of this Bill would be in violation of Section 13, Article XIV of the Charter Act of 1901, P. L. 20, which require appropriations to be made annually—"except also in cases of emergency, when, on a certificate signed by the mayor and controller that such emergency exists, a special appropriation may be made to meet the same."

You are therefore advised that Bill

No. 1711, being an additional appropriation for the payment of wages, can be enacted only if based upon an emergency certified by the Mayor and the City Controller.

Very truly yours,

Anne X. Alpern,
City Solicitor.

Which was read, received and filed.

No. 1784.

CERTIFICATION OF EMERGENCY REQUIRING AN AMENDMENT TO SALARY ORDINANCE

WHEREAS, Article XIV, Section 13 of the Act of March 7, 1901, P. L. 20, as amended by the Act of May 31, 1911, P. L. 461, as recently construed by the Supreme Court of Pennsylvania in the case of Cummings et al. v. City of Scranton, 348 Pa. 538, provides that all appropriations shall be made annually by general ordinances except in cases of emergency, and

WHEREAS, The Director of the Department of Public Safety, by letter dated December 16, 1946, has stated that it is urgently necessary to employ on a six day per week basis, for the balance of the current year:

- 1 WRECKING FOREMEN
- 2 LABORERS

for the reason that:

It is felt that the full employment of these employes is necessary, unless the demolition work of the Bureau of Building Inspection is to be retarded, a condition which I believe would not be in the best interest of Public Safety.

And such appears as a good and sufficient reason to impel the certification of an emergency under the circumstances.

NOW, THEREFORE, We, David L. Lawrence, Mayor of the City of Pittsburgh, and Edward R. Frey, Controller of the City of Pittsburgh, do hereby certify to the Council of the City of Pittsburgh, the existence of an emergency requiring an amendment to the Salary Ordinance to permit the employment, on a six day per week basis,

for the balance of the current year, the Wrecking Foreman and Two Laborers in the Bureau of Building Inspection, Department of Public Safety, and justifying, in our opinion, special legislation to permit such employment.

Which was read, received and filed.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

Which motion prevailed.

And the bill was read a second time.

Mr. Demmler:

Mr. President: Bill No. 1686, File No. 836, the Salary Bill for 1947, is before Council with an affirmative recommendation from the Finance Committee. I will again vote No on this Salary Bill for reasons previously stated.

I sincerely hope that during the year of 1947 a study will be made of all of the positions in this bill. A study of this kind was recommended several years ago and the necessary material, with outlined instructions, had been prepared by the Civil Service Commission. With the completion of such a study there would then be before Council the necessary facts on which good judgment could be exercised in fixing the proper salaries for the various positions. Public service should be made attractive and the proper salaries fixed for all positions.

Mr. Leonard:

Mr. President: I am going to vote Aye on both bills but I want to qualify my vote along with my remarks in Committee on the Salary Ordinance, Bill No. 1686.

And the bill, as read a second time, was agreed to.

And the bill was read a third time and agreed to.

City Council

City Planning

Committee on Public Works,

Willard H. Buente, Ch. Engr.

December 17, 1946.

Council Bill No. 1584 (46)—Proposed Zone Change—Stayton street, 27th Ward.

The City Planning Commission, at its regular meeting held today, December 17, 1946, considered:

Council Bill No. 1584 (46)—"An Ordinance amending Zoning Ordinance No. 372, approved August 9, 1923, Zone Map, Sheets Z-N20-0 and Z-N10-0, by changing from a "B" Residence and Second Area District to a Light Industrial, Class "A", and Fourth Area District, all that certain property bounded by Stayton street; the unnamed private way at the rear of properties fronting on the southerly side of Woodland avenue; McDowell street; Highwood street; the easterly lines of lots numbered 33 and 40 in the plan of "Brighton Place;" Hodgkiss street; the westerly line of property fronting on the westerly side of Stayton street; and, Highwood street."

The City Planning Commission today disapproved Council Bill No. 1584(46) to change to a Light Industrial classification property abutting on Stayton, McDowell, Highwood and Hodgkiss streets (27th Ward) for specific reasons cited later herein.

I am directed, however, to advise you concerning the issues that are involved, as the Commission sees them, in the light of certain of the City's outstanding needs:

There are places in the City which naturally are peculiarly suited for specially limited types of light industrial use—such as that of the prospective developer in the present case. It is expected that the revised text and map of the

Zoning Ordinance will cover such locations and the needs of such enterprisers in a way not to be detrimental to properly-located homes of the citizens.

The crying need for a feasible program of urban redevelopment (not limited to housing alone) includes need to find adequate sites for special types of industry, to facilitate their acquisition for that kind of use, and to properly relocate elsewhere any families displaced from such sites. Incidentally, a very large part of the Stayton street property is ideally located for housing, if the site is properly designed; and it ought not to be lost for that purpose. There are already too few sites suited to this purpose.

The Commission has long recognized both the critical need and the difficulty of finding special types of industrial site, and the undesirability of penalizing the homes of the citizens and residential property values, no matter how modest these may be. In the present case, having the truly best interests of the City in mind, the Commission cannot consistently take other action than that recorded below. Therefore, a copy of this communication is being sent simultaneously to Mayor Lawrence in his capacity as Chairman of the recently-organized Redevelopment Authority.

The more specific reasons for which the Commission recommended disapproval of this Council Bill are as follows:

1. The creation of a small Light Industrial Zone, in the midst of a well-developed residential neighborhood, and isolated from other industrial areas, is sporadic zoning and unwarranted, since:

(a) The dispersal of industrial areas in small sections throughout the city presents a problem in the provision of adequate desirable Light Industrial services and facilities such as transportation (rail, truck and water), assembly of land for future expansion,

and nearness to major employment pools. This concerned area is lacking practically all such facilities.

(b) The imposition of industrial traffic on a street system designed primarily for residential use, in addition to adding to present traffic hazards would further depreciate the existing municipal investment.

(c) There are other unused areas of comparable size or larger, in the present Light Industrial and Heavy Industrial Districts in this section of the City.

(d) In addition to many objectionable Light Industrial and Commercial uses, this change would permit residential development (in particular, multi-family development) with a density completely incongruous with any now permitted in the neighborhood. (700 square feet per family for multi-family dwellings against 1250 square feet per family as now permitted). The proposed area change permits buildings to be placed within 15 feet of the street at the front of the building and 10 feet from the street at the side of the building. The present Second Area requires a 25-foot front yard adjoining the street to the front and side of the lot. The nearest Fourth Area District is located at Brighton road and California avenue, about 1½ miles from the concerned site.

2. There is no known community need for the creation of an industrial area at this location, since:

(a) The proposed use is not one of local neighborhood service;

(b) There can be no serious problem in developing the concerned area in keeping with its present zoning. This land can be subdivided so as to have any lot face residentially-zoned and used property, or can be especially designed for group housing.

3. Although there are some non-conforming commercial and industrial

uses in this immediate neighborhood, this is nevertheless a residential community, with a predominance of owner-occupancy and where many of these dwellings have been built since the adoption of the Zoning Ordinance. These surrounding properties deserve, and a great majority of their owners desire the protection of the present classifications of the Zoning Ordinance.

Yours very truly,
Willard H. Buente,
Chief Engineer.

P.S.—Written opposition has been received from the owners of:

- (a) 79% of the area of the properties adjoining on the sides and rear of the concerned area;
- (b) 54% of the area of the properties adjoining on the sides of the concerned area, so that a favorable vote of three-fourths of the members of Council is necessary for passage of this ordinance (as specified in Section 50 of the Zoning Ordinance).

No. 13

AN ORDINANCE—Fixing the width and position of the sidewalks and roadway and establishing the grade of Beechwood Court as laid out in the plan of "BEECHWOOD COURT," from Beechwood boulevard to the traffic circles at the northerly and southerly terminals thereof.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the width and position of the sidewalks and roadway and the grade of the general center line of the roadway be and the same are hereby fixed and established as follows, to-wit:—

The following described curb lines shall be used as reference lines for the purpose of fixing the width and position of the sidewalks and roadway.

BEGINNING at a point of reverse curve on the westerly 16 foot curb line of Beechwood boulevard and extending northwestwardly therefrom by the arc of a circle deflecting to the left with a radius of 36.79 feet and a central angle of 84° 19' 05" for an arc distance of 54.14 feet to a point of tangent perpendicularly opposite and 8.0 feet north

of the corresponding point of tangent on the southerly street line; thence westwardly by the tangent, parallel to and 8.0 feet north of the southerly street line, a distance of 86.63 feet to a point of curve perpendicularly opposite the corresponding point of curve on the southerly street line; thence westwardly and southwardly by the arc of a circle deflecting to the left, with a radius 28.0 feet and a central angle of 90° for an arc distance of 43.98 feet to a point of tangent perpendicularly opposite the corresponding point of tangent on the easterly street line; thence southwardly by the tangent, parallel to and 8.0 feet west of the easterly street line a distance of 120.0 feet to a point of curve perpendicularly opposite the corresponding point of curve on the easterly street line at the dividing line between Lots No. 2 and No. 3; thence southwestwardly by the arc of a circle deflecting to the right with a radius of 109.51 feet and a central angle of $53^\circ 50'$ for an arc distance of 102.89 feet to a point of compound curve; thence westwardly, northwardly and eastwardly, parallel to and 6.0 feet inside the street line around the traffic circle, by the arc of a circle deflecting to the right with a radius of 29.0 feet and a central angle of $218^\circ 08' 41''$ for an arc distance of 110.40 feet to a point of reverse curve; thence eastwardly and northwardly by the arc of a circle deflecting to the left with a radius of 36.03 feet and a central angle of $91^\circ 48' 41''$ for an arc distance of 57.72 feet to a point of tangent perpendicularly opposite and 8.0 feet east of the corresponding point of tangent on the westerly street line; thence northwardly by the tangent, parallel to the westerly street line, a distance of 120.0 feet to a point of curve; thence northwardly by the arc of a circle deflecting to the left with a radius of 99.50 feet and a central angle of $11^\circ 25' 16''$ an arc distance of 19.80 feet to a point of reverse curve; thence northwardly by the arc of a circle deflecting to the right with a radius of 99.50 feet and a central angle of $11^\circ 25' 16''$ for an arc distance of 19.80 feet to a point of compound curve radially opposite and 4.0 feet east of the point of curve on the west-

erly street line at the dividing line between Lots No. 10 and No. 11; thence northwardly parallel to the westerly street line, by the arc of a circle deflecting to the right with a radius of 396.0 feet and a central angle of $14^\circ 50' 02''$ for an arc distance of 102.52 feet to a point of reverse curve radially opposite the corresponding point of reverse curve on the westerly street line; thence northwardly by the arc of a circle deflecting to the left with a radius of 97.69 feet and a central angle of $36^\circ 08' 29''$ for an arc distance of 61.62 feet to a point of reverse curve; thence northwardly, eastwardly and southwardly, parallel to and 6.0 feet inside the street line around the traffic circle, by the arc of a circle deflecting to the right with a radius of 29.0 feet and a central angle of $236^\circ 52' 10''$ for an arc distance of 119.89 feet to a point of reverse curve; thence southwardly by the arc of a circle deflecting to the left with a radius of 147.31 feet and a central angle of $15^\circ 38' 19''$ for an arc distance of 40.21 feet to a point of compound curve radially opposite and 4.0 feet west of the corresponding point of compound curve on the easterly street line; thence southwardly, parallel to the easterly street line, by the arc of a circle deflecting to the left with a radius of 372.0 feet and a central angle of $13^\circ 19' 23''$ for an arc distance of 86.50 feet to a point of compound curve radially opposite the corresponding point of compound curve on the easterly street line; thence southwardly and eastwardly by the arc of a circle deflecting to the left with a radius of 27.58 feet and a central angle of $96^\circ 36' 01''$ for an arc distance of 46.50 feet to a point of tangent; thence eastwardly by the tangent, parallel to and 8.0 feet south of the northerly street line, a distance of 88.52 feet to a point of curve perpendicularly opposite the corresponding point of curve on the northerly street line; thence eastwardly and northwardly by the arc of a circle deflecting to the left with a radius of 36.79 feet and a central angle of $84^\circ 19' 05''$ for an arc distance of 54.14 feet to a point of reverse curve on the westerly 16 foot curb line of Beechwood boulevard.

The sidewalks shall have various widths, with a maximum width of 8.0 feet and a minimum width of 4.0 feet and shall lie between the above described curb lines and the corresponding street lines.

The roadway shall have a general and minimum width of 24.0 feet, with variable and increased widths at intersections and at the traffic circles, and shall occupy that portion of the street lying within the boundaries of the above described curb lines.

Section 2. The grade of the general center line of the roadway on the central branch extending from Beechwood boulevard westwardly to the intersection with the northerly and southerly branches, shall begin at the westerly 16 foot line of Beechwood boulevard at an elevation of 990.84 feet as at present improved; thence shall rise by a concave parabolic curve for a distance of 20.0 feet to a point of tangent to an elevation of 991.51 feet; thence shall rise at the rate of 8.0% for a distance of 81.0 feet to a point of curve to an elevation of 997.99 feet; thence by a convex parabolic curve for a distance of 40.0 feet to a point of tangent to an elevation of 999.99 feet; thence shall rise at the rate of 2.0% for a distance of 20.0 feet to the general center line of the southerly branch, as hereinafter described to an elevation of 1000.39 feet.

The general center line of the roadway of the northerly and southerly branches on which the grade is to be established is described as follows:

BEGINNING at the center of the traffic circle at the northerly terminal and extending southwardly therefrom by the arc of a circle deflecting to the right with a radius of 381.75 feet and a central angle of $11^{\circ} 17' 16''$ for an arc distance of 75.21 feet to a point of reverse curve; thence southwardly, parallel to and 12.0 feet east of the westerly curb line, by the arc of a circle deflecting to the left with a radius of 384.0 feet and a central angle of $14^{\circ} 50' 02''$ for an arc distance of 99.42 feet to the center line of the roadway on the central branch; thence

shall offset eastwardly 4.0 feet along the said center line; thence southwardly coinciding with the center line of the street, a distance of 160.0 feet to a point of curve; thence southwestwardly by the arc of a circle deflecting to the right with a radius of 64.36 feet and a central angle of $62^{\circ} 44' 30''$ for an arc distance of 70.47 feet to a point of tangent; thence westwardly, by the tangent, a distance of 17.01 feet to the center of the traffic circle at the southerly terminal.

The grade of the above described general center line of the roadway shall be established as follows, to-wit:—

BEGINNING at the center of the traffic circle at the northerly terminal at an elevation of 999.0 feet; thence falling by a concave parabolic curve for a distance of 80.0 feet to a point of tangent to an elevation of 998.0 feet; thence rising at the rate of 2.52% for a distance of 138.63 feet to a point of curve to an elevation of 1001.50 feet; thence by a concave parabolic curve for a distance of 40.0 feet to a point of tangent to an elevation of 1003.25 feet; thence rising at the rate of 6.27% for a distance of 163.48 feet to the center of the traffic circle at the southerly terminus to an elevation of 1013.5 feet.

elevation of 765.20', having a projection of 0' 6"; thence continuing along the northerly line of Edwards way 9.0' to a point, at an elevation of 762.20', having a projection of 3' 4½"; thence continuing along the northerly line of Edwards way 14' 3" to a point, at an elevation of 765.20', having a projection of 0' 6"; thence continuing along the northerly line of Edwards way 9' 6" to a point, at an elevation of 761.03', having a projection of 3' 7½"; thence continuing along the northerly line of Edwards way 14' 0" to a point, at an elevation of 763.03', having a projection of 0' 6"; thence continuing along the northerly line of Edwards way 9' 6" to a point, at an elevation of 761.03', having a projection of 3' 7½"; thence continuing along the northerly line of Edwards way 14' 3" to a point, at an elevation of 765.20', having a projection of 0' 6"; thence continuing along the northerly line of Edwards way 9.0' to a point, at an elevation of 762.20', having a projection of 3' 4½"; thence continuing along the northerly line of Edwards way 14' 6" to a point, at an elevation of 765.20', having a projection of 0' 6"; thence continuing along the northerly line of Edwards way 9.0' to a point, at an elevation of 762.20', having a projection of 3' 4½"; thence continuing along the northerly line of Edwards way 14' 6" to a point, at an elevation of 765.20', having a projection of 0' 6"; thence continuing along the northerly line of Edwards way 9.0' to a point, at an elevation of 762.20', having a projection of 3' 4½".

The elevations given above refer to United States Datum.

The said footer projections on Mary street, South 22nd street and Edwards way shall be constructed to the provisions of this Ordinance and in accordance with the plan identified as "Showing Footer Course on South 22nd street, Mary street and Edwards way for the Duquesne Brewing Company,"

known as Plan, Accession No. B-568, and filed in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, Pittsburgh, Pennsylvania.

Section 2. The said Duquesne Brewing Company, its successors or assigns, prior to the beginning of the construction of the footer projections, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the locations for the construction of the said footer projections, said plan and the construction of the footer projections shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its power over City Streets, and to the Ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The said grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks above affected by this improvement; or the repair of any structure which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said projections; all of said work, including repairs of street or sidewalks, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said projections upon giving to the said Duquesne Brewing Company of Pittsburgh, its successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council; and the said Duquesne Brewing Company of Pitts-

burgh, its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said projections and restore the street to proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Duquesne Brewing Company of Pittsburgh, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance, use and operation of said projections, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either person or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Duquesne Brewing Company of Pittsburgh, its successors or assigns, shall file with the proper officers of the City, its certificate of acceptance to be executed by the said Duquesne Brewing Company of Pittsburgh.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 22

AN ORDINANCE—Granting unto the H. J. Heinz Company of Pittsburgh, Pennsylvania, its successors or assigns, the right to construct, maintain and use concrete piles and concrete pile caps in a portion of the northerly and southerly side of Prog-

ress street, in the 23rd Ward, City of Pittsburgh, Pennsylvania.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the H. J. Heinz Company of Pittsburgh, its successors or assigns, are hereby given the right to construct, maintain and use concrete piles and concrete pile caps in a portion of the northerly and southerly side of Progress street, in the 23rd Ward, City of Pittsburgh, Pennsylvania. The said concrete piles and concrete pile caps to be located as shown on Plan No. 124528, submitted by the H. J. Heinz Company, showing "Detail A and Detail B," and bounded and described as follows:*

"DETAIL A"

Beginning on the northerly line of Progress street, distant 196' 11 $\frac{3}{8}$ " eastwardly from the easterly line of Heinz street; thence deflecting 90° 0' 0" in a southerly direction 2.0' to a point; thence deflecting 45° 0' 0" in a southeasterly direction 2' 4" to a point; thence deflecting 90° 0' 0" in a northerly direction 5' 1 $\frac{3}{8}$ " to a point, on the northerly line of Progress street; thence deflecting 135° 0' 0" in a westerly direction along the northerly line of Progress street 5' 3 $\frac{1}{8}$ " to the place of beginning. The area in Detail A contains one concrete pile and a small portion of another concrete pile.

"DETAIL B"

Beginning on the southerly line of Progress street, distant 188' 5 $\frac{7}{8}$ " eastwardly from the easterly line of Heinz street; thence continuing along the southerly line of Progress street 4' 6" to a point; thence deflecting 90° 0' 0" in a southerly direction 3' 6" to a point; thence deflecting 90° 0' 0" in a westerly direction 4' 6" to a point; thence deflecting 90° 0' 0" in a northerly direction 3' 6" to a point on the southerly line of Progress street, to the place of beginning. The area in Detail B contains 2 concrete piles and a small portion of two other concrete piles.

The said concrete piles and concrete pile caps in the northerly and southerly area of Progress street shall be constructed to the provisions of this Ordinance and in accordance with the plan identified as No. 124528, submitted by the H. J. Heinz Company, showing "Area Detail A and Detail B" on Progress street, on file in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, Pittsburgh, Pennsylvania, and known as Accession B-No. 569.

Section 2. The said H. J. Heinz Company, its successors or assigns, prior to the beginning of the construction of the concrete piles and concrete pile caps, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location of the concrete piles and concrete pile caps, said plan and the construction of the concrete piles and concrete pile caps shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The said grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks above affected by this improvement; or the repair of any structure which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said concrete piles and concrete pile caps; all of said work, including repairs of street or sidewalks, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the

City of Pittsburgh, without liability, reserves the right to cause the removal of the said concrete piles and concrete pile caps upon giving to the said H. J. Heinz Company of Pittsburgh, its successors or assigns, at least six months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council; and the said H. J. Heinz Company of Pittsburgh, its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said concrete piles and concrete pile caps and restore the street to proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said H. J. Heinz Company of Pittsburgh, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance, use and operation of said concrete piles and concrete pile caps, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either person or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said H. J. Heinz Company of Pittsburgh, its successors or assigns, shall file with the proper officers of the City, its certificate of acceptance to be executed by the said H. J. Heinz Company of Pittsburgh.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

- (b) Automatically controlled appliances with an input rating in excess of 5000 B.T.U. per hour.
- (c) Automatically controlled appliances with an input rating less than 5000 B.T.U. per hour, unless equipped with an approved automatic device to prevent the escape of unburned gas at the main burner or burners.

The term "automatically controlled appliance" used in classifications (b) and (c) refers to the operation of a device which automatically turns the gas supply on or off in accordance with the demand for heat, and which will automatically reduce the gas supply below 30% of the normal input rating.

- (d) Each of one or more gas appliances except domestic gas ranges, installed in the same room, which in the aggregate have an input rating in excess of 30 B.T.U. per hour per cubic foot of room content.
- (e) All water heaters.
- (f) All stoves and gas-fired heaters, including cooking ranges in sleeping rooms.

Flue connections shall not be required for domestic cooking ranges, unless in a sleeping room or for an industrial appliance of a size or character approved by the Bureau of Building Inspection.

Where required, flues and vent pipes shall be of incombustible, non-corrodible material of sufficient thickness, cross-sectional area and heat insulating quality to avoid temperatures in excess of 160 degrees F. on adjacent combustible material so supported and connected as to prevent leakage at the joints. A clearance of at least one (1) inch shall be maintained between the

pipe and all combustible materials, including plaster or wood lath. Such flues or vent pipes shall be equal to soil pipe or standard steam or water pipe having relatively low heat insulating value, and so supported and connected as to prevent leakage at the joints, provided that when such pipes extend through from story to story to roof, or are located inside partitions or walls, they shall be encased in an incombustible jacket with one and one-half (1½) inch air space, the encasing jacket or duct being open at the top and bottom and continuous for its entire length.

Section 2. Section 17 of said ordinance is hereby amended by striking out Section 17 therefrom and substituting the following:

Section 17. PENALTIES FOR VIOLATION: Any person, firm or corporation violating any of the provisions of this ordinance shall, upon conviction thereof before any alderman or police magistrate of the City of Pittsburgh, be subject to a fine of not less than \$25.00 nor more than \$100.00 for each violation, and in default of payment of said fine, shall be imprisoned in the Allegheny County Jail for a period not exceeding thirty (30) days. Each day's violation shall constitute a separate offense.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 50

AN ORDINANCE—Declaring the existence of an emergency shortage of housing facilities, amending Zoning Ordinance No. 372, approved August 9, 1923, by adding a new section under Article IV, Use District Exceptions, to permit the conversion and occupancy

of buildings as dwelling quarters in all districts and adding a new sub-section under Section 54, Article XIII, to confer a new power upon the Board of Adjustment.

WHEREAS, Many men and women recently released from the Armed Services of the United States are now returning to this City intending to establish their homes within its borders, and

WHEREAS, Due to the curtailment of home construction during the War years and the present scarcity of materials for new construction, many of these returning veterans will be unable to find adequate living quarters, and

WHEREAS, The scarcity of housing facilities constitutes a present emergency which will probably continue for the next two years until sufficient dwellings can be erected to relieve the housing shortage, Now, Therefore, In order to assure homes for returning veterans and their families,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That a housing emergency exists which impels Council to temporarily relax existing zoning laws in order to make homes available for veterans and their families.*

Section 2. That Article IV of Ordinance No. 372, approved August 9, 1923, entitled, "An ordinance regulating and restricting the location of trades and industries and the location of buildings designed for specified uses and regulating and limiting the height and bulk of buildings hereafter erected or altered, and regulating and determining the area of yards, courts and other open spaces in connection with buildings hereafter erected or altered, and establishing the boundaries of districts for the said purposes; conferring certain powers upon the Superintendent of the Bureau of Building Inspection; providing for a Board of Appeals; and imposing penalties", shall be and is hereby amended by adding a new section, No. 10-A. under Article IV, Use District Exceptions, to read as follows:

"10-A. In all residence districts, a temporary permit may be issued for the conversion and occupancy of buildings as Tenement Houses, Kitchenette Apartments, Duplexes, Double Duplexes and all other dwellings similarly occupied whether specifically enumerated herein or not, for occupancy by returning veterans and their families under such restrictions as may be required by the Board of Adjustment under the authorization of Section 54, sub-section (o) as herein amended."

Section 3. That Article XIII, Section 54, of said Ordinance No. 372, approved August 9, 1923, shall be and is hereby amended by adding a new sub-section (o) to read as follows:

"(o) For the conversion of existing buildings in any Use District and in any Area District and for the temporary occupancy thereof, as Tenement Houses, Kitchenette Apartments, Duplexes, Double Duplexes, and all other dwellings similarly occupied whether specifically enumerated herein or not, the number of families to be housed therein to be limited to the physical possibilities of the structure as determined by the Board of Adjustment, subject to the following conditions:

"1. As a condition of such permit, the owner and applicant, for themselves, their heirs, successors, and assigns, shall agree that occupancy shall be restricted to returning veterans and their families; first preference shall be given to veterans with children.

"2. A permit shall issue only if the Board of Adjustment shall determine that such use is reasonably necessary and essential for the public health, safety and welfare, and not seriously detrimental to the character of the district.

"3. The permit for occupancy issued hereunder shall be limited to expire at midnight April 30, 1948.

"4. The requested conversion shall involve no addition or extension of the existing building.

"5. There shall be filed with the application, an agreement signed by the owner and the applicant, agree-

ing to remove any and all installations for multiple occupancy not permitted under existing law, installed under the temporary emergency permit, within 30 days after service of notice to remove, issued by the Board of Adjustment, after the date of expiration of the temporary emergency permit.

The agreement shall further constitute and appoint the Superintendent of the Bureau of Building Inspection of the City of Pittsburgh, the irrevocable agent of the owner, his heirs, successors and assigns, with express authorization to said Superintendent, to remove such installations upon the failure of the owner to comply with the removal notice from the Board of Adjustment. The agreement shall further provide that the City shall have full right to institute any actions at law or in equity against the owner personally, his heirs, successors and assigns, to recover reimbursement for the cost of removing any emergency installations and restoring the property to its original condition.

"6. All laws and ordinances of the Commonwealth of Pennsylvania and of the City of Pittsburgh relating to the safety of said building shall be fully complied with."

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

WHEREAS, The Mayor and the City Controller have certified the existence of an emergency in the critical shortage of housing facilities for returning servicemen and their families, requiring the appropriation of the sum of \$200,000.00 for the preparation of sites for the erection of temporary housing accommodations and for the performance of the City's other obligations under contract previously authorized with the United States acting by the Federal Public Housing Authority; and,

WHEREAS, The Act of the General Assembly of the Commonwealth of Pennsylvania, approved June 23, 1931, P. L. 922, pertaining to cities of the second class provides:

"That if, through emergency, it shall become necessary for the council to obtain additional appropriating power, it shall be lawful for the council to authorize the creation of one or more emergency loans, not exceeding in the aggregate seven hundred and fifty thousand dollars (\$750,000.00) at any one time, which, unless paid within the year in which they were created, shall be included by the City Controller in his estimate of liabilities which must be met out of the receipts of the ensuing year before ordinary appropriations may be made therefrom."

Now, therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That in the judgment of Council an emergency exists in the critical shortage of housing facilities for returning servicemen and their families.*

SECTION 2. That under the powers conferred by the aforesaid Act of Assembly, and to enable Council to obtain additional appropriating power for the acquisition and preparation of sites for the erection of temporary housing accommodations for returning servicemen and their families, and for the performance of the City's other obligations under contract previously authorized with the United States acting by the Federal Public Housing Authority, the Mayor and the City Controller be and they are hereby authorized and directed to borrow, on behalf of the City of Pittsburgh, by a temporary emergency loan or loans, the aggregate sum of \$200,000.00, or as much thereof as may be necessary, to be evidenced by a note or notes of the City of Pittsburgh, payable on or before December 31, 1946, and bearing interest at a rate not to exceed two (2) per cent per annum. Said notes unless paid within the year 1946 shall be included by the City Controller in his estimate of liabilities which must be met out of the receipts of the year 1947 before ordinary appropriations may be made therefrom.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 67

AN ORDINANCE—Granting unto the Duquesne Brewing Company, the right to construct, maintain and use a bridge over and across South 22nd street, from the new Filled Case Warehouse on the easterly side of South 22nd street to the new Bottling Plant on the westerly side of South 22nd street, in the 16th Ward, Pittsburgh, Pennsylvania.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Duquesne Brewing Company, its successors or assigns, be and are hereby given the right and authority, at their own cost and expense, to construct, maintain and use an overhead bridge, over and across South 22nd street, from the new Filled Case Warehouse on the easterly side of South*

22nd street to the new Bottling Plant on the westerly side of South 22nd street, in the 16th Ward, Pittsburgh, Pennsylvania.

The said bridge shall be constructed in accordance with the provisions of this Ordinance and in accordance with plan, identified as Accession No. B-570, on file in the Division of Public Utilities, Bureau of Engineering, Department of Public Works, entitled "Proposed Bridge over and across South 22nd street, in the 16th Ward, Pittsburgh, Pennsylvania," and located as follows:

**CENTER LINE LOCATION OF BRIDGE
OVER AND ACROSS SOUTH
TWENTY-SECOND STREET**

The center line of the said bridge shall begin on the easterly line of South 22nd street, distant $112' 1\frac{1}{2}"$ from the northerly line of Mary street; thence deflecting to the left $70^{\circ} 0' 0"$ and in a northwesterly direction a distance of 63.78' to the westerly line of South 22nd street, said point being $130' 7\frac{3}{4}"$ from the southerly line of Jane street.

The outer sides of the bridge to be 5' 10" on each side of center line.

The bridge shall have a minimum clearance of 18' above curb grade; clear length of span of 63.78'.

SECTION 2. The said Duquesne Brewing Company, prior to the beginning of construction of said overhead bridge, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans showing location and all details of the construction of said overhead bridge, and no work shall be commenced thereon until said plans have been approved by the Director of the Department of Public Works, who shall have the right at all times to inspect and supervise the said construction, operation and maintenance.

SECTION 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any gen-

eral ordinance which may hereafter be passed relating to the construction, maintenance and use of overhead bridges across City streets and which may provide for compensation for the use thereof.

SECTION 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the streets and sidewalks affected by this improvement, or the repair of any structure or property which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said overhead bridge; all of said work, including repairs of street or sidewalk, shall be done in a manner and at such times as the Director may order, and shall be subject to his approval and supervision.

SECTION 5. The said Grantee shall be responsible for and shall assume any liability whatsoever, either of the said Grantees or of the City of Pittsburgh, for damages to persons or property by reason of the construction, maintenance and use of said overhead bridge, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

SECTION 6. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said overhead bridge upon giving six (6) months' notice thereof through the proper officers of the City pursuant to Resolution or Ordinance of Council, and that the said Grantee, when so notified, shall at the expiration of said six (6) months, forthwith remove the said overhead bridge and restore the said street and sidewalks to a safe and proper condition. And, further, that no sign or display shall be placed or maintained on such structure.

SECTION 7. The foregoing rights and privileges are granted subject to all the foregoing conditions and to the further condition that this Ordinance shall become null and void unless within thirty (30) days after the passage and approval of the Ordinance, the said Grantee shall file with the

City Controller its certificate of acceptance of this Ordinance, duly executed, and shall pay to the City Treasurer a permit fee of \$500.00.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That a public sewer be constructed on Interboro avenue, from McElhinny avenue to the existing sewer on Rodgers street, with branch sewers on Antarctic way, Unnamed way and Margray street; Arctic way, Lauder street, McElhinny avenue, Stock street and Commission way.*

Commencing on Interboro avenue, at McElhinny avenue; thence northwestwardly along Interboro avenue to the existing sewer on Rodgers street, with the following branch sewers: Commencing on Antarctic way, at points about 260' southeast and 30' northwest of Unnamed way; thence northwestwardly and southeastwardly, respectively, along Antarctic way to Unnamed way; thence northeastwardly along Unnamed way to Margray street; thence eastwardly along Margray street to the sewer on Interboro avenue. Said branch sewer to have a 6" house lateral extending from the sewer on Margray street to a point 1' inside the south curb line. Commencing on Arctic way, at a point about 240' southeast of McElhinny avenue; thence northwestwardly along Arctic way to the sewer on Margray street. Commencing on Lauder street, at a point about 70' northwest of McElhinny avenue; thence northwestwardly along Lauder street to the sewer on Margray street. Commencing on McElhinny avenue at a point about 270' west of Commission way; thence eastwardly along McElhinny avenue to the sewer on Arctic way. Commencing on Stock street at a point about 100' northwest of McElhinny avenue; thence southeastwardly along Stock street to

the sewer on McElhinny avenue. Commencing on Commission way at a point about 200' northwest of McElhinny avenue; thence southeastwardly along Commission way to the sewer on McElhinny avenue. Said sewer and branch sewers to be constructed in accordance with Plans, Accession Nos. D-5818 to D-5821, inclusive, on file in the Bureau of Engineering, Department of Public Works.

SECTION 2. The Mayor and the Director of the Department of Public Works are hereby authorized and directed to advertise, in accordance with the Acts of Assembly of the Commonwealth of Pennsylvania, and the ordinances of the said City of Pittsburgh relating thereto and regulating the same, for proposals for the construction of a public sewer as provided in Section 1 of this Ordinance; the contract or contracts therefore to be let in the manner directed by the said Acts of Assembly and Ordinances; and the contracts price or contract prices not to exceed the total sum of \$35,000.00, which is the estimate of the whole cost as furnished by the Department of Public Works.

SECTION 3. The costs, damages and expense of the same shall be assessed against and collected from properties specially benefited thereby, in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same.

AN ORDINANCE—Granting unto the Duquesne Brewing Company the right to construct, maintain and use a tunnel under and across South 22nd

street, connecting the new Filled Case Warehouse on the easterly side of South 22nd street and the new Bottling Plant Building on the westerly side of South 22nd street, in the 16th Ward, Pittsburgh, Pennsylvania, for the purpose of conveying empty and full bottles and cases by conveyor lines from one building to another.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Duquesne Brewing Company, its successors or assigns, be and are hereby given the right and authority, at its own cost and expense, to construct, maintain and use a tunnel under and across South 22nd street, connecting the new Filled Case Warehouse on the easterly side of South 22nd street and the new Bottling Plant Building on the westerly side of South 22nd street, in the 16th ward, Pittsburgh, Pennsylvania.

The said tunnel shall be constructed in accordance with the provisions of this Ordinance and in accordance with a plan, identified as Accession No. B-569, on file in the Division of Public Utilities, Bureau of Engineering, Department of Public Works, entitled, "Proposed Tunnel under and across South 22nd street, in the 16th Ward, Pittsburgh, Pennsylvania," and located as follows:

CENTER LINE LOCATION OF TUNNEL UNDER AND ACROSS SOUTH

TWENTY-SECOND STREET

The center line of the tunnel shall begin on the easterly line of South 22nd street, distant 112' 6 1/8" northwardly from the northerly line of Mary street; thence deflecting to the left 70° 0' 0" and in a northwesterly direction a distance of 63.78' to the westerly line of South 22nd street, said point being 130' 5 7/8" southwardly from the southerly line of Jane street.

The outer sides of said tunnel to be 5.0' on each side of the center line. The bottom of the floor of the tunnel is to be constructed at a maximum vertical distance of 16.70' below curb grade.

The roof of the said tunnel shall form the paving base for street restoration and the surfacing shall be City Standard Sheet Asphalt 3" in thickness.

The tunnel shall be so constructed that the floor and sidewalks shall be arched over the existing 20" terra cotta pipe sewer so as to place no additional weight on sewer.

SECTION 2. The construction, maintenance and use of the said tunnel shall be at all times at the sole expense of the Duquesne Brewing Company, as shown on plan, Accession No. B-569, and shall be subject to the approval and supervision of the Director of the Department of Public Works.

SECTION 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets and also to all general or special ordinances of the City of Pittsburgh which may hereafter be passed relating to the construction, maintenance and use of tunnels in City streets and compensation for same.

SECTION 4. The said grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures which may in any way be damaged or disturbed by reason of the construction, maintenance and use of the said traffic tunnel.

All of the said work, including the repaving of the street damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

SECTION 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said tunnel upon giving six (6) months' notice through the proper officers pursuant to Resolution or Ordinance of Council to the said Duquesne Brewing Company, its successors or assigns, to that effect,

and that the said grantee, when so notified, shall at the expiration of the said six (6) months forthwith remove the said traffic tunnel and replace the street to its original condition at their own cost and expense.

SECTION 6. The said grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the street and sub-surface structures therein by reason of the construction, maintenance and use of said traffic tunnel, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

SECTION 7. The foregoing rights and privileges are granted subject to the following conditions, to-wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval the said Duquesne Brewing Company shall file with the City Controller its certificate of acceptance, duly executed, and shall pay to the City Treasurer a permit fee of \$50.00.

The said ash hopper and chute, together with the three steel grill air vents shall be constructed in accordance with the plan identified as Accession No. B-571, on file in the Division of Public Utilities, Bureau of Engineering, Department of Public Works, entitled, "Plan of Proposed Ash Hopper and Chute and Three Steel Grill Air Vents in Watson street, 1st Ward, Pittsburgh, Pennsylvania."

SECTION 2. The said Rieck-McJunkin Dairy Company, prior to the beginning of construction of said ash hopper and chute and the three steel grill air vents, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, showing location and all details of the construction of said ash hopper and chute and the three steel grill air vents and no work shall be commenced thereon until said plans have been approved by the Director of the Department of Public Works, who shall have the right at all times to inspect and supervise the said construction, operation and maintenance thereof.

SECTION 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of ash hoppers, chutes and steel grill air vents encroaching on City streets and which may provide for compensation for the use thereof.

SECTION 4. The said Grantees shall bear the full cost and expense for the repaving and repair of the streets and sidewalks affected by this improvement, or the repair of any structure or property which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said ash hopper, chute and steel grill air vents, including repairs to streets

or sidewalks, shall be done in a manner and at such times as the Director may order, and shall be subject to his approval and supervision.

SECTION 5. The said Grantees shall be responsible for and shall assume any liability whatsoever, either of the said Grantees or of the City of Pittsburgh, for damage to persons or property by reason of the construction, maintenance and use of said ash hopper, chute, and steel grill air vents, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

SECTION 6. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said ash hopper, chute and steel grill air vents upon giving six (6) months' notice thereof through the proper officers of the City pursuant to resolution of Council, and that the said Grantees, when so notified, shall, at the expiration of said six (6) months, forthwith remove the said ash hopper, chute and steel air vents and restore the said streets and sidewalks to a safe and proper condition.

SECTION 7. The foregoing rights and privileges are granted subject to all the foregoing conditions and to the further condition that this ordinance shall become null and void unless within thirty (30) days after the passage and approval of this ordinance, the said Grantees shall file with the City Controller its certificate of acceptance of this ordinance, duly executed, and shall pay to the City Treasurer a permit fee of \$500.00.

AN ORDINANCE—Providing for the Housing Authority of the City of Pittsburgh to act as agent for the management of temporary housing accommodations, prescribing the form of agreement with the Housing Authority of the City of Pittsburgh with respect thereto, and authorizing the execution of said agreement, and authorizing the advancement of \$10,000.00

to the Authority for pre-occupancy expenses.

WHEREAS, An emergency exists in the City of Pittsburgh in that there is a critical shortage of housing accommodations, and

WHEREAS, The City in cooperation with the Federal Public Housing Authority has determined to provide temporary housing accommodations and incidental facilities for servicemen of World War II, their families and families of deceased servicemen of that war; and

WHEREAS, Council has determined that this Project can be most expeditiously operated by the City through the employment of the Housing Authority of the City of Pittsburgh as its agent; and

WHEREAS, The City and the FPHA have entered into a contract outlining the respective duties of the City and the FPHA relating to the development and operation of a project; and

WHEREAS, It is the desire of Council to enter into an agreement with the Housing Authority of the City of Pittsburgh for the employment of the Authority as its agent in the operation of this project. NOW, THEREFORE,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the City hereby determines to employ the Housing Authority of the City of Pittsburgh as its agent for the operation of temporary housing accommodations and incidental facilities for servicemen of World War II, their families, and families of deceased servicemen of that war.*

Section 2. That the City shall enter into a contract with the said Authority in substantially the following form:

AGREEMENT BETWEEN THE CITY OF PITTSBURGH AND THE HOUSING AUTHORITY OF THE CITY OF PITTSBURGH

In consideration of the mutual promises of the City of Pittsburgh,

Pennsylvania, (hereinafter called the "City") and the Housing Authority of the City of Pittsburgh (hereinafter called the "Authority"), hereinafter set forth, the City and the Authority agree as follows:

1. The City hereby appoints the Authority and the Authority agrees to act as agent for the City in the operation of temporary housing accommodations and incidental facilities for servicemen as defined in Section 1.

2. No portion of the cost of maintenance or operation of the Project or of the cost of final disposition of the Project, nor of the administration costs incurred in connection with the Project, shall be borne by the Authority.

3. The City shall indemnify and hold harmless the Authority against any and all liability, claims, judgments, costs, expenses and loss incurred or suffered by the Authority in connection with this Agreement or arising out of the operation or management of the project, and shall reimburse and make whole the Authority to the fullest extent thereof.

4. The Authority agrees to prepare, subject to the approval of the Mayor and the Controller of the City, a budget of estimated costs of operation of the Project. Changes in this budget may be made by the Authority from time to time subject to the approval of the Mayor and the Controller.

5. The City agrees to reimburse the Authority for all expenditures and liabilities, including any overhead of the Authority and salaries of any employees of the Authority, involved in the maintenance or operation of the Project.

6. The City may terminate the Authority's agency at any time. Upon such termination the City shall assume all commitments, indebtedness, obligations, liabilities and any other duties of whatsoever nature assumed, undertaken or incurred by the Authority in connection with the operation or management of the Project, and paragraphs numbered 2 and 3 of

this Agreement shall continue in full force and effect after such termination.

7. "The City agrees to advance the Authority \$10,000 for pre-occupancy and other expenses incurred by the Authority in connection with the project, which sums shall be repaid as soon as feasible by the Authority to the City out of net operating revenue of the project. For the purpose of providing funds for the project and defraying the costs thereof insofar as they are to be borne by the City under the Assistance Contract, the City agrees that there will be appropriated by Council, when required, such sums as are necessary to pay such costs. Any such funds which are reimbursable under the terms of the Assistance Contract will be subsequently reimbursed to the City from net operating revenues."

AN ORDINANCE—Granting unto the Martin Hardsogg Company of Pittsburgh, Pennsylvania, its successors or assigns, the right and privilege to construct, maintain, use and operate a 12" I Beam for the purpose of loading and unloading equipment from trucks in Stengel street, in the 22nd Ward, Pittsburgh, Pennsylvania.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Martin Hardsogg Company of Pittsburgh, Pennsylvania, its successors or assigns, are hereby given the right, privilege and authority to construct, maintain, use and operate, at its own cost and expense, a 12" I

Beam for the purpose of loading and unloading equipment from trucks in Stengel street, in the 22nd Ward, Pittsburgh, Pennsylvania.

The I Beam to be constructed by virtue of this Ordinance is described as follows:

The center line of the 12" I Beam shall be located on the westerly line of Stengel street, distant 171' 6" northwardly from the northerly line of Shore avenue. This 12" I Beam to project eastwardly 6.0' from the westerly line of Stengel street, with a clearance of 25' 6" from the underside of the 12" I Beam to the top of curb of Stengel street. Size of Beam 12" I—31.8#. Load on Beam 4 tons.

The said Beam shall be constructed according to the provisions of this Ordinance and in accordance with the plan identified as "Proposed 12" I Beam in Stengel street for the Martin Hardsogg Company of Pittsburgh, Pennsylvania" and filed in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, City of Pittsburgh, and known as Accession No. B-572.

Section 2. The said Martin Hardsogg Company of Pittsburgh, prior to the beginning of the construction of the 12" I Beam shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of said 12" I Beam; said plans and construction of the 12" I Beam shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may hereafter be passed relating to the construction, maintenance and use of I Beams on

City streets and compensation for same.

Section 4. The Martin Hardsogg Company of Pittsburgh shall bear the full cost and expense of the repair of any street pavement damaged, repairs of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said 12" I Beam. All of the work, including the repaving or repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said 12" I Beam upon giving the said Martin Hardsogg Company of Pittsburgh, Pennsylvania, at least 10 days written notice from the proper officers of the City, pursuant to a Resolution or Ordinance of Council, and that the said Martin Hardsogg Company of Pittsburgh, when so notified, shall at or before the expiration of the said 10 days, remove the said 12" I Beam and restore the street to proper condition at their own cost and expense and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Martin Hardsogg Company of Pittsburgh, Pennsylvania, shall assume any and all liability, and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance, use and operation of said 12" I Beam, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing right and privilege are granted subject to the conditions of this Ordinance; that

AN ORDINANCE—Granting unto the Joseph Horne Company, its successors or assigns, the right to construct, maintain and use two double deck bridges over and across Cecil place, between the East Building and their Store Building Group, located at Penn avenue and Cecil place, and the J. S. Phipps, et al., Oppenheim Collins Building, located at 529 Penn avenue, in the 2nd Ward, Pittsburgh, Pennsylvania.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Joseph Horne Company, its successors or assigns, be and are hereby given the right and authority, at their own cost and expense, to construct, maintain and use two double deck bridges over and across Cecil place, between the East Building of their Store Building Group, located at Penn avenue and Cecil place, and the J. S. Phipps, et al., Oppenheim Collins Building, located at 529 Penn avenue, in the 2nd Ward, Pittsburgh, Pennsylvania.*

The said bridges shall be constructed in accordance with the provisions of this Ordinance and in accordance with plan identified as Accession No. B-573, on file in the Division of Public Utilities, Bureau of Engineering, Department of Public Works, entitled "Proposed Double Deck Bridges over and across Cecil place, in the 2nd Ward, Pittsburgh, Pennsylvania" and located as follows:

CENTER LINE LOCATION DOUBLE DECK BRIDGE "A" OVER AND ACROSS CECIL PLACE

The center line of Bridge "A" of two decks, one deck directly superimposed over the other, shall begin on the westerly line of Cecil place, distant 74' 4" northwardly from the northerly line of Penn avenue; thence deflecting to the right 9° 0' 0" in an easterly direction, a distance of 20.0' to the easterly line of Cecil place. The outer side of the double deck bridge to be 7' 4" on each side of center line.

The underside of Bridge "A" to be 40.0' above the curb grade of Cecil place. The lower deck of this bridge connects with the third floor of the Joseph Horne Company East Building and the fourth floor of the Phipps, et al., Oppenheim Collins Building, located at 529 Penn avenue.

The upper deck of Bridge "A" connects with the fourth floor of the Joseph Horne Company East Build-

ing and the fifth floor of the Phipps, et al, Oppenheim Collins Building, located at 529 Penn avenue.

**CENTER LINE LOCATION DOUBLE
DECK BRIDGE "B" OVER AND
ACROSS CECIL PLACE**

The center line of Bridge "B" of two decks, one deck directly superimposed, over the other, shall begin on the westerly line of Cecil place, distant 191' northwardly from the northerly line of Penn avenue; thence deflecting to the right 72° 0' 0" in a northeasterly direction a distance of 21.03' to the easterly line of Cecil place.

The outer sides of the double deck bridge to be 7' 4" on each side of center line.

The underside of Bridge "B" to be 40.0' above the curb grade of Cecil place.

The lower deck of this bridge connects with the third floor of the Joseph Horne Company East Building and the fourth floor of the Phipps, et al, Oppenheim Collins Building, located at 529 Penn avenue.

The upper deck of Bridge "B" connects with the fourth floor of the Joseph Horne Company East Building and the fifth floor of the Phipps, et al, Oppenheim Collins Building, located at 529 Penn avenue.

Section 2. The said Joseph Horne Company, prior to the beginning of construction of said overhead bridges, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, showing location and all details of the construction of said overhead bridges, and no work shall be commenced thereon until said plans have been approved by the Director of the Department of Public Works, who shall have the right at all times to inspect and supervise the said construction, operation and maintenance.

Section 3. The rights and privileges herein granted shall be subject and

subordinate to the rights of the City of Pittsburgh and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of overhead bridges across City streets and which may provide for compensation for the use thereof.

Section 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the streets and sidewalks affected by this improvement, or the repair of any structure or property which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said overhead bridge; all of said work, including repairs of streets or sidewalks, shall be done in a manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The said Grantee shall be responsible for and shall assume any liability whatsoever, either of the said Grantee or of the City of Pittsburgh, for damages to persons or property by reason of the construction, maintenance and use of said overhead bridges and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said overhead bridges upon giving six (6) months' notice thereof, in writing, through the proper officers of the City, pursuant to Resolution or Ordinance of Council, and that the said Grantee, when so notified, shall at the expiration of said six (6) months, forthwith remove the said overhead bridges and restore the said streets and sidewalks to a safe and proper condition. And, further, that no sign or display shall be placed or maintained on such structure.

Section 7. The foregoing rights and privileges are granted subject to all

the foregoing conditions and to the further condition that this Ordinance shall become null and void unless within thirty (30) days after the passage and approval of the Ordinance, the said Grantee shall file with the City Controller its certificate of acceptance of this Ordinance, duly executed, and shall pay to the City Treasurer a permit fee of \$2,000.00.

No. 172

AN ORDINANCE — Granting unto the Crane and Truck Service, Inc. of Pittsburgh, Pennsylvania, its successors or assigns, the right to construct, maintain and use a standard gauge railroad track siding across 51st Street, in the 9th and 10th Wards of Pittsburgh, Pennsylvania.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Crane and Truck Service, Inc., its successors or assigns, subject to the terms and conditions herein provided, is hereby given the right and authority, at its own cost and expense, to construct, maintain and use a standard gauge railroad siding across 51st Street, in the 9th and 10th Wards, Pittsburgh, Pennsylvania, for the purpose of conveying materials, etc. to and from its property.

The center line of said track siding being located as follows:

Beginning at a point of connection with an existing side track of the Pennsylvania Railroad Company, the said point of beginning being in the center line of the existing side track and distant eastwardly 10.0' from the easterly line of 51st Street; thence by a line in a northwesterly direction with a deflection to the right, with an angle of 2° 41' 12.2" to a point in the easterly line of 51st Street. Said point being 408.6' northwesterly from the northerly curb line of Harrison Street; thence in a northwesterly direction, by a curve to the right, having a radius of 242.8' and a central angle of 6° 50' 26.2" for a distance of 29.0' to a point of tangent; thence northwestwardly by tangent of said curve a distance of 17.0'; thence in a northwesterly direction by a curve to the right, having a radius of 182.35' for a distance of 4.1' to a point in the westerly line of 51st Street, said point being 7.1' northwesterly from the center line of said existing track of the Pennsylvania Railroad Company.

The said track siding shall be constructed in accordance with a plan

identified as Accession No. B-574, on file in the Division of Public Utilities, Bureau of Engineering, Department of Public Works.

SECTION 2. The said Company, prior to the beginning of construction of said track siding, shall submit to the Department of Public Works of the City of Pittsburgh, a complete set of plans showing location, paving, repaving, sewerage and all details for the construction of said track siding and the said plans and the construction of the track siding shall be subject to the approval and supervision of the Director of the Department of Public Works.

SECTION 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance siding on City streets and compensation for same.

SECTION 4. The said Grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and subsurface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said track siding. All of the said work, including the repaving of the streets damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

SECTION 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said track siding upon giving six (6) months' notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said Crane and Truck Service, Inc., its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith, remove the said track and replace the streets to their original condition, at its own cost and expense.

SECTION 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of the said track siding, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

SECTION 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within sixty (60) days after its passage and approval, the Crane and Truck Service, Inc., its successors or assigns, shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

SECTION 8. After the said track siding has been constructed and paved, the said Grantee shall maintain the same and the area extending five (5) feet in each direction from the center line thereof and between the easterly and westerly lines of 51st Street. Such maintenance shall be appropriate to the adjoining street pavement, and as required by said Director.

SECTION 9. Should said track siding be abandoned or its use discontinued, the Grantee shall bear the full cost and expense of the repair and repaving of that part of 51st Street occupied by the siding including all substructure thereunder, as directed by said Director.

SECTION 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

AN ORDINANCE — Amending and further amending Sub-sections 1, 3 and 4 of Section 2, and Sections 2, 3 and 4 of Ordinance No. 344 entitled, "An Ordinance regulating the production and emission of smoke from any chimney, smokestack or other source within the corporate limits of the City of Pittsburgh; regulating air pollution caused by the escape of soot, cinders, noxious acids, fumes, gases and fly ashes within the City; regulating the importation, sale, use and consumption of certain fuels; regulating the construction, reconstruction, repair, maintenance, use of, and additions to, refuse-burning equipment and fuel-burning plants, including fuel-burning equipment and devices, and requiring notice to the City of all purchase and sales thereof; establishing a Bureau of Smoke Prevention; requiring smoke indicators or other approved methods of observing smoke from the boiler or furnace room in certain cases; establishing fees for examination of plans and issuance of permits, inspection of furnaces or other fuel-burning equipment or devices, and issuance of certificates of operation; establishing an Appeal Board, and providing fines and penalties for the violation of the provisions of this Ordinance," approved July 8, 1941, as amended.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That Ordinance No. 344, entitled, "An Ordinance regulating the production and emission of smoke from any chimney, smokestack or other source within the corporate limits of the City of Pittsburgh; regulating air pollution caused by the escape of soot, cinders, noxious acids, fumes, gases and fly ashes within the City; regulating the importation, sale, use and consumption of certain fuels; regulating the construction, reconstruction, repair, maintenance, use of, and additions to refuse-burning equipment and fuel-burning plants, including fuel-burning equipment and devices. to the City*

of all purchase and sales thereof; establishing a Bureau of Smoke Prevention; requiring smoke indicators or other approved methods of observing smoke from the boiler or furnace room in certain cases; establishing fees for examination of plans and issuance of permits, inspection of furnaces or other fuel-burning equipment or devices, and issuance of certificates of operation; establishing an Appeal Board, and providing fines and penalties for the violation of the provisions of this Ordinance," approved July 8, 1941, as amended by Ordinance No. 210, approved June 30, 1943, be and the same is hereby amended and further amended to read as follows:

"SECTION 2 of said Ordinance, as amended, shall be further amended and Sub-sections 1, 2 and 4 thereof shall be amended to read:

"SECTION 2. In order to implement an effective system of inspection and enforcement, and in order to permit of a reasonable period for compliance with the provisions of this Ordinance, the provisions of Section 1 shall become effective on October 1, 1941, with the following exceptions:

"1. As to buildings used exclusively for private residences containing less than three dwelling units or flats, the provisions of Section 1 shall become effective October 1, 1947.

"2. As to buildings used exclusively for private residences that do not contain a central heating plant, the provisions of Section 1 shall become effective October 1, 1947.

"4. As to boats and tugs the provisions of Section 1 shall become effective October 1, 1946; provided, however, in the interim period, until October 1, 1946, the emission of dense smoke within the City of Pittsburgh from the stack of any boat or tug except for a period of or periods aggregating five minutes or less of a density of No. 2 smoke, in any period of fifteen minutes, or two minutes or less of a density greater than No. 2 smoke,

in any period of fifteen minutes, is prohibited and is hereby declared to be a nuisance, and may be summarily abated by the Superintendent of Smoke Prevention, or anyone whom he may duly authorize for such purpose. Such abatement be in addition to the fines and penalties hereinafter provided." The last paragraph of Section 3 of said Ordinance as amended, shall be further amended to read:

"The provisions of Section 3 shall become effective October 1, 1941; provided, however, that the provisions relating to fly ash shall not become effective until October 1, 1947."

The last paragraph of Section 4 of said Ordinance No. 244, as amended, shall be further amended to read:

"The provisions of this section shall go into effect October 1, 1946, save as otherwise provided in this ordinance, provided, however, that as to buildings used exclusively for private residences containing less than three dwelling units or flats and as to buildings used exclusively for private residences that do not contain a central heating plant, the provisions of this section shall go into effect October 1, 1947."

AN ORDINANCE — Authorizing and directing the Mayor and the Director of the Department of Public Works for and on behalf of the City of Pittsburgh to enter into an Agreement with the Pittsburgh Mercantile Company relating to the vacation of Carey Way from South 26th Street to a point 108 feet eastwardly therefrom, the dedication of property for opening a new street from Carey Way to Sarah Street, providing for the grading, paving, curbing, and sewerage of said new street, and providing for the payment of the costs thereof.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works be and they are hereby authorized to make, execute, and deliver, in the name of and on behalf of the City of Pittsburgh, a contract with the Pittsburgh Mercantile Company in the following language, to-wit:*

ARTICLES OF AGREEMENT

THIS AGREEMENT, made this----- day of -----, 1946, between the CITY OF PITTSBURGH, a municipal corporation of the Commonwealth of Pennsylvania, hereinafter called the City, party of the first part,

AND

THE PITTSBURGH MERCANTILE COMPANY, a Pennsylvania corporation, hereinafter called the Mercantile Company, party of the second part.

WHEREAS, the Mercantile Company desires to erect a new building on its property adjacent to the easterly side of South 26th Street from Sarah Street northwardly to connect with its present building situated between Carey Way and Carson street, and to accomplish this it is necessary to vacate Carey Way from South 26th Street to a point 108 feet eastwardly therefrom, and

WHEREAS, the Mercantile Company

desires to dedicate property for opening a new street from Carey Way to Sarah Street in lieu of Carey Way to be vacated and

WHEREAS, the Mercantile Company desires to assume the entire cost and expense of grading, paving, curbing and sewerage of the new street,

NOW THEREFORE, IT IS MUTUALLY AGREED by and between the parties hereto, as follows:

FIRST:—The City agrees to vacate Carey Way from South 26th Street to a point 108 feet eastwardly therefrom; the ordinance for said vacation to be enacted within a period of three (3) months after the date of this agreement.

SECOND:—The Mercantile Company agrees to dedicate a strip of property with a minimum width of 24 feet from Carey Way to Sarah Street for opening a new street; said property being described as follows:

BEGINNING at a point on the southerly line of Carey Way, distant 108 feet eastwardly from the easterly line of South 26th Street; thence eastwardly along the said southerly line of Carey Way, 40 feet to a point of curve; thence by the arc of a circle deflecting to the left in a westwardly and southerly direction having a radius of 16 feet and a central angle of 90° for an arc distance of 25.13 feet to a point of tangent; thence by the tangent to the curve in a southerly direction parallel to and 132 feet eastwardly from the easterly line of South 26th street a distance of 104 feet to the northerly line of Sarah street; thence westwardly along the said northerly line of Sarah street, 24 feet to a point; thence northwardly parallel to and 108 feet eastwardly from the easterly line of South 26th Street, a distance of 120 feet to the southerly line of Carey Way to the place of beginning.

THIRD:—The Mercantile Company agrees to grade, pave, curb, and sewer the new street as described in Paragraph 2, including the changes necessary in the existing pavements at

the intersections of Carey Way and Sarah Street at its own cost and expense; all of which work is to be completed within a period of eight (8) months from the date hereof and all of said improvement to be done under the direction and supervision of the Director of the Department of Public Works of the City of Pittsburgh and in accordance with plans and specifications approved by the Director of the Department of Public Works of the City of Pittsburgh.

FOURTH.—The Mercantile Company covenants and agrees to pay to the Treasurer of the City of Pittsburgh, all costs and expenses of viewers proceedings upon the vacation of Carey Way from South 26th Street to a point 108 feet eastwardly therefrom and in addition to pay to the Treasurer of the City of Pittsburgh, and final total of any and all damages which may be awarded either by Viewers or upon appeal to the Courts by any property owners for damages occasioned by the vacation of Carey Way and that said amount shall be forthwith paid upon the City Solicitor certifying to said amounts to the City Treasurer.

IN WITNESS WHEREOF, the parties hereto have affixed their respective corporate seals by the hands of their properly authorized officials.

A^N ORDINANCE—Granting unto the Semmelrock - Schmidt Veterans' Association of Pittsburgh, the right and privilege to construct, maintain, use and operate a vault in the southerly sidewalk area of Warrington avenue, in the 18th Ward, Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Semmelrock-Schmidt Veterans' Association of Pittsburgh, its successors or assigns, is hereby given the right, privilege and authority to construct, maintain, use and operate, at their*

own cost and expense, a vault adjoining their property, located on Warrington avenue, in the 18th Ward of the City of Pittsburgh, Pennsylvania.

The vault to be constructed by virtue of this Ordinance is to occupy a portion of the sidewalk area, bounded and described as follows:

Beginning at a point on the southerly line of Warrington avenue, distant 78.02' westwardly from the westerly line of Walter avenue; thence westwardly along the southerly line of Warrington avenue 25.12' to a point; thence deflecting to the right 90° 0' 0" in a northerly direction for a distance of 9' 0" to a point on Warrington avenue; thence deflecting to the right 90° 0' 0" in an easterly direction and along the southerly curb line of Warrington avenue 25.12' to a point; thence deflecting to the right 90° 0' 0" in a southerly direction a distance of 9' 0" to the southerly line of Warrington avenue to the place of beginning.

The said vault shall be constructed according to the provisions of this ordinance and in accordance with plan identified as "Plan of Sidewalk Vault for the Semmelrock-Schmidt Veterans' Association, 18th Ward, Pittsburgh, Pennsylvania" and filed in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, City of Pittsburgh, and known as Accession No. B-575.

Section 2. The said Semmelrock-Schmidt Veterans' Association of Pittsburgh, its successors or assigns, prior to the beginning of the construction of the said vault, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of vault, said plans and the construction of the vault shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and

supervision over City streets, and also to ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance, use and operation of a vault on City streets and compensation for same.

Section 4. The said Semmelrock-Schmidt Veterans' Association of Pittsburgh, its successors or assigns, shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said vault. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this ordinance is granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said vault upon giving to the Semmelrock-Schmidt Veterans' Association of Pittsburgh, its successors or assigns, at least six months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council and that the said Semmelrock-Schmidt Veterans' Association of Pittsburgh, its successors or assigns, when so notified, shall at or before the expiration of the said six months, remove the vault and restore the street to proper condition at their own cost and expense to the satisfaction of the Director of Public Works.

Section 6. The said Semmelrock-Schmidt Veterans' Association of Pittsburgh, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein,

caused by or arising out of the construction, maintenance, use and operation of said vault, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing right and privilege is granted subject to the conditions that this ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Semmelrock-Schmidt Veterans' Association of Pittsburgh, its successors or assigns, shall file with the proper officers of the City, its certificate of acceptance, accepting the provisions of this ordinance, said certificate of acceptance to be executed by the said Semmelrock-Schmidt Veterans' Association of Pittsburgh, its successors or assigns.

WHEREAS, The Housing Authority of the City of Pittsburgh (herein called the "Authority") proposes to de-

velop and administer an additional low-rent housing project or projects (herein called the "Project") within the territorial limits of the City of Pittsburgh (herein called the "City"); and

WHEREAS, Section 6 of an Act of the General Assembly of 1937, P. L. 888, approved May 26, 1937 provides that "any city, borough, town or county, located in whole or in part within the field of operation of a housing authority, shall have the power from time to time, to lend or donate money to Authority;" and

WHEREAS, The City, by Ordinance No. 493, Series 1945, entitled, "An ordinance making appropriations to pay the expense of conducting the public business of the City of Pittsburgh and for meeting the debt charges thereof for the fiscal year beginning January 1, 1946" has heretofore appropriated fifty thousand dollars (\$50,000) from Code Account 42-1 (Loan to Pittsburgh Housing Authority, to the use of the Authority as a loan to the said Authority. Now, THEREFORE.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the City hereby determines that for the purpose of aiding said Authority in its efforts to eliminate unsafe and insanitary dwellings in the City and to construct new dwellings for families of low incomes at rentals they can afford to pay, the City shall cooperate with the Authority by lending to the Authority the sum of Fifty Thousand Dollars (\$50,000.00) heretofore appropriated under Ordinance 493, Series 1945, Code Account 42-1 (Loan to Pittsburgh Housing Authority, for the preparation of preliminary plans and studies for an additional low rent housing project or projects, the said sum to be repaid to the City without interest by the Authority when the Federal Public Housing Authority or other government agency allocates funds to the Authority for the development of a low rent housing project or projects, the prelimi-*

nary plans and studies for which were made as a result of this loan to the Authority.

Section 2. That the City shall enter into a contract with the said Authority substantially in the following form:

AGREEMENT

BETWEEN THE CITY OF PITTSBURGH AND THE HOUSING AUTHORITY OF THE CITY OF PITTSBURGH

1. In consideration of the mutual promises of the City of Pittsburgh, Pennsylvania (herein called the "City"), and the Housing Authority of the City of Pittsburgh (herein called the "Authority"), hereinafter set forth, the City and the Authority agree as follows:

2. The City agrees to lend the sum of Fifty Thousand Dollars (\$50,000.00) heretofore appropriated by Ordinance 493, Series 1945, Code Account 42-1 (Loan to Pittsburgh Housing Authority) to the Authority for the preparation of preliminary plans and studies for an additional low-rent housing project or projects, the said sum to be repaid to the City without interest by the Authority when the Federal Public Housing Authority or other government agency allocates funds to the Authority for the development of a low-rent housing project or projects, the preliminary plans and studies for which were made as a result of this loan to the Authority.

3. The Authority agrees to use the said sum of Fifty Thousand Dollars (\$50,000.00) borrowed from the City and appropriated by Ordinance No. 493, Series 1945, Code Account 42-1 (Loan to Pittsburgh Housing Authority) for the preparation of preliminary plans and studies for an additional low-rent housing project or projects.

4. The Authority agrees to repay the sum of Fifty Thousand Dollars (\$50,000.00) borrowed from the City, without interest, when it receives an allocation or allocations for the de-

velopment of a low-rent housing project or projects from the Federal Public Housing Authority or other government agency, based upon the preliminary plans and studies to be made by the Authority with the Fifty Thousand Dollars (\$50,000.00) herein loaned by the City to the Authority.

IN WITNESS WHEREOF, THE CITY OF PITTSBURGH, PENNSYLVANIA, and the HOUSING AUTHORITY OF THE CITY OF PITTSBURGH have respectively caused this agreement to be duly executed, in sextuplicate, as of the _____ day of _____ A. D. 1946.

No. 204

AN ORDINANCE — Authorizing the

City of Pittsburgh to enter into an agreement modifying cooperation agreement with the Housing Authority of the City of Pittsburgh for Project No. PA-1-4, Arlington Heights, entered into December 31, 1940; prescribing a form of contract with the Housing Authority of the City of Pittsburgh with reference thereto; and authorizing the execution of said contract.

WHEREAS, Pursuant to Ordinance No. 629, Series 1940, passed on December 16, 1940 and approved by the Mayor on December 18, 1940, the City of Pittsburgh entered into a contract with the Housing Authority of the City of Pittsburgh, dated December 31, 1940, to furnish municipal aid for Project PA-1-4, Arlington Heights Project of the said Authority; and

WHEREAS, Paragraph 3 of the said agreement required the City, inter alia, to "provide without cost to the Local Authority at the boundary of the project . . . sidewalks . . . adequate to furnish access to the project;" and

WHEREAS, The City and the Authority are desirous of modifying the said agreement in order to relieve the City of its obligation to "provide

without cost to the Local Authority at the boundary of the project . . . sidewalks . . . adequate to furnish access to the project," in consideration of an agreement between the City to lend the Authority the sum of \$50,000; NOW, THEREFORE,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the City hereby determines to enter into an agreement with the Housing Authority of the City of Pittsburgh modifying the requirements of paragraph 3 of the Cooperation Agreement for Project No. PA-1-4, Arlington Heights, entered into between the City and the Authority on December 31, 1940, all as more fully provided in the form of agreement set forth in Section 2 hereof.

Section 2. That the Mayor and the Director of the Department of Public Works be and they are hereby authorized to enter into an agreement, on behalf of the City of Pittsburgh, with the Authority in the following form:

AGREEMENT BETWEEN THE CITY OF
PITTSBURGH

and the

HOUSING AUTHORITY OF THE CITY
OF PITTSBURGH

WHEREAS, The Housing Authorities Law of the Commonwealth of Pennsylvania authorized the Authority to contract with respect to the improvements, services and facilities to be furnished for the benefit of low rent housing projects in the City, and the Housing Corporation Law authorizes the City to contract with respect to the municipal aid for projects; and

WHEREAS, Pursuant to the authority given to the City and to the Authority, hereinabove mentioned, the City and the Authority entered into a Cooperation Agreement for the development and administering of a low-rent housing project known as No. PA-1-4, Arlington Heights, in the City of Pittsburgh, under date of December 31, 1940; and

WHEREAS, It is the desire of the City and the Authority to amend the said agreement entered into on December 31, 1940;

NOW, THEREFORE, THIS AGREEMENT WITNESSETH: That in consideration of the mutual promises of the City and the Authority hereinafter set forth, the City and the Authority agree as follows:

1. In consideration of the granting of a loan by the City to the Authority in the amount of \$50,000 by an agreement entered into contemporaneously herewith, the Authority will not require the City to perform its obligation contained in paragraph 3 of the Cooperation Agreement dated December 31, 1940 to "provide without cost to the Authority at the boundary of the project . . . sidewalks . . . adequate to furnish access to the project."

2. Nothing in this agreement shall be construed as terminating, altering, or amending any part of the agreement entered into between the City and the Housing Authority of the City of Pittsburgh dated December 31, 1940, except that part of paragraph 3 of the said agreement referred to in paragraph 1 hereinabove.

3. Nothing in this agreement shall be construed as limiting the power of the City in furnishing aid and cooperation other than and in addition to the matter more particularly described in this agreement.

4. The City consents to the assignment of this agreement for the protection of the holders of any bonds issued to aid in financing the development of the projects of the Authority.

5. This agreement shall continue in full force and effect with respect to the projects of the Authority as long as the title thereto (except for the lien or title conveyed to the Trustee or Trustees under the Indenture or Indentures securing bonds issued to aid in the development of the projects) is held by the Authority or some other public body or agency of the state.

8. The Authority and the City agree that the cost to the City of performing this agreement will be well within its annual current revenues.

IN WITNESS WHEREOF, the City of Pittsburgh, Pennsylvania, and the Housing Authority of the City of Pittsburgh, have respectively caused this agreement to be duly executed in triplicate as of the _____ day of _____, A. D., 1946.

AN ORDINANCE—Providing for an agreement with the County of Allegheny permitting the County to enter the city to straighten, widen, alter and open at variable widths a portion of the County road known as Steuben street; to make connections with city sewers; and providing for the construction and maintenance of drainage systems and sidewalks, adjustment of streets and adjustment of utilities of private parties and public utilities.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works be and they are hereby authorized and directed to enter into an agreement with the County of Allegheny containing substantially the following provisions:*

(1) Authorizing and permitting the County of Allegheny to enter into the City for the purpose of straightening, widening, altering and opening to variable widths the county road known as Steuben street, in accordance with plans prepared by the County; and granting the County the right to make connections with the existing City sewers as shown on said plans.

(2) The County, at its own cost and expense, shall construct the said improvement and make all necessary surveys and prepare necessary plans and specifications for the said construction from a point at the intersection of Steuben street with Middletown road in the City of Pittsburgh and the Borough of Ingram to a point on Union avenue in the Borough of Crafton, being 0.549 miles more or less in length; and the County shall pay all damages for the taking, destroying and injuring of property caused by the said improvement.

(3) The County, at its own cost and expense, shall construct the drainage systems as shown on its plans and shall maintain the catch basins, storm inlets and crossdrains within the right-of-way limits of Steuben street. The City, at its own cost and expense, shall maintain all sewers, catch basins and inlets on Stratmore avenue, Cumberland street and Middletown road outside of the right-of-way limits of Steuben street. On Steuben street, west of Stratmore avenue, the County need construct only a berm gutter and open inlets within the City limits which shall be maintained by the County.

(4) The County, at its own cost and expense, shall construct sidewalks within the City limits between Stratmore avenue and Middletown road and the City shall relieve the County of maintenance thereof and responsibility therefor.

(5) The County shall make adjustments to existing streets in the City of Pittsburgh; namely, Steuben street, Middletown road, Stratmore avenue, Cumberland street and Rideour avenue, as shown on County plans. The City shall maintain these streets as readjusted outside of the right-of-way of the County highway upon completion of the work. The County shall preserve trees by proper protection approved by the City.

(6) The County shall give necessary notice to public utilities and private parties effected by the improvement and shall require their adjustment of present or new facilities. The City, at its own cost and expense, shall make adjustments to its own sanitary sewers.

(7) The County shall maintain the entire project upon completion thereof, including the portions within the City limits, except as herein otherwise provided.

No. 223

AN ORDINANCE—Granting unto Mike Cafaro of Pittsburgh, Pennsylvania, his successors or assigns, the right to construct, maintain and use an addition to his present 3-story brick building at No. 201 Shiloh street, in the 19th Ward, Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That Mike Cafaro, his successors or assigns, subject to the terms and conditions herein provided, is hereby given the right and authority, at his own cost and expense, to construct, maintain and use an addition to his present 3-story brick building at No. 201 Shiloh street, in the 19th Ward, Pittsburgh, Pennsylvania, the said addition being located as follows:*

Beginning at a point on the northerly line of Sycamore street, distant 39' 6" from the intersection of the easterly line of Shiloh street with the southerly line of Sycamore street; thence eastwardly along the southerly line of Sycamore street 19' 6" to a point; thence deflecting to the left 90°

0' 0" in a northerly direction 5' 6" to a point; thence deflecting to the left 90° 0' 0" in a westerly direction 19' 6" to a point; thence deflecting to the left 90° 0' 0" in a southerly direction 5' 6" to a point on the southerly line of Sycamore street, the place of beginning.

The said addition shall be constructed in accordance with the plans hereto attached and identified as Accession No. 578, Folder B, on file in the Division of Public Utilities, Bureau of Engineering, Department of Public Works.

SECTION 2. The said Mike Cafaro, prior to beginning the construction, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of said addition and said plans and the construction of the said addition shall be subject to the approval and supervision of the Director of the Department of Public Works.

SECTION 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of said addition to his present 3-story brick building at No. 201 Shiloh street and compensation for same.

SECTION 4. The said Grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and subsurface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said addition to his present 3-story brick building at No. 201 Shiloh street. All of said work, including the repaving of the streets damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

SECTION 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said addition to his present 3-story brick building at No. 201 Shiloh street upon giving six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said Mike Cafaro, his successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith, remove the said addition to his present 3-story brick building at No. 201 Shiloh street and replace the street to its original condition, at his own cost and expense.

SECTION 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of said addition to his 3-story brick building at No. 201 Shiloh street, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

SECTION 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within sixty (60) days after its passage and approval, Mike Cafaro, his successors or assigns, shall file with the City Controller his certificate of acceptance of the provisions thereof, said certificate to be executed by Mike Cafaro, his successors or assigns.

SECTION 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

the water system, including the buildings, machinery, equipment of the filtration plant and pumping stations, the water mains, reservoirs, tanks, and all essential parts of the system;

(e) The construction and reconstruction of walls and cribs by use of concrete, stone or metal or any combination thereof;

(f) The construction of park roads, driveways and walks;

(g) Stream improvements to include dredging, realignment, paving, slope treatment, revetments and work incidental thereto;

(h) The acquisition of land, easements, and buildings. The construction, reconstruction, improvement and alteration of buildings including the demolition of buildings as required in connection therewith;

(i) The acquiring, improving and altering of various equipment and plant;

(j) The labor, materials, equipment and supplies; the engineering, architectural and other services required; the damages caused by, and the expenses incurred in connection with any of the above improvements. The estimated period of usefulness of the property for which the aforesaid general obligation bonds are to be issued is hereby stated and determined to be twenty (20) years from the date of said bonds.

SECTION 2. Said bonds shall be in denominations of One Thousand Dollars (\$1,000.00) each, shall be dated as of _____ day of _____, 1946, and shall be payable in twenty (20) equal installments of Fifty-five Thousand Dollars (\$55,000.00) each, one of which installments shall mature on the _____ day of _____, in each of the years 1947 to 1966, inclusive. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by acceptance of bids submitted in accordance with published advertisements as provided by law, payable semi-annually on the first days of

----- and -----
----- in each year during the term thereof, without deduction for any taxes which may be levied on said bonds, or on the debt secured thereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which is hereby assumed by the City of Pittsburgh. The principal of and interest on said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for registered bonds of the same maturity by surrendering such coupon bond or bonds, with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh. The cost of preparing and issuing these bonds shall be deemed to be one of the purposes for which the bonds are issued and the expenses thereof shall be paid out of the proceeds of the sale of these bonds upon invoices approved by the Finance Committee of Council.

Registered bonds shall be registered with the City Treasurer, and shall be re-registered only on the books of the City Treasurer. Both registered and coupon bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of any of such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place.

Each of said bonds shall be known and designated as

**GENERAL PUBLIC IMPROVEMENT
BOND OF 1946, SERIES A.**

SECTION 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder therefor after public no-

tice by advertisement as may be required by law.

SECTION 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said bonded debt shall have been increased or incurred, namely, the year 1947, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to five per centum (5%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenues of said City for the payment and redemption aforesaid.

The aforesaid tax levy shall be expressed as an amount of money to be raised by taxation in each succeeding year, during the term of said bonds, for principal, interest and taxes thereon, by a subsequent ordinance supplementing or amending this ordinance after the determination of the interest rate which shall be applicable thereto. Said ordinance or amendment to this ordinance shall also fix the interest rate on said bonds.

SECTION 5. That all bonds issued by the authority of this ordinance, and the Acts of Assembly authorizing the same, shall be general obligation bonds, shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof, shall be free from taxation, as aforesaid, and for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the full faith, honor, credit and property of the City are hereby irrevocably pledged.

SECTION 6. That the form of cou-

pon bonds issued in pursuance of this ordinance shall be substantially as follows:

No. 225

AN ORDINANCE—Authorizing and directing an increase of the indebtedness of the City of Pittsburgh, in the amount of One Hundred Fifty Thousand Dollars (\$150,000.00), and providing for the issuance of general obligation bonds of said City in said amount to provide funds for the purchase and delivery of motor vehicles and motorized equipment to be used in the performance of the Municipal Functions of the City of Pittsburgh, and levying taxes to provide for the redemption of said bonds at maturity and the payment of interest and State taxes thereon.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That General Obligation bonds of the City of Pittsburgh be issued in the aggregate principal amount of One Hundred Fifty Thousand Dollars (\$150,000.00) to provide funds for the purchase and delivery of motor vehicles and motorized equipment to be used in the performance of the municipal functions of the City of Pittsburgh. The estimated period of usefulness of the property for which the aforesaid general obligation bonds are to be issued is hereby stated and determined to be eight (8) years from the date of said bonds.*

SECTION 2. Said bonds shall be in denominations of One Thousand Dollars (\$1,000.00) each, shall be dated as of the

-----day of -----
1946, and shall be payable in seven (7)
equal installments of Nineteen Thousand
Dollars (\$19,000.00) each, one of which
installments shall mature on the-----

-----day of----- in
each of the years 1947 to 1953, inclu-
sive, and a final installment of Seven-
teen Thousand Dollars (\$17,000.00)
which shall mature on the-----

day of -----, 1954.
Said bonds shall bear interest at a rate
not exceeding four per centum (4%)
per annum, to be determined by accep-
tance of bids submitted in accordance
with published advertisements as pro-
vided by law, payable semi-annually
on the first days of-----

and----- in each
year during the term thereof, without
deduction for any taxes which may be
levied on said bonds, or on the debt
secured thereby, by the Commonwealth
of Pennsylvania, pursuant to any pres-
ent or future law (except succession,
estate, inheritance and gift taxes), the
payment of which is hereby assumed by
the City of Pittsburgh. The principal
of and interest on said bonds shall be
payable in lawful money of the United
States of America at the office of the
City Treasurer of said City. Said bonds
shall be coupon bonds, exchangeable at
the option of the holder for registered
bonds of the same maturity by sur-
rendering such coupon bond or bonds,
with all coupons not yet due, at the
office of the City Controller; and the
City Controller is hereby authorized and
directed to cause such coupon and reg-
istered bonds to be printed or engraved
and to issue the same in the name of
the City of Pittsburgh. The cost of pre-
paring and issuing these bonds shall be
deemed to be one of the purposes for
which the bonds are issued and the
expenses thereof shall be paid out of
the proceeds of the sale of these bonds
upon invoices approved by the Finance
Committee of Council.

Registered bonds shall be registered
with the City Treasurer, and shall be
re-registered only on the books of the
City Treasurer. Both registered and cou-
pon bonds shall be signed by the Mayor,
countersigned by the City Controller,
and sealed with the corporate seal of the
City of Pittsburgh. In case of the ab-
sence or disability of any of such offi-

cials, the bonds shall be signed by the
City official authorized by law or by res-
olution of Council to act in his place.

Each of said bonds shall be known
and designated as **MOTORIZED EQUIP-
MENT BOND OF 1946, SERIES A.**

SECTION 3. That said bonds shall be
sold by the Mayor and the City Con-
troller, at not less than par and accrued
interest, to the highest responsible bid-
der therefor after public notice by ad-
vertisement as may be required by law.

SECTION 4. That until said bonds,
issued as herein provided, shall be fully
paid, there is hereby levied and assessed
annually upon all subjects now by law
liable, or hereafter to be made liable, to
assessment for taxation for City pur-
poses, an annual tax, commencing the
first year after said bonded debt shall
have been increased or incurred, namely,
the year 1947, sufficient to pay the in-
terest on said bonds as the same shall
accrue and become payable, and any
tax thereon which by the terms of said
bonds is assumed by the City, and also
an annual tax commencing in said year
equal to twelve and sixty-seven hun-
dredths per centum (12.67%) of the
total amount of said bonds hereby au-
thorized for the years 1947 to 1953,
inclusive, and equal to eleven
and thirty-three hundredths per
centum (11.33%) of the total
amount of said bonds for the year 1954,
to be set apart as a sinking fund for
the payment of the principal and re-
tirement of said bonds as they become
due and payable according to their
terms, and the same is hereby appro-
priated out of the revenues of said
City for the payment and redemption
aforesaid.

The aforesaid tax levy shall be ex-
pressed as an amount of money to be
raised by taxation in each succeeding
year, during the term of said bonds, for
principal, interest and taxes thereon, by
a subsequent ordinance supplementing
or amending this ordinance after the
determination of the interest rate which
shall be applicable thereto. Said ordi-
nance or amendments to this ordinance
shall also fix the interest rate on said
bonds.

SECTION 5. That all bonds issued by

the authority of this ordinance, and the Acts of Assembly authorizing the same, shall be general obligation bonds, shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof, shall be free from taxation, as aforesaid, and for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the full faith, honor, credit and property of the City are hereby irrevocably pledged.

KNOW ALL MEN BY THESE PRESENTS: That the City of Pittsburgh, a municipal corporation, created by and existing under the laws of the Commonwealth of Pennsylvania, is indebted to the bearer in the sum of One Thousand Dollars (\$1,000.00), lawful money of the United States of America, which sum the said City of Pittsburgh promises to pay to the said bearer at the office of the City Treasurer of said City on the first day of-----
A. D. 19----, with interest thereon from the date hereof at the rate of----- per centum (----%) per annum, payable semi-annually to the bearer of the annexed coupons at the time and place therein specified, without deduction for any taxes which may be levied hereon or on the debt secured hereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which is hereby assumed by the City of Pittsburgh. And for the true and faithful payment of the principal of this bond and the semi-annual interest thereon, as aforesaid, the faith, honor, credit and property of the said City of Pittsburgh are hereby irrevocably pledged.

Any one or more of the coupon bonds of the series of which this is one may, at the option of the holder, be exchanged at any time for a registered bond or bonds of the same maturity and denomination by surrendering the said coupon bond or bonds, with all the coupons not then due, at the office of the City Controller of the said City.

This bond is one of a series of bonds amounting in the aggregate to One Hundred Fifty Thousand Dollars (\$150,000.00) issued by the City of Pittsburgh for valid municipal purposes by virtue of and in pursuance of an Act of the General Assembly of the Commonwealth of Pennsylvania, approved the 25th day of June, A. D. 1941, P. L. 159, entitled the "Municipal Borrowing Law," and also in pursuance of an ordinance of the City of Pittsburgh, duly enacted by the Council thereof and approved by the Mayor thereof on the-----day of-----, 1946, as supplemented and amended and duly recorded and published in the manner required by law.

It is hereby certified and recited that every requirement of law affecting the issue hereof has been duly complied with; that provision has been made for the collection of an annual tax sufficient to pay the interest and State tax hereon, and also the principal hereof at maturity; and that the total amount of the debt of the City of Pittsburgh, created without the consent of the electors thereof, including the entire issue of the above mentioned bonds aggregating One Hundred Fifty Thousand Dollars (\$150,000.00) of which this is one, is less than two per centum (2%) of the last preceding assessed valuation of the taxable property therein; and the entire debt of the City of Pittsburgh, including the entire issue of the above mentioned bonds aggregating One Hundred Fifty Thousand Dollars (\$150,000.00) of which this is one, is less than seven per centum (7%) of the last preceding assessed valuation of the taxable property therein; and that this bond and the debt created thereby are within every debt and other limit prescribed by the Constitution and the laws of the Commonwealth of Pennsylvania.

No. 242

AN ORDINANCE — Authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the amount of \$250,000.00 and providing for the issuance and sale of Callable General Obligation Bonds of said City, in said amount, to provide funds to be loaned to the Allegheny County Sanitary Authority to be used by it in connection with organization costs, expenses of administration and costs for the preparation of plans and specifications and the construction of a sewage disposal system to treat and dispose of sewage in the City of Pittsburgh in order to comply with the order of the Sanitary Water Board of the Commonwealth of Pennsylvania, and levying taxes to provide for the redemption of said bonds at maturity and the payment of interest and State taxes thereon.

WHEREAS, The Sanitary Water Board of the Commonwealth of Pennsylvania, pursuant to authority conferred by the Act of June 22, 1937, P. L. 1887, as amended by Act No. 177, approved by the Governor May 8, 1945, ordered and directed the City of Pittsburgh to discontinue the discharge of sewage into the waters of the Commonwealth on or before May 16, 1947, and in connection therewith, to submit to said Sanitary Water Board for approval on or before June 1, 1946, a report and detailed construction plans and specifications for the operation of the necessary facilities to accomplish said purposes; and

WHEREAS, by Resolution No. 164, approved August 20, 1945, the City of Pittsburgh requested the County of Allegheny to organize a County Authority under the "Municipality Authorities Act of 1945" in order to construct and operate a sewage disposal system to comply with the order of the Sanitary Water Board of the Commonwealth of Pennsylvania; and

WHEREAS, the Allegheny County Sanitary Authority has been organized under the "Municipality Authorities Act of 1945" for the purpose of constructing and operating a sewage dis-

posal system to treat and dispose of sewage in the City of Pittsburgh, and to comply with the order of the Sanitary Water Board of the Commonwealth of Pennsylvania; and

WHEREAS, it is deemed advisable for the City of Pittsburgh to loan the sum of \$250,000.00 to the Allegheny County Sanitary Authority as an aid to the Authority for organization costs, administration expenses and costs for the preparation of plans and construction of a sewage disposal system.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That callable general obligation bonds of the City of Pittsburgh be issued in the aggregate principal amount of \$250,000.00, to provide funds to be loaned to the Allegheny County Sanitary Authority to be used by it in connection with organization costs, expenses of administration and costs for the preparation of plans and specifications and the construction of a sewage disposal system to treat and dispose of sewage in the City of Pittsburgh in order to comply with the order of the Sanitary Water Board of the Commonwealth of Pennsylvania. The estimated period of usefulness of the property and improvements for which the aforesaid general obligation bonds are to be issued, is hereby stated and determined to be twenty (20) years from the date of said bonds.*

Section 2. Said bonds shall be in denominations of One Thousand Dollars (\$1,000.00) each, shall be dated as of the 1st day of August, 1946, and shall be payable in five equal installments of Fifty Thousand Dollars (\$50,000.00) each, one of which installments shall mature on the first day of August in each of the years 1947 to 1951, inclusive. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by the acceptance of bids submitted in accordance with published advertisements as provided by law, payable semi-annually, on the first days of February and August in each year during the term thereof, without deduction for any taxes which may be

levied on said bonds, or on the debt secured thereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which is hereby assumed by the City of Pittsburgh. The principal of and interest on said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for registered bonds of the same maturity by surrendering such coupon bond or bonds, with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to Code Account No. 42, Contingent Fund.

The entire issue of said bonds, whether coupon or registered, shall be subject to call for redemption and pre-payment on the first day of August, 1947, or at any interest-paying date thereafter, by paying the face amount of the bonds then outstanding and accrued interest thereon from the last previous interest-paying date; provided notice of such redemption be given by publication at least sixty (60) days prior to the first day of August, 1947, or at least sixty (60) days prior to any call date subsequent to the first day of August, 1947. Such notice shall designate the place where such bonds shall be presented for payment and shall be published in at least one newspaper of general circulation in the City of Pittsburgh, Pennsylvania, and in "The Bond Buyer," or in any financial paper of like nature having a general circulation.

Registered bonds shall be registered with the City Treasurer, and shall be re-registered only on the books of the City Treasurer. Both registered and coupon bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of

any such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place.

Each of said bonds shall be known and designated as **CALLABLE SEWAGE DISPOSAL BONDS OF 1946.**

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder therefor after public notice by advertisement as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said bonded debt shall have been increased or incurred, namely, the year 1947, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to twenty per centum (20%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenues of said City for the payment and redemption aforesaid.

The aforesaid tax levy shall be expressed as an amount of money to be raised by taxation in each succeeding year, during the term of said bonds, for principal, interest and taxes thereon, by a subsequent ordinance supplementing or amending this ordinance after the determination of the interest rate which shall be applicable thereto. Said ordinance or amendment to this ordinance shall also fix the interest rate on said bonds.

The full amount of the contemplated loan to the Allegheny County Sanitary Authority is hereby pledged to the

redemption of these bonds and to the payment of interest and taxes thereon, and all sums received from the Allegheny County Sanitary Authority in repayment of said loan, or as interest thereon, shall be deposited in the Sinking Fund hereinbefore provided for the payment of principal and retirement of said bonds. The amount of any payment of principal or interest received from the Allegheny County Sanitary Authority and deposited in the Sinking Fund in any one year may be deducted from the amount of the annual taxes hereby levied for the following or subsequent years for the redemption of said bonds and the payment of interest and taxes thereon.

Section 5. That all bonds issued by the authority of this ordinance, and the Acts of Assembly authorizing the same, shall be general obligation bonds, shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof, shall be free from taxation, as aforesaid, and for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the full faith, honor, credit and property of the City are hereby irrevocably pledged.

Section 6. That the form of coupon bonds issued in pursuance of this ordinance shall be substantially as follows:

No. 243

AN ORDINANCE — Authorizing and directing the issuance of funding bonds of the City of Pittsburgh in the aggregate principal amount of Four Hundred and Fifty Thousand Dollars (\$450,000.00), for the purpose of funding part of the existing unfunded indebtedness of the City of Pittsburgh, consisting of contractors' claims, incurred in the making of permanent improvements, claims for damages arising from the opening, widening and improving of streets and the construction of sewers; judgments; and interest on the above contractors' claims, claims for damages and judgments; and levying taxes to provide funds for the redemption of said bonds at maturity and the payment of interest and State taxes thereon.

WHEREAS, The City Controller has submitted to Council a detailed statement under date of June 1, 1946, of the floating indebtedness of the City of Pittsburgh, in the sum of Four Hundred and Fifty Thousand Dollars (\$450,000.00) over and above the funds on hand available for the liquidation thereof; and

WHEREAS, Considerable savings on interest payments render it advisable to issue bonds for the purpose of funding said unfunded indebtedness; Now, Therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same.* That general obligation funding bonds of the City of Pittsburgh be issued in the aggregate principal amount of Four Hundred and Fifty Thousand (\$450,000.00) Dollars, to provide funds for the purpose of funding part of the existing unfunded indebtedness of the City of Pittsburgh, consisting of contractors' claims, incurred in the making of permanent improvements; claims for damages arising from the opening, widening and improving of streets and the construction of sewers; judgments; and interest on the above

contractors' claims, claims for damages and judgments. The estimated period of usefulness of the property acquired or the improvements made for which these general obligation funding bonds are issued is hereby stated and determined to be twenty years from the date of said bonds.

Section 2. Said bonds shall be in denominations of One Thousand Dollars (\$1,000) each, shall be dated as of the first day of August, 1946, and shall be payable in ten (10) equal installments of Twenty-Three Thousand Dollars (\$23,000.00) each, one of which installments shall mature on the first day of August in each of the years 1947 to 1956, inclusive, and in ten (10) equal installments of Twenty-Two Thousand Dollars (\$22,000.00) each, one of which installments shall mature on the first day of August of each of the years 1957 to 1966, inclusive. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by the acceptance of bids submitted in accordance with published advertisements as provided by law, payable semi-annually on the first days of February and August in each year during the term thereof, without deduction for any tax which may be levied on said bonds, or on the debt secured thereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which is hereby assumed by the City of Pittsburgh. The principal of and interest on said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder, for registered bonds of the same maturity, by surrendering such coupon bond or bonds, with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to the funds created by the sale of this issue of bonds.

Registered bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the City Treasurer. Both registered and coupon bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of any such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place.

Each of said bonds shall be known and designated as

FUNDING BOND OF 1946, SERIES A.

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder therefor after public notice by advertisement as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said bonded debt shall have been increased or incurred, namely, the year 1947, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to five and one-half per centum (5½%) or as much thereof as may be necessary of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenues of said City for the payment and redemption aforesaid.

The aforesaid tax levy shall be expressed as an amount of money to be raised by taxation in each succeeding year, during the term of said bonds, for principal, interest and taxes thereon, by a subsequent ordinance supple-

menting or amending this ordinance after the determination of the interest rate which shall be applicable thereto. Said ordinance or amendment to this ordinance shall also fix the interest rate on said bonds.

Section 5. That all bonds issued by the authority of this ordinance, and the Acts of Assembly authorizing the same, shall be general obligation bonds, shall be and become part of the funded debt of the City of Pittsburgh and shall be entitled to all the rights, privileges and immunities thereof, shall be free from taxation, as aforesaid, and for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the full faith, honor, credit and property of the City are hereby irrevocably pledged.

Section 6. That the coupon and registered bonds issued in pursuance of this ordinance shall be in form approved by the City Solicitor and shall follow the provisions of this ordinance.

Section 7. Pending the execution and delivery of the definitive bonds to be issued under this Ordinance, the Mayor and the City Controller are authorized to have prepared, and to execute and deliver to the purchaser of the bonds hereby authorized, one or more temporary typewritten or printed bonds for the aggregate principal amount of the bonds authorized by this Ordinance, which temporary bonds shall be in such denominations and amount as the Mayor and the City Controller may determine, and shall be substantially of the tenor of the registered bonds to be issued hereunder, with appropriate omissions, insertions and variations as may be required. The said footer projections on Mary street shall be constructed to the provisions of this Ordinance and in accordance with the plan identified as "Showing Footer Course on Mary St. for the Duquesne Brewing Company," known as Plan, Accession No. B-579,

on file in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, Pittsburgh, Pennsylvania.

Section 2. The said Duquesne Brewing Company, its successors or assigns, prior to the beginning of the construction of the footer projections, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the locations for the construction of the said footer projections, said plan and the construction of the footer projections shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its power over City streets, and to the Ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The said grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks above affected by this improvement; or the repair of any structure which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said projections; all of said work, including repairs of street or sidewalks, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said projections upon giving to the said Duquesne Brewing Company of Pittsburgh, its successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinances of Council; and the said Duquesne Brewing Company of Pittsburgh, its successors or assigns, when so notified, shall at or before the ex-

piration of the said six (6) months, remove the said projections and restore the street to proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Duquesne Brewing Company of Pittsburgh, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance, use and operation of said projections, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Duquesne Brewing Company of Pittsburgh, its successors or assigns, shall file with the proper officers of the City its certificate of acceptance to be executed by the said Duquesne Brewing Company of Pittsburgh.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

The said footer projections on South 22nd street and Mary street shall be constructed to the provisions of this Ordinance and in accordance with the plan, identified as "Showing Footer Course on South 22nd street and Mary street for a New Addition to Stock House No. 3, for the Duquesne Brewing Company," known as Plan, Accession No. B-580, on file in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, Pittsburgh, Pennsylvania.

Section 2. The said Duquesne Brewing Company, its successors or assigns, prior to the beginning of the construction of the footer projections, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location for the construction of the said footer projections, said plan and the construction of the footer projections shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its power over City streets, and to the Ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The said grantee shall bear the full cost and expense for the repaving and repair of the streets or

sidewalks above affected by this improvement; or the repair of any structure which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said projections; all of said work, including repairs of street or sidewalk, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said projections upon giving to the said Duquesne Brewing Company of Pittsburgh, its successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinances of Council; and the said Duquesne Brewing Company of Pittsburgh, its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said projections and restore the street to proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Duquesne Brewing Company of Pittsburgh, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and subsurface structures therein, caused by or arising out of the construction, maintenance, use and operation of the said projections, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the condition that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Duquesne Brewing Company of Pittsburgh, its successors or assigns, shall file with the proper officers of the City, its certificate of ac-

ceptance to be executed by the said Duquesne Brewing Company of Pittsburgh.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 278

AN ORDINANCE—Amending the title, Section 4, a portion of Section 5, and Section 6 of Ordinance No. 177 entitled, "An Ordinance regulating the operation of motor buses which require either a lay-over within the central business district or loading and unloading time in excess of five minutes at any approved stop therein, or both; requiring the owners or operators of such buses to provide off-street accommodations for such lay-over or loading and unloading; imposing certain requirements for the design and construction of such off-street accommodations and subjecting the location, design, construction and maintenance thereof to the approval of the Director of the Department of Public Safety; and providing the procedure and penalties for and in connection with violations thereof," approved June 8, 1945.

Section 1. Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the title of Ordinance No. 177 entitled, "An Ordinance regulating the operation of motor buses which require either a lay-over within the central business district or loading and unloading time in excess of five minutes at any approved stop therein, or both; requiring the owners or operators of such buses to provide off-street accommodations for such lay-over or loading and unloading; imposing certain requirements for the design and construction of such off-street accommodations and subjecting the location, design, construction and maintenance thereof to the approval of the Director of the Department of Public Safety; and providing the procedure and penalties for and in connection with violations thereof," approved June 8, 1945, which reads as follows:

"An Ordinance regulating the operation of motor buses which require either a lay-over within the central business district or loading and unloading time in excess of five

minutes at any approved stop therein, or both; requiring the owners or operators of such buses to provide off-street accommodations for such lay-over or loading and unloading; imposing certain requirements for the design and construction of such off-street accommodations and subjecting the location, design, construction and maintenance thereof to the approval of the Director of the Department of Public Safety; and providing the procedure and penalties for and in connection with violations thereof,"

shall be and the same is hereby amended to read:

"An Ordinance regulating the operation of motor buses which require either a lay-over within the central business district or loading and unloading time in excess of five minutes at any approved stop therein, or both; requiring the owners or operators of such buses to provide off-street accommodations for such lay-over or loading and unloading; imposing certain requirements for such off-street accommodations and subjecting the location, layout and maintenance thereof to the approval of the Director of the Department of Public Safety; and providing the procedure and penalties for and in connection with violations thereof."

Section 2. That Section 4 of the said Ordinance No. 177, approved June 8, 1945, which reads as follows:

"Section 4. The location, design, construction and maintenance of the off-street accommodations required by this ordinance shall be subject to the approval of the Director of the Department of Public Safety; and no owner or operator shall begin the construction, alteration or remodeling of off-street accommodations until the plans therefor have first been approved by the Director of the Department of Public Safety, which approval shall be in conformity with the regulations and requirements of the Pennsylvania Public Utility Commission and shall be in addition to the requirements of the Bureau of Building Inspection and of any other

state or municipal agency. The plans for such off-street accommodations shall provide for surfacing with at least a semi-hard material, necessary catch basins or other means of providing adequate drainage to a public sewer, and an outer fence, wall or landscape treatment, and, if such accommodations are to be used for passenger loading or unloading, shall show the means of ingress and egress of buses and the pathways for the loading and unloading of passengers." shall be and is hereby amended to read:

"Section 4. The off-street accommodations required by this ordinance shall be surfaced with at least a semi-hard material, shall have catch basins or other means of providing adequate drainage to a public sewer, and shall be furnished with a suitable outer fence, wall or landscape treatment. The location and layout of such off-street accommodations, including the means of ingress and egress of buses and the pathways to be followed by passengers and buses, shall be subject to the approval in writing of the Director of the Department of Public Safety, such approval to be in conformity with the regulations and requirements of the Pennsylvania Public Utility Commission and in addition to the requirements of any other regulatory agency."

Section 3. The first sentence of Section 5 of the said Ordinance No. 177, approved June 8, 1945, which reads as follows:

"Section 5. After any off-street accommodations are constructed, the owner or operator thereof, and his or its manager or supervisor, shall keep the entire premises clean and in good repair, as directed by the Director of Public Safety,"

shall be and is hereby amended to read:

"Section 5. After any off-street accommodations are in use, the owner or operator thereof, and his or its manager or supervisor, shall keep the entire premises clean and in good repair, as directed by the Di-

rector of the Department of Public Safety."

Section 4. That Section 6 of the said Ordinance No. 177, approved June 8, 1945, which reads as follows:

"Section 6. The provisions of Sections 1, 2, 3, 4 and 5 of this ordinance shall become effective nine months from the date on which restrictions now imposed by the United States war agencies on the use of building materials and labor are lifted sufficiently, in the judgment of the Director of the Department of Public Safety, to permit the construction of the off-street accommodations hereinbefore required. The Director shall notify in writing all individuals and companies operating a bus or buses within the central business district, that the nine month period for the construction of the off-street accommodations hereinbefore required, has begun; but, failure to receive such notice shall not excuse any owner or operator having knowledge of the existence of this ordinance from its requirements."

shall be and is hereby amended to read:

"Section 6. This ordinance shall become effective on August 1, 1946, provided, however, that if any bus owner or operator subject thereto shall before that date submit to the Director of the Department of Public Safety satisfactory written evidence that steps are being taken to provide the off-street accommodations required under Sections 2, 3 and 4 of this ordinance, such owner or operator shall be given such time, not exceeding six (6) months, to acquire, prepare and begin using such off-street accommodations, as the Director deems reasonable, and during such period of time the provisions of Section 1 of this ordinance shall not be enforced against such owner or operator."

Section 5. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as

the same affects this Ordinance.

No. 294

AN ORDINANCE—Granting unto the Duquesne Brewing Company of Pittsburgh, Pennsylvania, its successors or assigns, subject to the terms and conditions hereinafter stipulated, the right to construct, maintain and use an overhead steel bridge across Mary street, between the Bottling House and the new Warehouse Building, for the purpose of supporting steam, beer, electric power, ammonia and other lines and walk way.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Duquesne Brewing Company of Pittsburgh, Pennsylvania, its successors or assigns, are granted the right to construct, maintain and use an overhead steel bridge across Mary street, between the Bottling House and the new Warehouse Building, for the purpose of supporting steam, beer, elec-

tric power, ammonia and other lines and walk way, subject to the terms and conditions hereinafter stipulated.

BRIDGE OVER MARY STREET AND CENTER LINE LOCATION

The center line of the said steel bridge shall begin on the northerly line of Mary street, distant 38' 3¼" eastwardly from the easterly line of South 22nd street; thence deflecting to the right 92° 05' and in a southerly direction a distance of 60' 11¼" to the southerly line of Mary street, said point being distant 36' 1½" eastwardly from the easterly line of South 22nd street. The outer sides of the bridge to be 2' 6" on each side of center line.

The bridge shall have a minimum clearance of 21' above curb grade. Clear length 60' 2¾" from building line to building line.

GENERAL DESIGN

The above bridge shall be constructed of steel trusses and a walkway on one side, with a steel railing and steel plate floor.

The said bridge shall be constructed in accordance with the provisions of this Ordinance and in accordance with Plan, identified as Accession No. B-583, on file in the Division of Public Utilities, Bureau of Engineering, Department of Public Works, entitled "Proposed Steel Bridge over and across Mary street, between the Bottling House and the new Ware House Building."

Section 2. The said Duquesne Brewing Company, prior to the beginning of construction of said overhead steel bridge, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, showing the location and all details of the construction of said overhead bridge and no work shall be commenced thereon until said plans have been approved by the Director of the Department of Public Works, who shall have the right at all times to inspect and supervise the said construction, operation and maintenance.

Section 3. The rights and privileges

herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of overhead bridges across City streets and which may provide for compensation for the use thereof.

Section 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the streets and sidewalks affected by this improvement, or the repair of any structure or property which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said overhead bridge; all of said work, including repairs of streets or sidewalks, shall be done in a manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The said Grantee shall be responsible for and shall assume any liability whatsoever, either of the said Grantee or of the City of Pittsburgh, for damages to persons or property by reason of the construction, maintenance and use of said overhead bridges, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said overhead bridge upon giving six (6) months' notice thereof, in writing, through the proper officers of the City, pursuant to Resolution or Ordinance of Council, and that the said Grantee, when so notified, shall at the expiration of said six (6) months, forthwith remove the said overhead bridge and restore the said streets and sidewalks to a safe and proper condition. And, further, that no sign or display shall be placed or maintained on such structure.

Section 7. The foregoing rights and

privileges are granted subject to all the foregoing conditions and to the further condition that this Ordinance shall become null and void unless within thirty (30) days after the passage and approval of the Ordinance, the said Grantee shall file with the City Controller its certificate of this Ordinance, duly executed, and shall pay to the City Treasurer a permit fee of \$500.00.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

The said conduit being for the purpose of operating an underground steam distribution system consisting of two 10" steel pipes each in an 18" Armoco iron envelope conduit along with a third 15" Armoco iron envelope containing 5" and 2" red brass return lines. Said underground steam and condensate return system being for the purpose of transmitting steam from the point of termination of the present steam distribution lines in front of the Cathedral of Learning at the University of Pittsburgh to the upper campus of the University of Pittsburgh on O'Hara street and to the before mentioned group of hospital buildings on the property west of DeSoto street, located in the 4th Ward of the City of Pittsburgh.

The steam line shall be Riec Wil construction for its entire length. The elevations given refer to U. S. Datum.

The said conduit shall be constructed in accordance with the provisions of this Ordinance and in accordance with the plan identified as "Showing Conduit for the Hospital Steam Line Distribution Committee," known as Plan, Accession No. B-577 on file in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, Pittsburgh, Pennsylvania.

Section 2. The said Hospital Steam Line Distributing Committee and the University of Pittsburgh, their successors or assigns, prior to beginning the construction of the said underground steam distributing system, shall submit to the Director of the Department of Public Works of the City of Pittsburgh a complete set of plans, in triplicate, showing the location and all details for the construction of the said steam distributing system and necessary man-hole vaults and the said plans and details shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its power over City streets, and to the Ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The said grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks above affected by this improvement; or the repair of any structure which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said conduits; all of said work, including repairs of street or sidewalks, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said conduits upon giving to the said Hospital Steam Line

Distributing Committee and the University of Pittsburgh, their successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinances of Council; and the said Hospital Steam Line Distributing Committee and the University of Pittsburgh, their successors or assigns, when so notified, shall, at or before the expiration of the said six (6) months, remove the said conduits and restore the street to proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Hospital Steam Line Distributing Committee and the University of Pittsburgh, their successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance, use and operation of steam line distributing system, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Hospital Steam Line Distributing Committee and the University of Pittsburgh, their successors or assigns, shall file with the proper officers of the City, their certificate of acceptance to be executed by the said Hospital Steam Line Distributing Committee and the University of Pittsburgh.

No. 296

AN ORDINANCE—Granting unto the Bemet Realty Company of Pittsburgh, Pennsylvania, its successors or assigns, the right to construct, maintain and use a standard gauge railroad track siding across Magnolia street, in the 21st Ward, Pittsburgh, Pennsylvania.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Bemet Realty Company, its successors or assigns, subject to the terms and conditions herein provided, is hereby given the right and authority, at its own cost and expense, to construct, maintain and use a standard gauge railroad siding across Magnolia street in the 21st Ward, Pittsburgh, Pennsylvania, for the purpose of conveying materials, etc., to and from its property.

The center line of said truck siding being located as follows:

Beginning at a point on the easterly line of Magnolia street distant westwardly 204.0' from the westerly line of Fayette street; thence deflecting to the left 90° 0' 0" and in a southwesterly direction for a distance of 9.87' to a point of curve; thence continuing in a southwesterly direction by the arc of a curve, having a radius of 157.01' and a central angle of 5° 31' 41" for a distance of 15.15' to the westerly line of Magnolia street.

The said track siding shall be constructed in accordance with a plan identified as Accession No. B-584 on file in the Division of Public Utilities, Bureau of Engineering, Department of Public Works.

Section 2. The said Bemet Realty Company, prior to the beginning of construction of said track siding, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans showing location, paving, repaving, sewerage and all details for the construction of said track siding and the

said plans and the construction of the track siding shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of said track siding on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface and subsurface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said track siding. All of the said work, including the repaving of the streets damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said track siding upon giving six (6) months' notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said Bemet Realty Company, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said track siding and replace the streets to their original condition, at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of the said track siding, and it is a condition of this grant that the City of Pittsburgh assumes no lia-

bility to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to wit: This ordinance shall become null and void unless within sixty (60) days after its passage and approval, the Bemet Realty Company, its successors or assigns, shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 8. After the said track siding has been constructed and paved, the said Grantee shall maintain the same and the area extending five (5) feet in each direction from the center line thereof and between the easterly and westerly lines of Magnolia street. Such maintenance shall be appropriate to the adjoining street pavement, and as required by said Director.

Section 9. Should said track siding be abandoned or its use discontinued, the Grantee shall bear the full cost and expense of the repair and repaving of the part of Magnolia street occupied by the siding, including all sub-structures thereunder, as directed by said Director.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Works for and on behalf of the City of Pittsburgh to enter into an agreement with J. K. Davison & Bro. and Crucible

Steel Company of America relating to the vacation of a portion of THIRTIETH STREET, extending from Railroad street in a Northerly direction towards the Allegheny River to points south of the right-of-way of the Pittsburgh Junction Railroad Company; the dedication and conveyance of property by Crucible Steel Company of America for opening a new street along the Westerly line of property of Crucible Steel Company of America from Railroad street to the property of J. K. Davison & Bro.; the construction, paving and maintenance by Crucible Steel Company of America of a private right-of-way along the Northerly line of property of Crucible Steel Company of America from the new street to 30th street and the construction, maintenance, repair and reconstruction of a sewer thereon by the City; providing for the grading, paving, curbing and sewerage of said new street and for laying a water line with appurtenances thereon, and providing for the payment of the cost thereof.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Mayor and the Director of the Department of Public Works be and they are hereby authorized to make, execute and deliver in the name of and on behalf of the City of Pittsburgh a contract with J. K. Davison & Bro. and Crucible Steel Company of America in the following language, to-wit:*

AGREEMENT

Made and entered into this----- day of -----, 1946, by and between the CITY OF PITTSBURGH, a municipal corporation of the Commonwealth of Pennsylvania, hereinafter called the "City," party of the first part;

J. K. DAVISON & BRO., a corporation organized and existing under the laws of the Commonwealth of Pennsylvania, having its principal office in the City of Pittsburgh, Pennsylvania, hereinafter called "Davison," party of the second part;

A
N
D

CRUCIBLE STEEL COMPANY OF AMERICA, a corporation organized and existing under the laws of the State of New Jersey, having its principal office in the City of New York, New York, hereinafter called "Crucible," party of the third part,

WITNESSETH

WHEREAS, Crucible and Davison are the sole owners of all of the property abutting on that part of 30th street in the City of Pittsburgh, Pennsylvania, extending from Railroad street to the right of way of the Pittsburgh Junction Railroad Company; and

WHEREAS, Crucible desires the vacation of a portion of 30th street and the establishment of a new street, in lieu thereof, extending across property of Crucible, hereinafter described, and the City and Davison are willing to agree thereto, upon the terms and conditions hereinafter set forth,

NOW, THEREFORE, the parties hereto, in consideration of their mutual covenants and agreements hereinafter set forth, and intending to be legally bound hereby, do covenant and agree as follows:

1. Crucible agrees:

(a) To dedicate and convey to the City by good and sufficient deed of special warranty, the following described lot, piece or parcel of land situated in the Sixth Ward of the City of Pittsburgh, Allegheny County, Commonwealth of Pennsylvania, to-wit:

BEGINNING on the Northerly line of Railroad street at the line dividing properties of the City and Crucible Steel Company of America, located 192 feet West of the West line of 30th street; thence along said dividing line North 42° 1' West 432 feet to the line dividing the properties of Crucible and J. K. Davison & Bro.; thence along the last described property line North 47° 59' East 40 feet to a point; thence South 42° 1' East 403 feet to a point of curve; thence by the arc of a circle

deflecting to the left with a radius of 29 feet, a central angle of 90° for an arc distance of 45.55 feet to a point of tangent on the Northerly line of Railroad street; thence South 47° 59' West along the Northerly line of Railroad street 69 feet to the place of beginning.

(b) To pay one-half of the cost of grading, paving, curbing, sewerage, construction of water lines, and work incidental thereto of a new street to be laid out, opened and improved by the City of Pittsburgh on the above described tract of land. Payment of Crucible's one-half the cost of the improvement of the new street and one-half the cost of constructing the sewer on the private roadway, as provided as Paragraph (a) on page 3, shall be paid by Crucible within sixty (60) days after receipt of a statement from the City Treasurer of the amount due.

(c) To construct, pave and thereafter maintain a private roadway 20 feet in width on its own property abutting on and adjoining the southerly line of property of Davison, and extending from the proposed new street on the land above described to the present location of 30th street, over which private roadway Davison, its successors and assigns, and all other persons having occasion to go upon the lands of Davison for any lawful purpose, shall have in common with Crucible, its successors and assigns, the free, perpetual and uninterrupted use, liberty and privilege of passage, for the purposes of ingress, egress and regress to and from the property of Davison without cost to Davison, its successors and assigns.

Crucible hereby gives and grants to the City the right to construct, maintain, repair and reconstruct a sewer on, over and across said private roadway extending from the proposed new street to a point of connection with the existing sewer on 30th street.

(d) To pay to Davison within 60 days after the actual opening of the said new street the sum of Two Thousand (\$2,000) Dollars, to reimburse Davison for the expense to which it

shall be put by reason of the opening of the said street, and the vacation of that portion of 30th street, hereinafter described.

(e) That, whereas, the Peoples Natural Gas Company has a pipeline on that portion of 30th street proposed to be vacated, and The Bell Telephone Company of Pennsylvania has about seventy (70) feet of duct line extending from Railroad street, along 30th street, to the first pole north of Railroad street, to make suitable arrangements with these companies to relocate their lines so as to provide service to Crucible and to Davison.

(f) To make the necessary arrangements for adequate electric facilities to and as far as the new entrance to Davison's property.

(g) That at some point near the present 30th street entrance to Davison's property, drainage shall be provided, at Crucible's sole cost, to care for storm waters that may drain to that point by reason of the proposed higher grade of Crucible's yard.

(h) That adequate sewer and water facilities will be provided for Davison, at the sole cost of Crucible, to extend to the proposed new entrance to the Davison property.

2. City agrees:

(a) To lay out, open, grade, pave, curb and sewer the new street and construct a water line with appurtenances thereon; and construct a sewer on the private roadway referred to in paragraph 1 (c) hereof to connect with the existing sewer on 30th street, the cost of such improvement to be shared equally by the City and Crucible.

(b) That no benefits will be assessed against either Crucible or Davison for the opening and improving of the said new street.

(c) That, when the proposed new street is actually opened and improved, it will vacate that portion of 30th street described as follows:

BEGINNING at the northeasterly corner of the present 30th street and

Railroad street; thence N. 42° 1' West along the easterly line of the present 30th street a distance of 538' 5½", to a point; thence S. 37° 42' 36" West, a distance of 50' 9¾", to the westerly line of the present 30th street; thence S. 42° 1' E. along said westerly line of present 30th street a distance of 529' 4¾", to the northerly line of Railroad street; thence N. 47° 59' E. along said northerly line of Railroad street a distance of 50 feet to the point of beginning.

The Crucible Steel Company covenants and agrees to pay to the Treasurer of the City of Pittsburgh all costs and expenses of viewer's proceedings upon the vacation of the portion of 30th street above described; and, in addition, to pay to the Treasurer of the City of Pittsburgh the final total of any and all damages, which may be awarded either by viewers or upon appeal to the Courts by any property owners for damages occasioned by the vacation of that portion of 30th street, and that said amount shall be forthwith paid upon the City Solicitor's certifying to said amount to the City Treasurer.

3. Crucible further agrees:

(a) To keep the property over the existing sewer or any sewer that may be constructed in 30th street, after the vacation, free of all obstructions so that the sewer or sewers may be inspected, maintained, repaired, constructed or reconstructed at any time.

Crucible further waives all damages, claims or demands which may ever arise by reason of entry upon and/or maintenance and repair of the existing sewer or any sewer constructed on that portion of 30th street to be vacated.

AN ORDINANCE—Authorizing and directing the Grading, Paving and Curbing of Bangor street, from Prospect street to Natchez street, including relaying of water lines and other work incidental thereto, including, as may be necessary, the grading of approaches on streets affected thereby and sinking

of exploratory test holes; letting a contract or contracts therefor, and providing that the costs, damages and expenses of the same be assessed against and collected from property specially benefited thereby.

WHEREAS, it appears by the petition and affidavit on file in the office of the City Clerk that a majority of property owners in interest and number abutting upon the line of Bangor street from Prospect street to Natchez street have petitioned the Council of the City of Pittsburgh to enact an ordinance for the Grading, Paving and Curbing of the same; Therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That Bangor street from Prospect street to Natchez street be graded, paved and curbed, including relaying of water lines and other work incidental thereto, and that, as may be necessary, approaches be graded on streets affected thereby and exploratory test holes be sunk.*

Section 2. The Mayor and the Director of the Department of Public Works are hereby authorized and directed to advertise, in accordance with the acts of Assembly of the Commonwealth of Pennsylvania, and the Ordinances of the said City of Pittsburgh relating thereto and regulating the same, for proposals for the Grading, Paving and Curbing of Bangor street from Prospect street to Natchez street, including the relaying of water lines and other work incidental thereto, including, as may be necessary, the grading of said approaches and sinking of exploratory test holes; the contract or contracts therefor to be let in the manner directed by the said Acts of Assembly and Ordinances; and the contract price or contract prices, if let in separate contracts, not to exceed the total sum of Eighteen Thousand (\$18,000.00) Dollars, which is the estimate of the whole cost as furnished by the Department of Public Works.

Section 3. The costs, damages and expenses of the same shall be assessed against and collected from properties

specially benefited thereby, in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 368

AN ORDINANCE—Regulating, producing, importing, storing, transporting, hauling, delivering and distributing of solid fuel and solid fuel products, for consumption in the City of Pittsburgh; providing for the issuance and revocation of solid fuel permits; requiring the payment of a fee for the issuance of such permit; prescribing the powers and duties of the Superintendent of the Bureau of Smoke Prevention of the Department of Public Health in the enforcement thereof; providing penalties for the violation of this ordinance; and repealing all ordinances or parts of ordinances in conflict therewith.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the following definitions shall apply in the interpretation and enforcement of this ordinance:*

(a) "Solid Fuel" shall mean any anthracite, semi-anthracite, bituminous or lignite coal, briquette, boulets, coke, gas-house coke, petroleum coke, carbonized coal, petroleum carbon or any other mined, manufactured, processed or patented fuel not sold by liquid or metered measure.

(b) "Solid Fuel Permit" shall mean a certificate of authority under which any person may lawfully produce or haul solid fuel for use or consump-

tion in the City of Pittsburgh.

(c) "Storage" or any other word derived from the word "store" shall pertain to solid fuel stored for immediate or future hauling.

(d) "Person." The word "person" as used in this ordinance, shall mean person or persons, firm, corporation, institution, partnership, co-partnership, organization or association of any kind or nature, and shall include the masculine, feminine, singular or plural in any circumstance.

(e) "Vehicle" shall mean any wagon, cart, truck, machine, tractor, trailer, semi-trailer, or automobile, or any vehicle of any kind used for the importing or hauling of solid fuel for use or consumption in the City of Pittsburgh.

(f) "Fuel Peddler" shall mean any person who lawfully stores, distributes, advertises, sells, offers for sale or delivery, solid fuel in quantities of less than one thousand pounds in bags, baskets or bushel measures. Nothing in this ordinance shall be construed to govern or prohibit any person in the hauling of an emergency supply of solid fuel in an amount not to exceed two hundred and fifty pounds of solid fuel for his own individual use, provided such limited supply of solid fuel has been procured from a permittee under this ordinance, and provided, further, that such emergency supply of solid fuel is in compliance with all city ordinances regulating smoke control and the production, handling, importing, storing, selling, transporting, hauling, advertising, delivering, distributing, use of or consumption of solid fuel.

(g) "Haul" or any other word derived from the word haul shall pertain to the hauling, transporting, distributing or delivering of solid fuel for use or consumption in the City of Pittsburgh by any person, regardless of such person's interest in the solid fuel other than its haulage, transportation, distribution or delivery. Any person engaged in such practice shall be termed a "fuel hauler."

Section 2. No person shall produce,

import or haul any solid fuel, nor shall any person store any solid fuel for immediate or future hauling for use in the City of Pittsburgh without first obtaining a Solid Fuel Permit as provided in this ordinance.

Section 3. Every person who shall haul any solid fuel must display and keep displayed at all times, in a prominent place on the outer left side and outer right side of each vehicle used for such hauling, his name, his Solid Fuel Permit number and his address by street and number, in letters not less than three inches in height; and shall keep such printed name, address and permit number in such condition that the same may be readily distinguishable at all times. No person shall haul, or cause to be hauled, any solid fuel in any vehicle which is not in compliance with the requirements of this ordinance or which has not been registered and described in the Bureau of Smoke Prevention of the Department of Public Health, by a solid fuel permittee as a vehicle owned or exclusively controlled by such permittee, nor shall any vehicle be used for hauling solid fuel which is not registered and plainly identified by a permittee as provided by this ordinance.

Section 4. The Superintendent of the Bureau of Smoke Prevention of the Department of Public Health shall have and keep a public register of each Solid Fuel Permit issued by the number thereof, the name of the person to whom it is issued, the date when issued, the date of expiration of same, the amount paid therefor, the number of vehicles and the description of each vehicle registered, and such other information as he may reasonably require and such information as may be required by this or any other ordinances with respect to the storing, handling, importing, selling, hauling, trading or exchanging, transporting, delivering, distributing, advertising or offering for sale, delivery or distribution, use or consumption of any solid fuel in the City of Pittsburgh.

Section 5. Every person who shall make application for a solid fuel per-

mit as a fuel peddler shall pay the sum of two dollars (\$2.00) as and for the annual registration fee and the registration cost of one truck. Every other person who shall make application for a solid fuel permit shall pay the sum of ten dollars (\$10.00) as and for the annual registration fee and the registration cost of one truck. The sum of one dollar (\$1.00) shall be charged as registration cost for each additional truck registered under such solid fuel permit, as provided in Section 3 of this ordinance. Each solid fuel permit issued shall run until the 30th day of September, next succeeding. For each truck registered under the terms of this ordinance, the Bureau of Smoke Prevention of the Department of Public Health shall provide a suitable card certifying that said truck is properly registered for the current year. Said card shall be carried by the operator of the truck at all times. The Superintendent of the Bureau of Smoke Prevention shall examine and consider all such applications. He shall keep a public record of all applications being considered by him and shall make such investigations as he deems necessary and proper for his determination as to the fitness of the applicant and as to the compliance of the applicant, and the application to the requirements of this ordinance. After reasonable time necessary for his investigation, the Superintendent of the Bureau of Smoke Prevention shall either approve or disapprove the application upon the findings.

Section 6. Upon approval or disapproval of any application the Superintendent of the Bureau of Smoke Prevention shall post a public notice of his decision in his office. He shall at the same time transmit notice of his decision to the applicant.

Section 7. Any person making application for a Solid Fuel Permit shall file a statement on a printed form provided by the Bureau of Smoke Prevention of the Department of Public Health for that purpose, stating:

First. The names, residence, location of the business place or places of the applicant.

Second. If the applicant be a firm, the name of each member of the firm and the location of the chief place of business.

Third. If the applicant be a corporation, the names of the president, secretary and the business manager or superintendent thereof, and the address of such persons.

Fourth. The precise nature of the business to be carried on by the applicant.

Fifth. The name of the person in charge of each business place of the applicant in the City of Pittsburgh where solid fuel is to be hauled, transported, stored, imported, delivered, used, handled, sold, traded or exchanged, delivered, distributed, advertised or offered for sale, delivery or distribution, use or consumption.

Sixth. The location of the branches, locations of yards, owned or controlled by the applicant, and the average annual quantity of solid fuel hauled and distributed for use or consumption within the City of Pittsburgh.

Seventh. Where solid fuel is imported or hauled from localities outside of the City of Pittsburgh, or purchased from other parties within the city, a detailed statement of the localities or places from which said solid fuels are brought and the names and post office addresses of the persons supplying the same, the location of the shipping stations, if any, and a statement of the average quantity received from each person annually.

Elighth. He shall register each vehicle and report the state vehicle license number and the description of each vehicle, including the weight and capacity of each vehicle to be used in hauling solid fuel.

Ninth. If any change be made in the firm, officers, managers, superintendents, location, residence, nature of business, vehicles, or in the names or addresses of shippers or other persons supplying solid fuel or any

other matter of information required by this section, written notice thereof must forthwith be given to the Superintendent of the Bureau of Smoke Prevention for insertion in and correction of the records of the Division of Smoke Regulation.

Section 8. If a permittee wishes to purchase solid fuel from a source of supply not given on the list submitted at the time the application for permit is made, the Superintendent of the Bureau of Smoke Prevention shall be notified.

Section 9. Each permit shall run to the 30th day of the September following its issuance unless sooner revoked and no longer. The Superintendent of the Bureau of Smoke Prevention may refuse to grant a permit, such as is provided by this ordinance, and may revoke the permit of any permittee who, after passage of this ordinance, shall have been convicted of violating any ordinances of the City of Pittsburgh concerning the use or consumption of solid fuel, the inspection and regulation of handling solid fuel, or the inspection of sale of solid fuel, or misrepresenting the size, grade, quality, weight or method of preparation of solid fuel, or when any requirement of this ordinance is not complied with, or when said Superintendent shall have found the issuance or continuation of any permit will not be consistent with the public welfare, he may disapprove any application or revoke such permit.

Section 10. The Superintendent of the Bureau of Smoke Prevention may revoke any permit for any of the same reasons for which he may refuse to issue a permit.

Section 11. In the general performance of their duties or for the purpose of obtaining facts with respect to the compliance with this ordinance, the Superintendent of the Bureau of Smoke Prevention, the Assistant Superintendent and the Inspectors are hereby authorized to enter at all reasonable hours upon and into any buildings, establishments, premises and enclosures in or from which they have reason to believe that the provisions of this or-

distance are being violated, and to inspect or examine such buildings, establishments, premises or enclosures, and shall be permitted to examine all books, papers and records pertaining to the herein defined fuel. The Superintendent, the Assistant Superintendent, the Inspectors and such other persons as may be duly authorized by him to do so, shall have the right to require of the operator of any vehicle as herein defined that he display the card issued by the Superintendent of the Bureau of Smoke Prevention certifying registration of the said vehicle.

Section 12. Emergencies. In the event of an emergency affecting the health or welfare of the community, the Mayor shall have the authority to declare that such an emergency exists and for the period of the emergency may permit the use of any available equipment regardless of whether such equipment has been registered with the Bureau.

Section 13. Any person aggrieved by any decision, ruling or order of the Superintendent of Smoke Prevention may take an appeal to the Appeal Board as established by Ordinance No. 344 of 1941, as amended. Such appeal shall be taken within ten days after the decision, ruling or order complained of by filing with the Superintendent of Smoke Prevention a notice of appeal directed to the Appeal Board, specifying the grounds thereof and the relief prayed for. The Superintendent of Smoke Prevention shall forthwith transmit to the Appeal Board all papers constituting the record upon which the decision, ruling or order appealed from is taken. The Board shall fix a reasonable time for the hearing of the appeal and give due notice thereof by mail to the parties in interest and decide the same within a reasonable time. Such appeal shall act as a stay of any decision, ruling or order, excepting a decision, ruling or order refusing the issuance of a permit, until either approved, modified or set aside by said Appeal Board. At the hearing any party may appear in person or by agent or by attorney. A fee of Five Dollars shall be paid to the Treasurer of the City of Pittsburgh at the time the

appeal is filed. The Board, upon hearing such appeal, shall either affirm, modify or set aside any such decision, ruling or order.

Section 14. Any person, as herein defined, who shall violate any of the provisions of this Ordinance shall, upon conviction thereof before any alderman or police magistrate, be sentenced to pay a fine of not less than \$25.00 nor more than \$100.00 for each violation, and in default of payment of said fine to be imprisoned in the Allegheny County Jail or Allegheny County Workhouse for a period not exceeding thirty days. Each day's violation shall constitute a separate offense.

Section 15. If any part of this ordinance shall be declared to be invalid, such invalidity shall not affect the remaining portions of this ordinance; the City Council hereby declaring that they would have passed such remaining portions of this ordinance notwithstanding such invalidity, the within ordinance being passed for the purpose of further implementing an effective system of inspection and enforcement of provisions of smoke prevention in the City of Pittsburgh.

Section 16. The provisions of the within ordinance shall become effective October 1, 1946.

Section 17. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Providing for the issuance of retail milk permits and wholesale milk permits; fixing fees for such permits; conferring powers and imposing duties upon the Director of the Department of Public Health and otherwise providing for the administration of this ordinance, and imposing penalties for the violation thereof.

WHEREAS, The City of Pittsburgh has for many years inspected the sources of the milk supply of said city, including farms, receiving plants, pasteurizing plants, distributing plants and other facilities; and

WHEREAS, Such inspection involves substantial expense to the City of Pittsburgh; and

WHEREAS, Those engaged in selling milk in the City of Pittsburgh are now required to pay an annual license fee in a nominal amount of \$1.00; and

WHEREAS, The City of Pittsburgh desires to impose a fee for such inspection commensurate with the cost thereof; Now, Therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That for the purposes of this ordinance, the following definitions shall obtain:*

"Milk" means milk, skimmed milk, cream, sour milk, sour cream, buttermilk, and all other milks, and all other fluid derivatives of milk, except condensed milk and evaporated milk for manufacturing purposes.

"Person" includes singular and plural, masculine and feminine, and any individual, firm, copartnership, institution, association, or corporation thereof.

"To sell," "for sale" or "sold" and similar terms means the selling, exchanging, delivering, or having in possession, care, control, or custody with intent to sell, exchange, or deliver, or to offer or to expose for sale,

"Milk plant" is any place or premise or establishment where milk is collected, separated, processed, stored, bottled, pasteurized, or prepared in any manner for sale as milk.

"Director" means the Director of the Department of Public Health, City of Pittsburgh, or his authorized representative.

Section 2. On and after September 1, 1946, it shall be unlawful for any person to sell or deliver milk for consumption within the City of Pittsburgh from any milk plant, whether such plant be located within the City of Pittsburgh or outside its limits, without having first obtained a Retail Milk Permit or a Wholesale Milk Permit as the case may be and having paid the fee or fees hereinafter prescribed for such permit. Provided, that this section shall not apply to hotels, restaurants, soda-fountains, boarding houses or other places where milk is sold for consumption on the premises and is purchased from a person who is the holder of a Wholesale or Retail Milk Permit, nor to any retail grocer or retail food dealer who is the holder of a license or permit under the Food Inspection Ordinance of the City of Pittsburgh and who has purchased milk from a holder of a Retail Milk Permit or Wholesale Milk Permit under the provisions of this ordinance.

Section 3. The permits provided in Section 2 shall be issued for one year commencing September 1, 1946, and expire on August 31 the following year. Said permit shall be displayed in a conspicuous place in or on the vehicle from which milk is sold or delivered in the City of Pittsburgh, and shall contain the number of said permit, together with the name of the permit holder and the words "Retail Milk Permit" or "Wholesale Milk Permit," as the case may be, together with the appropriate years (as 1946-1947, etc.).

Section 4. Every person selling or delivering milk in the City of Pittsburgh shall pay a fee of \$25.00 per year for each retail milk route operated in whole or in part within the City of Pittsburgh as and for his Retail Milk Permit, and a fee of \$75.00 per year for each wholesale milk route operated in whole or in part within the City of Pittsburgh as and for his Wholesale Milk Permit fee. In the event that a route serves both wholesale and retail customers a retail milk permit fee shall apply, unless 50 per cent of the capacity of the vehicle is used to serve wholesale customers, in which event the wholesale milk permit fee shall apply. Said fee shall be payable in advance on or before the first of September, 1946, and each year thereafter.

Section 5. The fees collected in accordance with the preceding section shall be used to defray the cost of milk inspection by the City of Pittsburgh, and nothing contained in this ordinance shall in any way limit or modify the powers of the City of Pittsburgh existing under the ordinances of the City of Pittsburgh or under the laws of the Commonwealth of Pennsylvania, to inspect the sources, facilities and plants wherever located by which the milk supply of the City of Pittsburgh is produced.

Section 6. The Director of the Department of Public Health may before issuing a permit or permits above provided, inspect the herds, stables, dairy farms from which milk is obtained, handled and prepared for sale, receiving plants, pasteurizing plants, bottling plants, and any other facilities used in the preparation or processing of milk for sale in the City of Pittsburgh, and may refuse the permit or permits hereinbefore provided for noncompliance with any ordinances of the City of Pittsburgh relating to milk inspection or any laws of the Commonwealth of Pennsylvania relating to milk inspection, and the Director may at any time re-inspect the sources and facilities above provided and may revoke any permit or permits for noncompliance with said ordinances and/or laws.

Section 7. Any person violating the

provisions of this ordinance shall, upon conviction thereof, before any magistrate or alderman of the City of Pittsburgh be subject to a fine of not more than One Hundred Dollars (\$100.00) for each separate offense, to be collected as like fines are now collected by law, or in case of nonpayment of such fine to undergo imprisonment in the County Jail for a period not exceeding thirty (30) days.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 381

AN ORDINANCE — Granting unto Thomas S. Christo of Pittsburgh, his successors or assigns, the right and privilege to construct, maintain, use and operate a vault and column footer in the southerly sidewalk area of East Ohio street, in the 23rd Ward, Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That Thomas S. Christo of Pittsburgh, his*

successors or assigns, is hereby given the right, privilege and authority to construct, maintain, use and operate, at his own cost and expense, a vault and column footer in the southerly sidewalk area adjoining his property at 715 East Ohio street, in the 23rd Ward of the City of Pittsburgh, Pennsylvania.

The vault and column footer to be constructed by virtue of this Ordinance is to occupy a portion of the southerly sidewalk area bounded and described as follows:

VAULT

Beginning at a point on the southerly line of East Ohio street, distant eastwardly 122.26' from the easterly line of Nash street; thence eastwardly along the southerly line of East Ohio street for a distance of 20.22' to a point; thence deflecting to the left 90° 18' 0" in a northerly direction for a distance of 10.50' to a point; thence deflecting to the left 89° 48' 0" in a westerly direction for a distance of 20.22' to a point; thence deflecting to the left 90° 12' 0" in a southerly direction 10.50' to a point on the southerly line of East Ohio street, the place of beginning.

COLUMN FOOTER

Beginning at a point on the southerly line of East Ohio street, distant eastwardly 140.64' from the easterly line of Nash street; thence eastwardly along the southerly line of East Ohio street 5.82' to a point, having a projection of 2.04' and a depth of 12.5' below curb grade.

The said vault and column footer shall be constructed according to the provisions of this ordinance and in accordance with plan identified as "Plan of Sidewalk Vault and Column Footer for Thomas S. Christo at 715 East Ohio street, 23rd Ward, Pittsburgh, Pennsylvania" and filed in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, City of Pittsburgh, and known as Accession No. B-585.

Section 2. The said Thomas S. Christo of Pittsburgh, his successors or assigns, prior to the beginning of the

construction of the said vault, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of vault and column footer, said plan and the construction of the vault and column footer shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets, and also to ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance, use and operation of the vault and column footer on City streets and compensation for same.

Section 4. The said Thomas S. Christo of Pittsburgh, his successors or assigns, shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said vault and column footer. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this Ordinance is granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said vault and column footer, upon giving to Thomas S. Christo of Pittsburgh, his successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council and that the said Thomas S. Christo of Pittsburgh, his successors or assigns, when so notified, shall at or before the expiration of the said six

months, remove the vault and column footer and restore the street to proper condition, at their own cost and expense, to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Thomas S. Christo of Pittsburgh, his successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance, use and operation of said vault and column footer, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing right and privilege is granted subject to the conditions that this ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Thomas S. Christo of Pittsburgh, his successors or assigns, shall file with the proper officers of the City, its certificate of acceptance, accepting the provisions of this ordinance, said certificate of acceptance to be executed by the said Thomas S. Christo of Pittsburgh, his successors or assigns.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Section 3. The MAYOR and TREASURER shall advertise once each year in two daily newspapers published in the City of Pittsburgh for sealed proposals from BANKS to act as depositories of CITY MONEYS for the ensuing fiscal year. Executed proposals on forms provided by the Treasurer shall be filed in the office of the Controller.

Section 4. Any BANK desiring to qualify as a depository of such funds shall file with the TREASURER a sworn statement of its financial condition, showing the amount of paid in capital and surplus and its general financial condition, and shall also furnish with said statement a copy of the last preceding statement furnished to the Comptroller of the Currency or the Secretary of Banking as the case may be. The sworn statement herein provided for shall contain the information classified as in the statement furnished to the Comptroller of the Currency or the Secretary of Banking.

Any BANK accepting deposits of CITY MONEY as a depository hereunder shall enter into a written agreement under its seal with the CITY to

accept all the conditions and provisions of this Ordinance, and that it contracts and agrees to accept all CITY MONEYS tendered to it and to pay the interest, if any, thereon in accordance with this Ordinance, and to comply with all the provisions and conditions of this Ordinance, and to safely keep and pay over all such moneys deposited with it. By accepting the deposits and executing the agreement aforesaid, said BANK shall be held to agree to these provisions for itself, its successors and assigns.

Section 5. The sealed proposals submitted by BANKS will be opened by the MAYOR and TREASURER, or their designated representatives, at the place and time designated in the advertisement in the presence of the attending representatives of the banks and trust companies submitting the proposals. The right to reject any and all proposals shall be reserved.

Section 6. The MAYOR and the TREASURER shall submit the proposals by the BANKS to the COUNCIL with their recommendations. The COUNCIL shall accept such of the proposals as in its judgment are most advantageous to the CITY, and shall designate to the MAYOR and TREASURER the active and inactive depositories for each ensuing year, specifying Three Banks which shall be active depositories.

Section 7. The MAYOR and the TREASURER shall be and are hereby authorized and directed to enter into contracts with the BANKS designated by COUNCIL to act as depositories for CITY MONEYS for the next ensuing fiscal year.

the TREASURER shall be and he is hereby authorized and directed to deposit in any of the Active Depositories moneys in excess of One Million Dollars (\$1,000,000.00) for a period not to exceed ten days. The funds on deposit in the BANKS selected as active depositories shall be divided among the BANKS as nearly equal as possible, except with respect to deposits in excess of One Million Dollars (\$1,000,000.00) in times of exceptional receipts as herein provided for. The remainder of the CITY MONEYS shall be deposited and kept in the INACTIVE DEPOSITORIES. The ACTIVE DEPOSITORIES may act as INACTIVE DEPOSITORIES; provided that the total deposits in any of the BANKS shall never at any one time be in excess of twenty-five per centum (25%) of its capital and surplus as shown by the last statement filed by the BANK with the TREASURER. The CITY shall have the right to increase or reduce its deposits from time to time, within the limitations herein provided for.

Section 10. The rate of annual interest to be received by the CITY shall be computed monthly, and shall be payable to the CITY not later than the fifth day of each month for the month immediately preceding.

Section 11. For the purpose of securing the CITY AGAINST loss by the deposit of CITY MONEYS in BANK, BANK shall deliver to CITY securities in negotiable form, for which securities the TREASURER, in behalf of the City, shall give his receipt to BANK. The said CITY shall deposit all of said securities in a safe deposit box or boxes located in the safe deposit vault of the respective BANK. The key or keys to said boxes shall at all times be deposited with the TREASURER. If any of the BANKS shall not possess an adequate safe deposit vault in its place of business, the securities shall then be deposited by the CITY in a safe deposit box or boxes in a vault in a bank, trust company, or safe deposit company to be selected by the CITY and the cost thereof shall be paid by the BANK. All safe deposit boxes herein required shall be in the name of the CITY, and no access to said safe de-

post box or boxes shall be had by any officer or representative of the CITY, or the BANK, except upon written order signed by the TREASURER and countersigned by the CONTROLLER or DEPUTY CONTROLLER designating two persons as representatives of the CITY. The BANK shall be represented by one or more of its officers. The designated representatives of the CITY and the BANK shall be present when any said safe deposit box is opened; and they shall remain present while any of said safe deposit box is open and duly witness any addition, substitution, withdrawal or other dealing with said securities.

Section 12. Securities or other obligations that shall be acceptable as security for the deposit of the CITY MONEYS shall be of the following classes:

Bonds of the United States of America;

Bonds of the Commonwealth of Pennsylvania;

Bonds of the County of Allegheny, Pennsylvania;

Bonds of the City of Pittsburgh, Pennsylvania;

Bonds of the School District of the City of Pittsburgh, Pennsylvania;

Certificates of Indebtedness issued by the City of Pittsburgh, including contractor's certificates, which shall be taken at their market value.

Section 13. The CONTROLLER shall have the right when he deems it advisable to examine the securities or other collateral, or any part thereof, deposited by the BANKS with the CITY that are deposited under the terms of this ORDINANCE.

The TREASURER and/or the CONTROLLER shall have the absolute right to reject any security or securities which in the opinion of said TREASURER and/or CONTROLLER are not satisfactory securities for the protection of the deposits of CITY MONEYS, or to call for and demand additional security or replacement thereof.

In the event that deposits are re-

duced in BANK the BANK shall have the right to withdraw securities. All increases of deposits of CITY MONEYS shall be immediately secured by additional securities as herein provided.

BANK shall have the right to substitute acceptable securities, at all times, of the market value herein provided.

Section 14. The CONTROLLER and TREASURER shall from time to time, when demanded, cooperate in affording Bank the opportunity to clip and detach all interest coupons attached to any of the Securities deposited hereunder, when and as the same becomes due and payable, provided BANK is not in default hereunder.

Section 15. The securities deposited by each BANK for the security of the deposits shall at all times amount to, or be of the market value of one hundred and ten per centum (110%) of the amount on deposit with each BANK, and shall be delivered to the CITY immediately upon the deposit of CITY MONEYS.

Section 16. In the event any BANK is found to be insolvent or in the event of the restriction or prohibition in the conduct of the business of any BANK, or the neglect or failure to well and/or honestly keep, pay out or account for all CITY MONEYS with any interest due thereon, it shall be the duty of the TREASURER forthwith to report the same to the CONTROLLER, who shall proceed according to law to collect the CITY MONEYS due the CITY from BANK, from the sale of the securities which have been deposited as security for CITY MONEYS; and to that end shall have the right to open the safe deposit box or boxes without the presence of a representative of the BANK, take possession of the securities, and sell the same at public or private sale without notice to the BANK, and to apply the proceeds of said sale in payment of the moneys due by the BANK to the CITY; any balance not needed for that purpose to be paid to the BANK. In case enough money shall not be secured through said sale to pay the CITY, the CITY shall have

the right to collect such shortage as any other depositor of the BANK may do.

Section 17. The TREASURER shall within five days after the last business day of each month report to the CONTROLLER and COUNCIL in detail the amount of money on deposit with each BANK and the securities deposited to secure the same at their market value.

Section 18. All moneys received as grants from the United States Government and all funds appropriated by COUNCIL for any public improvement or other activity for which offers of grant of United States Government funds shall have been received, shall be deposited in special trust accounts identified as the trust accounts for that improvement, and further identified by the Docket Number assigned to that improvement by the United States Government in the offers of grant. Funds not at once needed for such public improvements shall be deposited in INACTIVE DEPOSITORIES bearing such interest and subject to such restriction as to notice of intent to withdraw as heretofore provided. From such INACTIVE DEPOSITORIES funds as needed shall be transferred to Active Depositories subject to immediate withdrawal.

Section 19. Any BANK insured by membership in the Federal Deposit Insurance Corporation, may qualify as an approved depository for such special construction accounts upon compliance with and acceptance of the conditions prescribed for INACTIVE DEPOSITORIES by this ORDINANCE. The funds deposited in any such special construction accounts shall not be considered so as to effect the limitation upon the deposit of CITY MONEYS in BANKS.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the Bloom Engineering Company of Pittsburgh, Pa., its successors or assigns, are hereby given the right and authority, at its own cost and expense, to use such part of the southerly sidewalk of West North avenue, as may be necessary, for the construction of footings for the proposed new one-story building at No. 859 and No. 861 West North avenue, 23rd Ward, Pittsburgh, Pa., to be erected by the Bloom Engineering Company.*
WEST NORTH AVENUE PROJECTIONS

Beginning at a point on the southerly line of West North avenue, distant 40.0' from the easterly line of

Galveston avenue, at an elevation of 757.78' bottom of footer, having a projection of 0' 6"; thence continuing in an easterly direction along the southerly line of West North avenue, a distance of 18' 4 $\frac{1}{4}$ " to a point, at an elevation of 757.78', bottom of footer, having a projection of 0' 6"; thence continuing in an easterly direction along the southerly line of West North avenue, a distance of 4' 4" to a point, at an elevation of 757.28', bottom of footer, having a projection of 1' 4"; thence continuing in an easterly direction along the southerly line of West North avenue, a distance of 15' 8" to a point, at an elevation of 757.78', bottom of footer, having a projection of 0' 6"; thence continuing in an easterly direction along the southerly line of West North avenue, a distance of 4' 4" to a point, at an elevation of 757.28', bottom of footer, having a projection of 1' 4"; thence continuing in an easterly direction along the southerly line of West North avenue, a distance of 14' 10" to a point, at an elevation of 757.78', bottom of footer, having a projection of 0' 6"; thence continuing in an easterly direction along the southerly line of West North avenue, a distance of 3' 9" to a point, at an elevation of 757.44', bottom of footer, having a projection of 1' $\frac{1}{2}$ ". The above elevations are City Datum.

The said footer projections on West North avenue shall be constructed to the provisions of this Ordinance and in accordance with the plan, identified as "Showing Footer Course on West North avenue for a Proposed New One-Story Building for the Bloom Engineering Company," known as Plan, Accession No. B-586, on file in the Division of Public Utilities, Bureau of Engineering, Department of Public Works, Pittsburgh, Pa.

Section 2. The said Bloom Engineering Company, its successors or assigns, prior to the beginning of the construction of the footer projections, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location for the construction of the said

footer projections, said plan and the construction of the footer projections shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its power over City streets, and to the Ordinances of the City of Pittsburgh relating thereto and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The said grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks above affected by this improvement; or the repair of any structure which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said projections; all of said work, including repairs of street or sidewalk, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said projections upon giving to the said Bloom Engineering Company of Pittsburgh, its successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council; and the said Bloom Engineering Company of Pittsburgh, its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said projections and restore the street to proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Bloom Engineering Company of Pittsburgh, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, in-

cluding the street and sub-surface structures therein, caused by or arising out of the construction, maintenance, use and operation of the said projections, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the condition that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Bloom Engineering Company of Pittsburgh, its successors or assigns, shall file with the proper officers of the City, its certificate of acceptance to be executed by the said Bloom Engineering Company of Pittsburgh.

No. 443

AN ORDINANCE—Granting unto the Pennsylvania Railroad Company of Pittsburgh, Pennsylvania, its successors or assigns, the right to construct, maintain and use an Industrial Side Track and a Public Delivery Track, along and across Preble avenue in the 21st Ward, Pittsburgh, Pennsylvania.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same,* That the Pennsylvania Railroad Company of Pittsburgh, Pennsylvania, its successors or assigns, subject to the terms and conditions herein provided, is hereby given the right and authority, at its own cost and expense, to construct, maintain and use a standard gauge Industrial Side Track to serve The Tubular Service Corporation, and relocate a portion of a Public Delivery Track siding along and across Preble avenue, in the 21st Ward, Pittsburgh, Pennsylvania.

INDUSTRIAL SIDE TRACK CENTER LINE LOCATION

Beginning at a point in the existing Public Delivery Track (granted by Ordinance No. 54, Borough of Manchester, approved October 27, 1856 to the C. & P. Railroad Company) where its center line intersects the easterly line of Pennsylvania avenue, distant 135.00 feet from the easterly line of Pennsylvania avenue at the point of connection of a No. 6 turnout; thence in a northeasterly direction through a No. 6 turnout 57.00 feet to a point of curve; thence continuing in a northeasterly direction by the arc of a circle with a radius of 157.01 feet to a point on the northerly line of Pennsylvania avenue a distance of 56.00 feet.

RELOCATING A PORTION OF A PUBLIC DELIVERY TRACK CENTER LINE LOCATION

Beginning at a point in the existing Public Delivery Track (granted by Ordinance No. 54, Borough of Manchester, approved October 27, 1856 to the C. & P. Railroad Company) where its center line intersects the easterly line of Pennsylvania avenue, distant 207.00 feet from the easterly line of Pennsylvania avenue; thence deflecting in a northeasterly direction by the arc of a circle with a radius of 356.00 feet for a distance of 135.00 feet to the northerly line of Preble avenue.

The said side tracks shall be constructed in accordance with a plan identified as Accession No. B-587 on file in the Division of Public Utilities, Bureau of Engineering, Department of Public Works.

No cars are to be left standing at any time in the limits of Preble avenue; this applies to the newly constructed Industrial Side Track and to the portion of the relocated Public Delivery Track.

The Industrial Side Track and the Public Delivery Track shall not at any time be used as team tracks within the limits of Preble avenue.

Section 2. The said Pennsylvania Railroad Company, prior to the be-

ginning of construction of said side tracks, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans showing location, paving, repaving, sewerage and all details for the construction of said side tracks, and the said plans and the construction of the side tracks, shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of said side tracks on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface or subsurface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said side tracks. All of the said work, including the repaving of the streets damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability reserves the right to cause the removal of said side tracks upon giving six (6) months' notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said Pennsylvania Railroad Company, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said side tracks and replace the streets to their original condition, at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh from damages to persons or

property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of the said side tracks, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to-wit: This ordinance shall become null and void unless within sixty (60) days after its passage and approval, the Pennsylvania Railroad Company, its successors or assigns, shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 8. After the said side tracks have been constructed and paved, the said Grantee shall maintain the same and the area extending five (5) feet in each direction from the center line thereof and between the easterly and westerly lines of Preble avenue. Such maintenance shall be appropriate to the adjoining street pavement, and as required by said Director.

Section 9. Should said side tracks be abandoned or their use discontinued, the Grantee shall bear the full cost and expense of the repair and repaving of the part of Preble avenue occupied by the side tracks, including all sub-structures thereunder, as directed by said Director.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Declaring the need for the creation of an Urban Redevelopment Authority to function within the territorial limits of the City of Pittsburgh, and creating the same pursuant to authority of the Urban Redevelopment Law, approved May 24, 1945, P. L. 991.

WHEREAS, It has been determined by the Council of the City of Pittsburgh and it is hereby declared as a matter of legislative finding, that there exist in the City of Pittsburgh areas which have become blighted because of unsafe, unsanitary, inadequate or overcrowded condition of the dwellings therein, or because of inadequate planning of the area, or excessive land coverage by the buildings thereon, or the lack of proper light and air and open space, or because of the defective design and arrangement of the buildings thereon, or faulty street or lot layout, or economically or socially undesirable land uses; and

WHEREAS, It has been found that such conditions or a combination of some or all of them have and will continue to result in making such areas economic or social liabilities, harmful to the social and economic well-being of the entire community, depreciating values therein, reducing tax revenues, and thereby depreciating further the general community-wide values; and

WHEREAS, The Urban Redevelopment Law, approved May 24, 1945, P. L. 991, authorizes the governing body of any city to find and declare that there is need for an Urban Redevelopment Authority to function within its territorial limits; and

WHEREAS, The Council of the City

of Pittsburgh finds that there is need for an Urban Redevelopment Authority to function within the limits of the City of Pittsburgh; Now, Therefore,

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That*

pursuant to the provisions of the Urban Redevelopment Law, approved May 24, 1945, P. L. 991, the Council of the City of Pittsburgh finds and declares that there is need for an Urban Redevelopment Authority to function within the limits of the City of Pittsburgh, and hereby creates a body corporate and politic to be known as the "URBAN REDEVELOPMENT AUTHORITY OF PITTSBURGH" to function within the limits of said City, subject to the powers and limitations contained in the above act.

Section 2. That the Clerk of the City Council is hereby directed to file with the Pennsylvania Department of State, the State Board of Housing, the State Planning Board and the Secretary of the Commonwealth, certified copies of this ordinance, so that a certificate of incorporation may issue to the Urban Redevelopment Authority of Pittsburgh as provided in said Act of Assembly.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 486

AN ORDINANCE—Providing for the licensing of commercial garbage and rubbish collectors; regulating commercial garbage and rubbish collections, and providing penalties for violations.

WHEREAS, the City of Pittsburgh finds it necessary to supervise the collection and disposal of commercial garbage and rubbish in order to prevent it from being surreptitiously and unlawfully included in the collection and disposal of domestic garbage and rubbish thereby increasing the expense to the City for the collection and disposal of domestic garbage and rubbish.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That from and after the effective date of this Ordinance, no person, persons, firm or corporation shall collect commercial garbage and/or rubbish from any*

premises within the City of Pittsburgh unless such person, persons, firm or corporation shall be licensed by the City as hereinafter provided.

Section 2. For the purposes of this Ordinance, the following terms shall be defined as indicated:

COMMERCIAL GARBAGE:

All refuse of animal or vegetable matter which has been used for the food of man, and all refuse of animal or vegetable matter which was intended to be so used, and all offal, condemned food, and all dead animals or parts thereof, except such garbage from premises where meals are served.

COMMERCIAL RUBBISH:

All the discards and waste material from commercial and/or processing or manufacturing concerns, exclusive of garbage and ashes.

Section 3. Any person, persons, firm or corporation wishing to collect commercial garbage or commercial rubbish from any premises within the City of Pittsburgh shall apply by affidavit to the Director of the Department of Public Works for license so to do, and shall furnish on such application the following information:

- The name, address and place of business of the applicant.
- The districts from which collections will be made.
- The place or places to which collections will be taken for disposal.
- Such other relevant information as the Director shall require.

Section 4. Any person, persons, firm or corporation applying for a license under the provisions of this Ordinance shall pay to the City Treasurer a license fee in accordance with the following provisions:

The license fee under this Ordinance shall be \$60.00 per year per truck. All licenses shall expire at the end of the calendar year in which they are issued. If issued after January the fee paid shall be as many twelfths of the annual fee as there are months remaining, but no division or deduction shall be made for a part of a month.

On December 31, 1946, all licenses issued under Ordinance No. 226, approved July 6, 1945, shall be cancelled and the holder of each such cancelled license shall be credited with the value of such cancelled and unexpired license on his new application under this Ordinance. When a license is revoked no funds are to be rebated.

Section 5. A license may be issued by the Director of the Department of Public Works if the application is in proper form, if the required license fee has been paid to the City Treasurer and if the said Director is satisfied that the applicant is capable of making collections according to the requirements of this Ordinance.

Section 6. Any person, persons, firm or corporation licensed to make collections of garbage or rubbish under the terms of this Ordinance shall:

(a) Make such collections in an orderly manner, complying with all the health and safety laws and ordinances and orders of the Director of the Department of Public Works;

(b) See that no garbage or rubbish is dropped or scattered on the premises from which collections are made, or on the streets;

(c) Keep the collection receptacles, wagons and trucks in good repair and properly covered at all times, as air and water tight as is reasonably possible;

(d) Make collections in business or commercial districts only at such times and in such places as will not interfere with the movement of traffic through or on the streets of such districts;

(e) Take collections for incineration or other disposal only to such places as may not be prohibited for such use by law or ordinance and as may be approved by the Director of the Department of Public Works.

Section 7. Each licensee shall file with the Director of the Department of Public Works a list of any and all places from which he collects commercial garbage and/or rubbish, stating which or both, and giving the ap-

proximate monthly tonnage. Such list shall be corrected monthly for addition or deduction of places from which collection is made and for monthly tonnage.

Section 8. The provisions of this ordinance shall not apply to farmers or hog raisers collecting garbage for feeding and/or fertilizing purposes.

Section 9. Any person, persons, firm or corporation violating any of the provisions of this Ordinance shall, upon conviction thereof before a police magistrate or alderman, be subject to a fine not exceeding \$100.00 and costs, and in default of payment thereof, to imprisonment for a period of not exceeding 30 days. Upon conviction of any violation of this Ordinance, a licensee shall be subject to immediate revocation of his or its license.

Section 10. That any Ordinance or part of Ordinance, conflicting with this Ordinance, with special reference to Ordinance No. 226, approved July 6, 1945, be and the same is hereby repealed, so far as the same affects this Ordinance.

No. 488

AN ORDINANCE—Granting unto the S. Hausman & Sons Company of Pittsburgh, Pennsylvania, its successors or assigns, the right to construct, maintain and use a Standard Gauge side track, along and across Railroad street and 26th street in the Second Ward, Pittsburgh, Pa.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the S. Hausman & Sons Company of Pittsburgh, Pennsylvania, its successors or assigns, subject to the terms and conditions herein provided, is hereby given the right and authority, at its own cost and expense, to construct, maintain and use a standard gauge side trackside track over and along Railroad street and 26th street in the Second Ward, Pittsburgh, Pennsylvania.*

SIDE TRACK CENTER LINE LOCATION

Beginning at a point in the side track of the Railroad Company, distant 89 feet eastwardly from the easterly line of 26th street, thence by a line having a length of 10 feet and a deflection angle of 2° 41' 12.2" from the said siding of the Railroad Company, northwestwardly to a point of curve, thence continuing in a northwesterly direction by the arc of a circle with a radius of 242.80 feet and a central angle of 6° 50' 26.2" for a distance of 29.00 feet to a point of tangent; thence by the tangent to said curve in a northwesterly direction for a distance of 17.00 feet to a point of curve; thence continuing in a northwesterly direction by the arc of a circle with a radius of 172.35 feet and a central angle of 8° 46' 10" for a distance of 26.00 feet to a point of tangent; thence by the tangent to said curve, in a northwesterly direction for a distance of 16.00 feet to a point of curve;

thence continuing in a northwesterly direction by the arc of a circle with a radius of 172.35 feet for a distance of 57.73 feet to the westerly line of 26th street, said point being on the westerly line of 26th street distant northwardly 14.28 feet from the northerly line of Railroad street.

Section 2. The said S. Hausman & Sons Company prior to the beginning of construction of said side track shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans showing location, paving, repaving, sewerage and all details for the construction of said side track; and the said plans and the construction of the side track, shall be subject to the approval and supervision of the Director of Public Works. Temporary paving of track area within street area shall be blockstone surface on gravel base. Permanent pavement deferred until improvement of Railroad street is made, at which time the track grades shall be adjusted and permanent paving constructed to conform to general improvement lines at the expense of the owner of said track.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of said tracks on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repaving and repair of the street pavement damaged, repair of sewers, water lines and other surface or subsurface structures which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said side tracks. All of the said work, including the repaving of the streets damaged, shall be done in the manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges

granted by this ordinance are granted upon the express condition that the City of Pittsburgh, without liability reserves the right to cause the removal of said side tracks upon giving six (6) months' notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said S. Hausman & Sons Company of Pittsburgh, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said side tracks and replace the streets to their original condition, at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of the said side tracks, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on this grant.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to wit: This ordinance shall become null and void unless within sixty (60) days after its passage and approval, the S. Hausman & Sons Company of Pittsburgh, its successors or assigns, shall file with the City Controller its certificate of acceptance of the provisions thereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 8. After the said side tracks have been constructed and paved, the said Grantee shall maintain the same and the area extending five (5) feet in each direction from the center line thereof and between the easterly and westerly lines of 26th street and the northerly and southerly lines of Railroad street. Such maintenance shall be appropriate to the adjoining street pavement, and as required by said Director.

Section 9. Should said side tracks be abandoned or their use discontinued, the Grantee shall bear the full cost and expense of the repair and repaving of the part of Railroad street

and 26th street occupied by the side tracks, including all sub-structures thereunder, as directed by said Director.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Section 2. All assets in the sinking fund applicable to the payment of the principal of the bonds refunded shall first be so applied to the payment thereof, and thereafter the proceeds arising from the sale of the Two Million Three Hundred Thousand Dollars (\$2,300,000) general obligation refunding bonds shall be applied to the redemption of said existing electoral

bonds maturing during the year 1947, and for no other purpose whatsoever. Said proceeds shall be placed in the several sinking funds provided for the payment of the principal and retirement of said bonds authorized by the electorate and maturing during the year 1947.

Section 3. Said bonds shall be in

denominations of One Thousand Dollars (\$1,000) each, except that the registered bonds hereinafter referred to may be in denominations of One Thousand Dollars (\$1,000) each, or in any multiple thereof, and shall be dated as of the first day of February, 1947, and shall be payable in twenty (20) equal installments of One Hundred Fifteen Thousand Dollars (\$115,000) each; one of which installments shall mature on the first day of February in each of the years 1948 to 1967, inclusive. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by the acceptance of bids submitted in accordance with published advertisements as provided by law, payable semi-annually on the first day of February and August in each year during the term thereof, without deduction for any tax which may be levied on said bonds, or on the debts secured thereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which is hereby assumed by the City of Pittsburgh. The principal of and interest on said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for registered bonds of the same maturity by surrendering such coupon bond or bonds, with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to Code Account No. 42, Contingent Fund.

Registered bonds shall be registered with the City Treasurer, and shall be transferrable only on the books of the City Treasurer. Both registered and coupon bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of any such officials, the bonds shall be signed by the City official authorized by law

or by resolution of Council to act in his place.

Each of said bonds shall be known and designated as

REFUNDING BOND OF 1947,
SERIES A.

Section 4. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder therefor after public notice by advertisement as required by law.

Section 5. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said bonded debt shall have been increased or incurred, namely, the year 1948, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to five per centum (5%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenues of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general funds of the City a sum sufficient for the payment of the first installment of interest due under the terms of said bonds.

The aforesaid tax levy shall be expressed as an amount of money to be raised by taxation in each succeeding year, during the term of said bonds, for principal, interest and taxes thereon, by a subsequent ordinance supplementing or amending this Ordinance after the determination of the interest rate which shall be applicable thereto. Said Ordinance or amendment to this Ordinance shall also fix the interest rate on said bonds.

Section 6. That all bonds issued by

the authority of this Ordinance, and the Acts of Assembly authorizing the same, shall be general obligation bonds; shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof; shall be free from taxation, as aforesaid, and for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the full faith, honor, credit and property of the City are hereby irrevocably pledged.

Section 7. That the coupon and registered bonds issued pursuant to this ordinance shall be in form approved by the City Solicitor and shall follow the provisions of this ordinance.

Section 8. Pending the execution and delivery of the definitive bonds to be issued under this Ordinance, the Mayor and the City Controller are authorized to have prepared, and to execute and deliver to the purchaser of the bonds hereby authorized, one or more temporary typewritten or printed bonds for the aggregate principal amount of the bonds authorized by this Ordinance, which temporary bonds shall be in such denomination and amount as the Mayor and Controller may determine, and shall be substantially of the tenor of the registered bonds to be issued hereunder, with appropriate omissions, insertions and variations as may be required. Each of said temporary bonds shall bear on its face the words

**TEMPORARY REFUNDING BOND
OF 1947, SERIES A,**

and such temporary bonds shall be exchangeable at the office of the City Controller for a like principal amount of definitive bonds, when such definitive bonds are ready for delivery.

Section 9. The Mayor and the City Controller are hereby authorized and directed to prepare and file with the Clerk of the Court of Quarter Sessions of Allegheny County, Pennsylvania, under oath, a statement showing, (a) the amount of the existing gross liability of the City, the various allowable deductions which are claimed, and the net debt of the City; (b) the amount

of the assessed valuation of all taxable property as last determined; (c) the amount of the bonds to be issued hereunder; and (d) the form, number and date of maturity of said bonds in accordance with the provisions of the Act of Assembly of the Commonwealth of Pennsylvania, approved June 25, 1941, P. L. 159, known as the "Municipal Borrowing Law," and any amendments thereof or supplements thereto, and to do and perform all other acts required by said Act or by this Ordinance or any amendments or supplements thereto in connection with the sale and issuance of said bonds.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Passed December 23, 1946.

Approved December 28, 1946.

No. 500

A^N ORDINANCE—Making appropriations to pay the expenses of Conducting the public business of the City of Pittsburgh and for meeting the debt charges thereof for the fiscal year, beginning January 1, 1947.

Section 1. *Be it ordained and enacted by the City of Pittsburgh, in Council assembled, and it is hereby ordained and enacted by the authority of the same, That the revenues of said City derived from taxes and other sources for the fiscal year beginning January, 1, 1947, and ending December 31, 1947, including therein cash surplus on hand at the close of business on December 31, 1946, are hereby appropriated in the sum of \$25,973,943.00 to pay the expenses of conducting the public business of the City of Pittsburgh and meeting the debt charges thereof during the said period beginning January 1, 1947, and ending December 31, 1947, as well as all encumbrances incurred prior to January 1, 1947, for which services have not actually been rendered, or supplies, materials or equipment actually delivered prior to December 31,*

1946, and so reported to the City Controller. Said encumbrances shall be charged to the proper appropriation accounts for the fiscal year 1947 and cancelled in the 1946 appropriation accounts against which encumbrances had been originally charged, and all unexpended balances of appropriations remaining open upon the books of the City Controller at the close of the fiscal year 1946, shall be and the same are hereby ordered to be cancelled, except such amounts as shall be required for payment for services actually rendered, or supplies, materials or equipment actually delivered prior to December 31, 1946, and so reported to the City Controller, or such amounts as shall be directed to be carried over to the fiscal year 1947, by resolution or ordinance of Council.

Section 2. No liability shall be incurred against any appropriation item in excess of the unencumbered balance thereof, and said appropriation items shall be administered subject to and in conformity with the following terms and conditions:

- (a) Data required for preparation of payrolls shall be submitted to the City Controller in such form, and at such times, as he may prescribe, this data to include records of employment, time worked, whether compensation is based upon hours or days worked, quantity of work performed, or upon a monthly or annual salary basis, and such other records or reports with reference to personal service as may be required.
- (b) Payrolls shall be prepared by the City Controller upon the basis of such records or reports, and submitted by him to the respective directors or head of departments or offices for approval and certification in such form as he may prescribe.
- (c) No transfer shall be made from one appropriation item to another except by resolution or ordinance of council, and such resolution or ordinance shall in each case set forth the reasons for such request, and be accompanied by a certification from the Controller stating that there is a sufficient balance

unencumbered and available in the appropriation item from which the transfer is to be made.

Section 3. No obligation shall be incurred by any department of the City government other than for salaries or wages, or for necessary expenses of employees when engaged upon city business, except through the issue of an order, stating the service to be rendered, work performed, or supplies, materials or equipment to be furnished together with the estimated cost of the same. The Director of the Department of Supplies is hereby authorized and directed to provide upon requisition by the head of any department all necessary supplies, materials, equipment and machinery for such department; provided, however, that no requisition of any department shall be filled by the Director of the Department of Supplies in excess of the unencumbered balance of the appropriation properly chargeable, and that no order shall be issued by the Director of the Department of Supplies, or by the head of any other department of the City government, until it has been approved by the City Controller. Payments on account of direct purchase shall be made from the amounts hereinafter appropriated therefor respectively. Purchases made by the Director of the Department of Supplies to go into stores shall be paid for from the fund provided for such purposes, and when as directed by the City Controller; said fund shall be reimbursed from other appropriations to the extent of deliveries made from stores.

Section 4. Council may, by resolution of the Finance Committee from time to time, restrict expenditures from the appropriations made hereby, both as to amounts of expenditure and the periods within which such expenditures may be made, and may also, by resolution of the Finance Committee at any time cancel in whole or in part any unencumbered balance of any of said appropriations.

Section 5. For purposes of administration and accounting control, the code symbols indicated herein shall be considered as part of the appropriation titles.

No. 12

Resolved, That the Mayor and the Director of the Department of Public Works, on behalf of the City, are hereby authorized and directed to execute the following Agreements with the School District of the City of Pittsburgh for the transfer of the property in the 8th Ward on Ella Street, formerly occupied by the Andrews School, to be used as a playground by the City, and to be transferred to the City in exchange for certain lots adjoining the Fifth Avenue High School site, and known as Lots Nos. 3, 6 and 7 in the Miltenberger Plan, which were acquired by the City at a tax sale in 1936, to be transferred to the School District of Pittsburgh for playground purposes:—

"THIS AGREEMENT

"MADE this----day of-----, 194--, between the SCHOOL DISTRICT OF PITTSBURGH, a quasi municipal corporation, party of the first part, and the City of Pittsburgh, a municipal corporation, party of the second part.

"WITNESSETH, that the said party of the first part for the consideration hereinafter mentioned does hereby agree to sell and convey to the party of the second part by a good and sufficient deed without warranty, free and clear of all encumbrance, the following described real estate, to wit:

"ALL that certain lot or piece of ground located in the Eighth (8th) Ward of the City of Pittsburgh, fronting one hundred thirty-two (132) feet, more or less on Ella Street and extending back to a playground owned by the City of Pittsburgh.

"BEING known as the Andrews School Site and having thereon erected an old dwelling house used as a janitor's residence.

"In consideration of this conveyance the party of the second part hereby agrees to pay to the party of the first part the sum of Twelve Thousand (\$12,000.00) Dollars at the time of the delivery of a proper deed conveyance, after approval of said sale by the Court of Common Pleas of Allegheny County.

"The party of the second part may at its option and in lieu of the payment of Twelve Thousand (\$12,000.00) Dollars as above provided, convey to the party of the first part three (3) certain lots in the First (1st) Ward of the City of Pittsburgh, acquired by the party of the second part at a tax sale; each fronting Twenty (20) feet on the southerly side of Fifth avenue and extending back one hundred twenty (120) feet to Watson street. Being lots numbered 3, 6 and 7 in the Miltenberger Plan of Lots as recorded in Plan Book Vol. 2, page 144 and being fully described in three separate deeds. The first recorded in Deed Book Vol. 2550, page 730, the second recorded in Deed Book Vol. 2550, page 733. and the third recorded in Deed Book Vol. _____ Page _____. This conveyance to be free and clear of all encumbrance.

"If title to any of the properties above referred to and belonging to either the School District of Pittsburgh or the City of Pittsburgh, should upon examination prove to be defective and cannot be made good with reasonable promptness or at reasonable expense, or if the sale by the School District of Pittsburgh should not be approved by the Court of Common Pleas of Allegheny County, either party may then declare this agreement null and void and both parties will be released therefrom. Nothing in this agreement shall obligate the City of Pittsburgh to pay in cash the above named consideration of Twelve Thousand (\$12,000.00) Dollars unless it should elect to do so.

"It has been ascertained and determined that the property of the School District of Pittsburgh and the property of the City of Pittsburgh referred to above are of equal value and it is

assumed by both parties that the price to be paid by the City of Pittsburgh to the School District of Pittsburgh will be paid by conveyance of the three (3) lots on Fifth Avenue above referred to.

"In Witness Whereof this agreement is executed by the proper officers of the parties hereto and by virtue of a Resolution adopted by the Board of Public Education on November 30, 1945 and a Resolution of the Council of the City of Pittsburgh enacted _____, 1945.

Whereas, The Home, Farm and Property Owners Association of Allegheny County in a circular just issued, among other things has stated the following:

"Real Estate must have relief if Pittsburgh is to prosper. . . . In many cases, it is not only unprofitable but a definite liability to own taxable property in Pittsburgh, because of the unfair and inequitable tax discrimination against real estate owners in Pittsburgh. Fair legislation to take the tax load off

real estate must be obtained at the next General Assembly if Pittsburgh is to prosper."

Now, therefore, be it

Resolved, That the City Clerk be directed to request the Home, Farm, and Property Owners Association of Allegheny County to submit recommendations to City Council of suggested legislation it might have to offer which will help take the tax load off real estate in the City of Pittsburgh.

Whereas, It is the conviction of Council and of the Mayor that the street lighting service which has been provided to the City of Pittsburgh by the Duquesne Light Company under its established rates is both outmoded and expensive; and

Whereas, The City has completed plans to improve its street lighting and to reduce the cost thereof by opening to competitive bidding the installation, maintenance and sale to the City over a 10-year period of a new, modern street lighting system; and

Whereas, Pursuant to said plan, the City duly advertised for bids on three separate 10-year contracts, as follows:

Contract No. 1, for the supply of suitable electric current to energize the new street lighting system, comprising approximately 20,000 street lights;

Contract No. 2, for the installation and sale to the City of such new street lighting system, including fixtures, brackets, ornamental poles and other equipment; and

Contract No. 3, for the maintenance of such street lighting system, including nightly inspection and replacement of lamps; and

Whereas, Duquesne Light Company failed and refused to bid on any of such contracts, including the contract for electric energy for which it is the sole possible bidder by reason of its monopoly of the light and power business in Pittsburgh; and

Whereas, Following its refusal to bid on Contract No. 1, Duquesne Light Company offered to provide electric current to energize the new street lighting system but at a grossly excessive rate, a rate exorbitantly higher than that properly chargeable according to the company's own previously published statements; and

Whereas, Acceptable bids for Contracts Nos. 2 and 3 have been received, but the City is unable to award the contracts because of Duquesne Light Company's refusal to provide electric energy at a reasonable rate; and

Whereas, Duquesne Light Company has refused to explain or disclose to the City how the exorbitant rate it now offers was evolved and has informed Council and the Mayor that it will do so only if compelled at a rate hearing before the Pennsylvania Public Utility Commission; Now, Therefore, be it

Resolved: That the City Solicitor be and she is hereby authorized and directed to file a complaint with the Pennsylvania Public Utility Commission against the present excessive street lighting rates of the Duquesne Light Company, and to request the Commission to determine and require the company to file a reasonable rate for furnishing suitable electrical current to energize the City's new street lighting system; and be it further

Resolved: That the Pennsylvania Public Utility Commission be requested to aid and assist the City in preparation and presentation of engineering and other technical evidence in support of its complaint through the Commission's permanent staff of engineers, accountants, analysts, rate specialists and other public utility experts; and be it further

Resolved: That a copy of this Resolution be forwarded to the Chairman

and Members of the Pennsylvania Public Utility Commission, with the request that the Commission advise the Mayor whether it will lend the assistance of its technical staff in aid of the City's complaint.

Whereas, Under authority of Resolution No. 191, approved July 30, 1946, the City Solicitor filed a Complaint with the Pennsylvania Public Utility Commission against the present excessive street lighting rates of the Duquesne Light Company and requested the Commission to determine and re-

quire the Company to file reasonable rates for furnishing current to energize the City's new street lighting system, said complaint being docketed at No. 14157-1946; and

Whereas, Under authority of the said Resolution, the Pennsylvania Public Utility Commission was requested to aid and assist the City in the preparation and presentation of engineering and other technical evidence in support of the City's complaint through the Commission's permanent staff of engineers, accountants, analysts, rate specialists and other public utility experts; and

Whereas, In answer to the said request, John Siggings, Jr., Chairman of the Commission, by letter dated August 20, 1946, advised the Mayor that the Commission can use the services of its public utility experts only in complaints and investigations started by the Commission, and therefore declined to aid the City of Pittsburgh as requested in the Resolution aforesaid;

Now, Therefore, Be It

Resolved, That the Pennsylvania Public Utility Commission be requested to file its own complaint and investigation against the rates of the Duquesne Light Company for the purpose of determining and requiring the Company to file reasonable rates for the current to energize the City of Pittsburgh's new street lighting system; and be it further

Resolved, That the said Pennsylvania Public Utility Commission be requested to consolidate its complaint and investigation against the Duquesne Light Company with the complaint of the City of Pittsburgh previously filed; and be it further

Resolved, That a copy of this Resolution be forwarded to the Chairman and members of the Pennsylvania Public Utility Commission with the request that the Commission advise the Mayor whether it will comply with the requests herein contained.
